Lawrence Evans,2018-08-03 The party whips are essential components of the U S legislative system responsible for marshalling party votes and keeping House and Senate party members in line In *The Whips* C Lawrence Evans offers a comprehensive exploration of coalition building and legislative strategy in the U S House and Senate ranging from the relatively bipartisan committee dominated chambers of the 1950s to the highly polarized congresses of the 2000s In addition to roll call votes and personal interviews with lawmakers and staff Evans examines the personal papers of dozens of former leaders of the House and Senate especially former whips These records allowed Evans to create a database of nearly 1 500 internal leadership polls on hundreds of significant bills across five decades of recent congressional history The result is a rich and sweeping understanding of congressional party leaders at work Since the whips provide valuable political intelligence they are essential to understanding how coalitions are forged and deals are made on Capitol Hill      The Search Osho,2006 Extemporaneous talks given by Osho at the Osho International Meditation Resort Pune India      The Witches of Moonfell, The Complete Collection Kim Richardson,2024-08-14 This bundle contains all 4 books in the Witches of Moonfell series by USA Today Bestselling author Kim Richardson The Witches of Moonfell series is perfect for fans of urban fantasy mystery slow burn romance and action packed adventures Twenty years ago I escaped my hometown of Moonfell a paranormal hotspot in the suburbs of New York hidden from human eyes A place I swore I d never return But the gruesome murder of a teen werewolf has brought me back And I m here to solve it As I delve deeper into the case I realize this is no ordinary killing Someone or something is targeting the supernatural community Struggling to control my powers I find myself entangled in the drama of my neighbors from a group of mysterious witches to the sexy and dangerously seductive Blake as well as a seemingly ordinary feline that turns out to be something entirely unexpected I must navigate the dangerous waters of Moonfell while keeping my own secrets hidden See I m not your average witch Hell I m not like any witch My magic is different It s wild and unpredictable And one day it s going to get me killed But as the stakes get higher and the bodies pile up I realize this is more than just a murder investigation This is a battle for survival BOOKS INCLUDED IN BUNDLE *Magic of Flame* and *Shadow Magic of Blood* and *Ash Magic of Storm and Fury* *Magic of Flesh and Bone*      Magic of Blood and Ash Kim Richardson,2024-08-14 Returning to Moonfell wasn t part of my plan and it completely altered my life New house New friends And reuniting with my eccentric aunt brought some joy back into my soul I even managed to crack a smile every now and then Just when I thought things couldn t get any more complicated I find myself caught between my duty as an investigator and my growing feelings for the enigmatic Dash the not werecat He saved us
