Shadow Account A Novel:

Shadow Account Stephen W. Frey, 2005 Shadow Account Stephen Frey, 2004-02-03 His novels of big money and murder in the world of finance have earned New York Times bestselling author Stephen Frey a richly deserved reputation as a master of suspense who always delivers a high yield Now he raises the stakes and the risk factor in a new thriller that pits a young Wall Street player against corporate conspiracy and White House intrigue in a dangerous game of double crosses dirty tricks and deadly consequences An investment banker in the maverick firm Phenix Capital Conner Ashby is doing all right for himself At twenty seven he s practically the right hand man of the company s founder a wealthy old pro looking to make a big comeback on The Street while grooming Conner for a place at the top Between his career and his gorgeous girlfriend it s a good life with every indication of getting even better until a wayward E mail crosses Conner s computer and plunges his near perfect world into a terrifying downward spiral The operation is way out of hand If we don t do something it s going to detonate It s a communication not meant for Conner s eyes between people he doesn t know about a company he s never heard of a company that s engaged in corporate fraud on a massive scale With no way to trace the E mail it s impossible for Conner to act on the volatile discovery But with millions of dollars at stake high powered careers in the balance and hell to pay if the truth comes out whoever clicked the send button by mistake isn t about to take any chances And for Conner the evening that began in the arms of a beautiful woman ends in a harrowing race for his life As he follows a twisting trail of misdeeds and misinformation that stretches nationwide Conner slowly uncovers a shocking plot as undeniably real as the gunshot wound in his arm Now surviving will mean struggling to expose the truth as relentlessly as his shadowy enemies seek to conceal it and fighting for his life as ruthlessly as those determined to end it At every unexpected turn **Shadow Account** deftly reveals Stephen Frey s many and considerable gifts his genius for plotting his mastery of suspense and his unmatched insight into the dark territory where finance meets felony money meets mortality and profit and loss are matters of life and death

Slavery, Capitalism, and Women's Literature Kristin Allukian, 2023-08-01 With **Slavery Capitalism and Women's Literature** Kristin Allukian makes an important contribution to slavery and capitalism scholarship by including the voices of some of the best known nineteenth century American women writers Women s literature offers crucial and previously unconsidered economic insights into the relationship between slavery and capitalism different from those we typically find in economics and economic histories Allukian demonstrates that because women s imaginative and creative texts take the material historical connection of slavery and capitalism as their starting point they can be read for the more speculative extensions of that connection extensions not possible to discover on a material historical level Indeed Allukian contends these authors and texts disclose unique economic insights critiques and theories in ways that are only possible through literary writing The writers featured in this study Harriet Beecher Stowe Lucy Larcom Harriet Jacobs and Frances Ellen Watkins Harper published written accounts of the continuities between slavery and capitalism including between

language and activism accounting and sentimentalism labor and technology race and property and inheritance and reparations Their essays novels poems and autobiographies provided forums to document data stimulate debate generate resistance and imagine alternatives to the United States developing capitalist economy engined and engineered by slavery Without their unique economic insights the national narrative we tell about the relationship between slavery and capitalism is incomplete **Heterotopic World Fiction** Lesley Higgins, Marie-Christine Leps, 2022-09-06 After more than a century of genocides and in the midst of a global pandemic this book focuses on the critique of biopolitics the government of life through individuals and the general population and the counterdevelopment of biopoetics an aesthetics of life elaborating a self as a practice of freedom realized in texts by Virginia Woolf Michel Foucault and Michael Ondaatje Their world fiction produces transhistorical transnational experiences offered to the reader for collective responsibility in these critical times Their books function as heterotopias spaces and processes that recall and confront regimes of recognized truths to dismantle fixed identities and actualize possibilities for becoming other Higgins and Leps define and explore a slant biopoetic perspective that is feminist materialist anti racist and anti war **Robin Gray.
