The Shadow Line, a Confession Joseph Conrad, 1923 **The Shadow-Line** Joseph Conrad, 2007-10-09 The masterpiece of Joseph Conrad's later years the autobiographical short novel *The Shadow Line* depicts a young man at a crossroads in his life facing a desperate crisis that marks the shadow line between youth and maturity This brief but intense story is a dramatically fictionalized account of Conrad's first command as a young sea captain trapped aboard a becalmed fever wracked and seemingly haunted ship With no wind in sight and his crew disabled by malaria the narrator discovers that the medicine necessary to save the sick men is missing and its absence has been deliberately concealed Meanwhile his increasingly frightened first mate is convinced that the malignant ghost of the previous captain has cursed them Suspenseful atmospheric and deceptively simple Conrad's tale of the sea reflects the complex themes of his most famous novels *Lord Jim* and *Heart of Darkness* *The Shadow Line; a Confession* Joseph Conrad, 2014-10-10 ship He had to employ white men in the shipping part of his business and many of those he so employed had never set eyes on him from the first to the last day I myself saw him but once quite accidentally on a wharf an old dark little man blind in one eye in a snowy robe and yellow slippers He was having his hand severely kissed by a crowd of Malay pilgrims to whom he had done some favour in the way of food and money His alms giving I have heard was most extensive covering almost the whole Archipelago For isn't it said that The charitable man is the friend of Allah Excellent and picturesque Arab owner about whom one needed not to trouble one's head a most excellent Scottish ship for she was that from the keep up excellent **SHADOW-LINE JOSEPH. The Shadow-Line Joseph Conrad,2015-07-09 Excerpt from The Shadow Line A Confession This story which I admit to be in its brevity a fairly complex piece of work was not intended to touch on the supernatural Yet more than one critic has been inclined to take it in that way seeing in it an attempt on my part to give the fullest scope to my imagination by taking it beyond the confines of the world of living suffering humanity But as a matter of fact my imagination is not made of stuff so elastic as all that I believe that if I attempted to put the strain of the Supernatural on it it would fail deplorably and exhibit an unlovely gap But I could never have attempted such a thing because all my moral and intellectual being is penetrated by an invincible conviction that whatever falls under the dominion of our senses must be in nature and however exceptional cannot differ in its essence from all the other effects of the visible and tangible world of which we are a self conscious part About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Shadow Line** Joseph Conrad,2020-04-04 Written in 1915 The Shadow Line is based upon events and experiences from twenty seven years earlier to which Conrad returned obsessively in his fiction A young sea captain s
