Shadow Of The Dolls:

Jacqueline Susann's Shadow of the Dolls Rae Lawrence, Jacqueline Susann, 2001 Sequel to Valley of the Dolls

Jacqueline Susann's Shadow of the Dolls Rae Lawrence, 2002 Continues the later lives of the characters from the Valley of the Dolls *Jacqueline Susann's Shadow of the Dolls* Rae Lawrence, 2012-02-08 Valley of the Dolls was sexy shocking and unrelenting in its revelations of the dangers facing women who dare to chase their most glamorous dreams It shot to the top of the bestseller lists in 1966 and made Jacqueline Susann a superstar It remains the quintessential big blockbuster must read can't put down bestseller Before her death in 1974 Susann spent many months working on a draft for a sequel that continued the stories of Anne Welles Neely O'Hara and Lyon Burke Now after nearly thirty years the perfect writer has been found to turn Susann's deliciously ambitious ideas into a novel that matches the original shock for shock and thrill for thrill In Jacqueline Susann's Shadow of the Dolls Rae Lawrence herself a bestselling author picks up the story in the late 80s and brings it right into the new century Long a devoted Valley girl herself Rae has reimagined the original characters in a contemporary reality and adjusted their ages just a bit exactly as Jackie would have wanted her to And if you've never read Valley of the Dolls no matter Sometimes the present is even more surprising and fun when you don't remember the past And what a story Neely's golden voice has brought her fame and success but now she craves acceptance in social circles where her kind of celebrity means nothing at all Anne born and bred in those very circles must choose between returning home or pursuing a fabulous television career and the kind of passion she once knew with Lyon And Lyon who loses everything including Anne looks for happiness in the most unexpected of places Taking us behind the closed doors of New York East Hampton and Los Angeles whetting our appetites for more with a new generation of young women and men who grow up far too fast and spicing the whole story with a generous sprinkling of sex drugs and cosmetic surgery Jacqueline Susann's Shadow of the Dolls is the ultimate beach read for our time But feel free to devour it any time of the year wherever you are It's been a long time since readers had this much fun between the covers It's time to jump back in Anne Welles She finds the courage to leave the only man who ever made her feel like a woman She fights her way to the top of a television career that is even more cutthroat than she's been warned She finds security and contentment with the kind of man she was destined to marry Now she must choose between destiny and her dreams Neely O'Hara Her talents take her to the top while her troubles drag her through rehab after rehab She grasps at the things Anne has turned her back on her class her man She always knows exactly what she wants and will do whatever it takes to make her dreams come true Lyon Burke He takes lovers over love He hustles other people's talent while neglecting his own He always knows how to look which restaurants offer the perfect drink and the most cachet who to pursue and where to find the best percentage He waits so long to realize his dreams that in the end it may be too late Jacqueline Susann's Valley of the Dolls was one of the sexiest most shocking and most sensational novels ever to fly off the shelves Now thanks to bestselling novelist Rae Lawrence working from Susann's

own draft for a sequel the fun has just begun **Shadow of the Dolls** Rae Lawrence, Jacqueline Susann, 2001 Valley of the Dolls made publishing history and no one has equalled Jacqueline Susann's record since Now with the help of bestselling author Rae Lawrence she's back and better than ever Times have changed and the pills have been supplemented with cosmetic surgery but the passions still burn **Shadow of the Dolls** Jacqueline Susann's, 2001 [Making To-Live-For Dolls](#) Celia Desmond, 2013-04 This book is a must read for anyone making a porcelain doll wanting to enter in a competition In the book you will find tips and information from notes taken at seminars and private lessons with the top doll makers in the world today There are two main categories of porcelain dolls modern and antique Modern dolls are those sculpted by modern artists Antique dolls are those that were first introduced and sold either more than fifty years ago or by some definitions more than one hundred years ago Actual antique dolls can be purchased for enjoyment and possibly to use as models for the making of reproductions Excellent reproductions of the antique dolls can be made by modern day artists Modern dolls are those sculpted by current day sculptors Modern dolls can be painted and dressed in any way the doll artisan prefers They can have painted eyes or the holes can be cut out from the porcelain before the bisque firing to allow the insertion of glass eyes Neither technique is easy Each has its own challenges and both look nice when done well These dolls can be dressed in any way the artist wishes as well Reproductions of antiques must be done so that the artist reproduces the original patterns and colors as they were initially done on the specific dolls This means reproducing the eyes with the same number of lashes that the artists painted on the antique dolls the same slant and the same spacing Dressing the antique reproductions poses another challenge as the dolls should be dressed in a period costume appropriate for that doll The fabrics should be natural fibers often actual vintage or antique fabrics Significant research is required to determine what styles fabrics and colors should be used for specific dolls This book has a wonderful collection of tips collected from the experts These are helpful for all doll makers especially people preparing for competitions This book contains a wealth of information for lovers and makers of both modern and reproduction antique dolls The information has been collected over the years from most of the most talented and experienced doll makers in the world It is shared here with those interested in preserving this art approaching each aspect of the doll in the best way possible **Nexis** A.L.
