Americans With African Roots Empowered. El Piper,2025-08-19 **Americans With African Roots Empowered** A WA RE offers a grounded and insightful exploration of the history and identity of the Hebrew Israelites tracing their journey from biblical times through centuries of exile colonization and cultural erasure Beginning with King James VI and I the book examines how his influence shaped the Bible s translation and how this version was used to reinforce imperial agendas Through careful comparison with ancient texts such as the Ethiopian Bible and analysis of removed or suppressed scriptures the book reveals how religious doctrine was reshaped to justify colonization and slavery The transformation of the Hebrew

Israelite faith into a tool of European dominance is laid bare showing how key elements of biblical history were distorted or omitted Spanning events from the founding of Jamestown to the transatlantic slave trade this work connects pivotal historical moments to the ongoing journey of a people whose story has often been hidden It also explores the cultural endurance and prophetic traditions of the Hebrew Israelites the evolving role of women and the spiritual impact of the King James Bible on African American communities This is both a historical reexamination and a call to rediscover truth identity and legacy in the face of centuries of misrepresentation

Quest for Babylon's Soul Sonador Snow, 2022-02-16 The chase is on for the greatest archaeological discovery of the 21st century Two thousand years ago a greedy Persian general and his seneschal march through the dunes leaving behind rivers of blood Two millennia later the dark side of NATO's presence in Iraq pushes a local woman to flee into the night clutching a golden vase to her chest Fast forward to today where American archaeologist Diane Ryan discovers a mass grave in the hot sands of Syria After calling English historian Geoff Symons for assistance with the dig the two unearth an ancient clay plate Discover how the timeframes intertwine and how echoes of the past reach the present In the end who will reach the gold statue of God Marduk

The Derision of Heaven Michael Whitworth, 2013-09-03 Every day it seems the world becomes increasingly hostile to Christianity Values are being scuttled faith is scorned and God's people are being marginalized These difficult times pose two questions to Christians How can we be the light of the world in such abject darkness And how can God still be in control of all things This book will help you answer these questions More than a guide to Daniel The Derision of Heaven is an urgent message for the exiled church As you journey through the story and visions of Daniel you will be awe struck by the sovereign rule of God emboldened to live a life that glorifies him and encouraged to serve in the eternal Kingdom of Heaven

important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God s prophets as distinct from Satan s spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those

Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter s first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18 *The Popular Bible Prophecy Commentary* Tim F. LaHaye,Edward E.

Hindson,2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the world s kingdoms and the interpretation of the book of Revelation *Nahum Habakkuk Zephaniah* Walter Dietrich,2016-04-27

The distinctiveness of this commentary lies in its consistent rotation between synchronic and diachronic views This double perspective is directed toward the three prophetic books as a single entity toward each individual book and toward the interpretation of each pericope The result is a sophisticated picture on the one hand of the structure and intention of the texts in their final form and on the other hand of their compositional history from the second half of the 7th century to the late Old Testament period Each exegetical section opens with a precise text critically supported translation and finishes with a synthesis that attempts to make note of the lasting insights from each text and the most important results of the analysis **Signs of the Times, and Doctrinal Advocate and Monitor** ,1915
