**The Promise of the Present and the Shadow of the Past** Bension Varon, 2011-05-17 Barbara did not fit the classic model of an immigrant who becomes acquainted with America through school or work learns English falls in love with and adopts America's values and is helped along in many cases by an American spouse First of all I was not an American We became American together if anything rather than lead I lagged behind More important like me she came from Germany to this country fully bilingual with considerable familiarity with its history and society and a developed set of values America fit those set of values she did not have to discover them This book is in large part for those familiar with Barbaras community service and political work who wish they had known her longer or more closely This book is also for the many whom Barbara would have wished to know personally those committed to community service who like herself believed strongly in voting rights human rights and women's rights who shared her limitless curiosity and who loved history as much The book is at the same time about my own journey I traveled not only wherever she went during this journey but in her constellation I met in the process her spiritual kin people linked to her by history alleys she had not gone into and relationships she had not fully explored Introduction

**Way of the Shadows** Cynthia Eden, 2014-09-01 The woman who doesn't remember is the one he can't forget in Cynthia Eden's latest Shadow

Agents Guts and Glory book Fifteen years ago Noelle Evers was kidnapped Two days later her abductor was dead leaving her with no memory of what happened Now an FBI profiler she uses her past trauma to get inside the minds of killers But she can't read her new partner EOD agent Thomas Anthony is controlled Dangerous And hauntingly familiar Thomas has been covertly watching Noelle's back He wanted to tell her the truth but couldn't blow his cover Their latest mission just revealed a link to her past With desire ramping up between them and a predator hunting Noelle it's time for Thomas to step out of the shadows Or lose his second chance to save the woman he loves *A Hospital's Dark Shadow* Pasquale De Marco, 2025-05-08

*A Hospital's Dark Shadow* is a gripping exposé of the dark underbelly of a corrupt hospital revealing the moral dilemmas faced by those who work within its walls With unflinching prose and a keen eye for detail Pasquale De Marco shines a light on the shadows that lurk within the medical profession questioning the very nature of healing and redemption Within the hallowed halls of St Bartholomew's Hospital a sinister shadow lurks threatening to consume all who dare to enter This once respected institution has become a breeding ground for corruption deceit and unspeakable horrors As darkness envelops the hospital a group of courageous individuals emerges from the shadows determined to expose the truth and restore justice Led by Dr Emily Carter a brilliant surgeon haunted by her past and Dr Richard Wells a charismatic but enigmatic physician with a hidden agenda they embark on a perilous journey to uncover the secrets that lie beneath the surface But their quest for truth is met with fierce resistance from those who seek to maintain their power and conceal their crimes As they delve deeper into the labyrinthine corridors of the hospital they encounter a cast of unforgettable characters each with their own motives and secrets From the enigmatic Dr Henry Jekyll whose experiments push the boundaries of medical ethics to the manipulative Nurse Ratched who wields her authority with an iron fist the inhabitants of St Bartholomew's are a complex and haunting tapestry of human nature As the stakes rise and danger escalates Emily and Richard must confront their own inner demons and make impossible choices The line between right and wrong blurs as they navigate a world where nothing is as it seems *A Hospital's Dark Shadow* is a must read for anyone who has ever questioned the integrity of the medical system Pasquale De Marco takes readers on a harrowing journey through the darkest recesses of a corrupt hospital exposing the flaws that can turn healers into monsters This is a powerful and unforgettable story that will leave a lasting impact on your mind If you like this book write a review on Google Books **In Hawthorne's Shadow** Samuel Chase Coale, 2021-10-21

The world is so sad and solemn wrote Nathaniel Hawthorne that things meant in jest are liable by an overwhelming influence to become dreadful earnest gaily dressed fantasies turning to ghostly and black clad images of themselves From the radical dualism of Hawthorne's vision Samuel Coale argues springs a continuing tradition in the American novel In *Hawthorne's Shadow* is the first critical study to describe precisely the formal shape of Hawthorne's psychological romance and to explore his themes and images in relation to such contemporary writers as John Cheever Norman Mailer Joan Didion John Gardner Joyce Carol Oates William Styron and John Updike When viewed from this perspective certain writers particularly Cheever Mailer Oates

and Gardner appear in a new and very different light leading to a considerable reevaluation of their achievement and their place in American fiction Mr Coale s long interviews and conversations with John Cheever John Gardner William Styron and others have provided insights and perspectives that make this book particularly valuable to students of contemporary American literature Coale links contemporary writers to an on going American romantic tradition represented by such earlier authors as Melville Harold Frederic Faulkner Flannery O Connor and Carson McCullers He explores the distinctly Manichean matter of much American romance linking it to America s Puritan past and to the almost schizophrenic dynamics of American culture in general Finally he reexamines the post modernist writers in light of Hawthorne s shadow and shows that however similar they may be in some ways they differ remarkably from the previous American romantic tradition **Shadows of a**
