Shadowrun Ragnarock:

Shadowrun Legends: Ragnarock Stephen Kenson, 2018-10-23 DIGGING FOR DANGER In the twenty first century magic brings out the best in people and the worst As Tommy Talon already knows As the head of a successful shadowrunning team it s the dark side of people that brings him business AND THE ONLY REWARD IS A SWIFT DEATH This time he s hired to hunt a murderous archaeologist and recover a magical relic But Talon s not hunting alone Someone else wants the artifact too someone very powerful And Talon and his team must outwit the world s most potent megacorporation on its own turf if they re to have any chance of returning the treasure or any chance of returning at all *Shadowrun 38* Stephen

Kenson, 2000 In the twenty first century magic brings out the best in people and the worst Tommy Talon should know As head of a successful shadow running team it s the dark side of people that brings him business This time he s hired to hunt a murderous archaeologist and recover a magical relic But Talon s not hunting alone Someone else wants the artifact too someone very powerful And Talon and his team must outwit the world s most potent megacorporation on its own turf if they re to have any chance of returning the treasure or any chance of returning at all *Shadowrun: Stolen Thoughts* Jason M.

Hardy, 2025-01-31 WHAT YOU SHOULDN T KNOW Look it s important to know that every time Henry did it he knew it was wrong What if there was someone whose thoughts you wanted to know more than anything else What if that person had put a gateway to their thoughts in their head And you could hack it Henry is a skilled hacker who s about to make a lot of bad life decisions But if those decisions reveal that his ex girlfriend is going to stumble into a trap in the den of a dragon shouldn t he do something about it Whatever the cost He s going to find out It ll take him on a wild ride involving secret Matrix nodes determined hit men and twisted scheming but he ll keep telling himself it s what he has to do **Shadowrun: Adversary**

Russell Zimmerman, 2020-01-13 A New Shadowrun Short Story Most Awakened folks in the Sixth World have Mentor Spirits to help them navigate the vast often confusing world of magic Many times the mage chooses a spirit that compliments them and can help them out in tough situations And then there s Jimmy Kincaid Kincaid s never been one for taking the easy road and to say his life is complicated is like saying water s wet And when a simple trace job leads to a nest of Humanis thugs that have captured a metahuman hostage well the voice of his Mentor Spirit isn t whispering peace and goodwill in the P I s ear Because Kincaid s Mentor Spirit is Adversary and Adversary just wants to see the world burn Will Jimmy resist his mentor s siren call of death and destruction or give in to those darker instincts and just level the entire place **Shadowrun:**

Unrepairable Jennifer Brozek, 2022-12-17 VEXING MEGACORPS FOR FUN AND PROFIT Landon and Liana Hoffman are on summer vacation and look forward to producing their Matrix repair show the Right2RepairRigger and hanging out at the local makerspace But when they get a chance at a lucrative salvage run they can t say no especially when they owe the fixer who s hiring them Beyond settling their account the job promises untold riches in salvageable possibly beyond state of the art gear at a secret abandoned military facility Aware of the dangers involved the run is still too good to pass up However the

place may not be as abandoned as it seems and the clock is ticking Also there are powerful enemies who don't like what the Right2RepairRigger is doing and are willing to destroy whoever they can to put a stop to it including arresting anyone possibly connected with the twins program Can Landon and Liana finish the run and save their family at the same time

Shadowrun: Shaken Russell Zimmerman, 2015-07-11 DOWN THESE DARK STREETS Most folks see Puyallup as the worst Seattle's got to offer a tangled mess of metahumanity and greet poverty and ghettos vice and corruption where the crime is more organized than the government They call it a Barrens an armpit a cesspool Jimmy Kincaid though calls it home Walking the line between shadows and the desperate light semi legit like only a Puyallup brat and former cop can be he insists Puyallup has a heart and a soul that it's a place of life magic and starving hope A former combat mage now as burnt out as his neighborhood he does what he can to police the worst excesses of the crime riddled city he loves In the darkness of the Seattle Sprawl what's one more murder To Kincaid it's everything He's got a dead mentor a hermetic group in need and a mysterious file that might have been worth killing for To unlock the data and get a little justice he'll face the worst the Sprawl has to offer wading through blood darkness and a murderous web of lies It's a good thing he's got friends in high and low places

Shadowrun: Imposter Malik Toms, 2021-11-12 MIRROR IMAGE Nero is a mage with a murky past working with a tight knit crew out of Amsterdam When a Johnson hires the team to extract her to see what they can do she surprises them even further with the real mission infiltrate a high level business meeting and make sure the pending asset sale goes to the Johnson herself And there's one more twist to this run Nero will have to pose as the man who put the entire deal together his twin brother Enzo who left him for dead when they were teenagers years ago Ghosts from Nero's past clash with danger in his present as he must now walk a tightrope between the shadowrunning world and the corporate world an entire universe he knows nothing about and one that works by its own intricate systems But when the run goes wrong Nero is suddenly placed in mortal peril and it's up to his team to get him out of a place where one wrong move can leave all of them very very dead

Shadowrun: Dragonbones Stephen Dedman, 2023-05-23 A DEADLY QUEST FOR RICHES A seemingly harmless photo seen by the wrong person sets off a dangerous treasure hunt for a fortune contained in the opalized fossil skeleton of a dragon in the Australian Outback On one side the corporate operators of a ruthless mining company who's greedy owner wants the potential billions of nuyen such a find would bring on the black market On the other side a loose alliance of shadowrunners Awakened magic users and local tribespeople for whom the site of the fossil nicknamed the Old Timer is sacred land and who will defend it by any means necessary But when the megacorp ups the stakes by releasing a debilitating nanovirus among the scattered communities around the site the shadowrunners do what they do best execute a daring run both in the Matrix and real time at the mining corp's headquarters in search of something anything to get the corp to stand down But will they succeed before the corp operators find the Old Timer and steal it away

Shadowrun: Neat Russell Zimmerman, 2018-11-17 THE MEANEST STREETS James Kincaid is the type of guy who might be described as down on his

luck if only he d had some luck to begin with Like so many people in the shadows of Seattle he s trying to get by with what he has In his case that includes a lively spirit a sadly diminished magical talent quick wits and good knowledge of the twists and turns of the city s dingy streets and back alleys He puts all that to the service of whatever clients he can dig up solving whatever cases they re willing to pay him to take on With any luck he ll scrape up enough nuyen to buy a round or two of his favorite drink whiskey neat His latest case seems simple enough find a girl who s gone missing But throw in a couple of feuding megacorporations a few organized crime families and a full selection of the odd denizens of Seattle s streets and you ve got a case that s anything but easy It s up to Kincaid to see how many people he can keep alive including and especially himself

Shadowrun: Auditions Jennifer Brozek,2024-02-15 FOUR SECRET AUDITIONS Fixer BlotterBabe must have exactly the right actors for a production that requires very specialized talent The actors must not only be skilled they need to have the right attitude and an ability to adapt to extraordinary circumstances A Kiss to Die For Kintsugi and Sartorial choose love over duty but their respective families will do everything in their considerable power to stop them from being together See How She Runs Terrapin witnesses a murder and is handed a package destined for some important and lethal people Now she is running for her life Unrepairable Landon and Liana love vexing megacorps for fun and profit with their Matrix show Unfortunately the megacorps always play dirty and will do whatever s required to shut them down for good The Kilimanjaro Run Charlotte Neema and Elijah embark on an unexpected adventure that turns into a nightmare when they discover nothing is what it seems They are left with no choice at all when choosing between the abhorrent and the right thing to do FOR THE MOST DANGEROUS RUN OF ALL Having auditioned thousands BlotterBabe is out of time It s come down to these few teenagers Either they will save the day or lose it all Cons lies double crosses flat out thievery all the fun stuff Auditions reads like that great first act of a heist movie Everyone s showing off their particular set of skills while Brozek teases us with threads of what s to come NYT bestseller Peter Clines author of The Broken Room Brozek spins a clever introduction into the world of Shadowrun in Auditions It s perfect for newcomers but also showcases shadows that have never been explored yet feel perfectly familiar Crystal Frasier author of Pathfinder Spiral of Bones

Shadowrun: Stirred Russell Zimmerman,2020-08-18 NO PLACE FOR A HERO Jimmy Kincaid burned out mage P I and the closest thing Puyallup s got to a hero has a lot on his plate these days Simmering gang wars feuding mobsters missing runaways magical power only as reliable as his stubborn sorcerous patron and well above his usual pay grade an encrypted data file that s already cost him friends but that he can t even access When the always dangerous troubles of the Seattle sprawl deepen into a bloody conspiracy with ties to neighboring nations and inhuman powers he knows he s on the job of his life Facing the longest of long odds Kincaid s all too aware that the house always wins Luckily he s not alone A man like Jimmy can t walk these shadowed streets without making enemies but he s made allies too With the help of his bounty hunting best friends an up and coming shadowrunner team a former Lone Star detective who s short in stature but big in style and his loyal albeit flighty ally

spirit Jimmy's stacked the deck in his favor Maybe he's got a shot after all Maybe he can make it all work Maybe he can find the right balance share the right truths and make something good out of a whole lot of bad Of course the problem with a house of cards is it just takes one good hit to bring it all tumbling down *Shadowrun: Basecrackers* Aaron

Rosenberg,2025-01-03 GET IN GET LOOT GET OUT Dax Tej and Sam are one of the best small retrieval teams in the shadows When they get an offer of a job retrieving a prisoner from an abandoned military base the money offered by the megacorp is too good to pass up despite the potential risks of infiltrating a former military base Soon they're off to the island of Borinquen in the Caribbean Ocean But when their intel proves faulty they realize that the base wasn't a former prison but a research facility And when they reach the site itself they find that the base isn't as abandoned as they were led to believe and what's living inside might change the Sixth World forever Now it's a race against time and the denizens of the base to get out in one piece before the base claims these shadowrunners for itself *Shadowrun: Wasted* Marie

Bilodeau,2025-07-18 HIDING OUT ON THE OTHER SIDE OF THE WORLD Well as much as a punk band that still needs to play gigs to survive can hide out The members of Top Drek have landed in Tunisia Africa after fleeing UCAS due to some local entanglements in Quebec City the band is now living in Tunis the capital city and playing local concerts thanks to their new manager But the shadows also reach around the globe only this time they're coming for Lance the hard drinking blue bearded technomancer keyboardist Like the other band members Lance is running from his own demons but they seem to have tracked him to the desert city and will do anything to put him in the ground for good It's going to take every bit of skill and courage to defeat this relentless enemy and before they're through the band will have to make a deal with yet another devil from their past to make it through this desert tour alive **Shadowrun: Chaser** Russell Zimmerman,2020-05-13

STREETS ON FIRE A vicious magical assault on a street gang isn't a case paranormal P I Jimmy Kincaid would normally pick up But when a fellow private eye asks him to look into it and he learns the gang was doing a charity run for a church a church Jimmy knows quite well when they were attacked his professional curiosity is raised But his investigation quickly leads to a tangled maze of clues and dead ends Someone or something is prowling the streets of Puyallup looking to incinerate whoever crosses their path And Jimmy's got to find them and stop them before the entire neighborhood goes up in flames But whoever's looking to light innocent victims on fire made one mistake they're doing it in Kincaid's backyard And Jimmy's never taken kindly to trespassers *Shadowrun: Clean Record* Dylan Birtolo,2022-03-01

CAUGHT IN A TANGLED WEB Maria Price is good at her job Very good As a corporate operative she carries out sensitive missions for Ares Macrotechnology one of the premier megacorporations in the Sixth World But megacorps are infamous for demanding absolute loyalty from their employees and equally infamous for not reciprocating And when Maria encounters an assassin in her own home she must question everything she holds dear Her quest for answers leads her to the glittering city of Neo Tokyo and a mission for Ares also holds the bonus of being against the corp she thinks tried to kill her But when she

encounters a competing ops team onsite Maria quickly realizes the scope of this mission is bigger much bigger than she expected And when she finally tracks down her target the information he shares goes far beyond anything Maria ever expected and draws her further into corporate machination than she ever planned to go assuming she can survive

Shadowrun: Kill Penalty Clifton Lambert,2021-08-03 THE RULES ARE SIMPLE Redlock is a rising star in the brutal sport of Urban Combat where teams of armed combatants try to score points against their opponents while shooting it out amid Seattle s decaying urban landscape Managed by his mother a legendary Urban Brawl player until her forced retirement and fitted with top line cyberware that makes him better than human Redlock is on the fast track to super stardom until it all comes crashing down around him WIN OR DIE After sabotage takes him out of the major leagues Redlock finds himself on the streets for real alone for the first time ever But the lure of Urban Brawl is too seductive to ignore and when his mother lines up another opportunity for him all her son has to do is go against every instinct he has Will he sacrifice his one shot back to the majors for the scrappy team that adopted him when he had nowhere else to go or will Redlock pull the ultimate ambush play on his own teammates

Shadowrun: Corporate Business Dylan Birtolo,2023-03-01 A CORP S SHADOWS ARE EVEN LONGER A cleaner for the megacorporation Ares Macrotechnology Maria Payne is a model employee efficient attentive to detail and very deadly She navigates every danger that comes at her whether it s on a mission in the field or walking the political tightropes in her own corp But when Internal Affairs takes an interest in her Maria begins to suspect something is going on Her suspicions are confirmed when what should be a simple convoy heist nearly goes lethally awry And when Maria s investigations find an innocent man marked for death she suddenly has to decide between the corp that has given her everything and the fate of one man and if she makes the wrong choice she could be targeted for termination by her own employers

Shadowrun: Crocodile Tears Chris A. Jackson,2020-07-17 FUN AND FEAR IN THE SUN Everything s irie in the Caribbean What could be better than a week of sun fun and parties at the bi annual Caribbean League political conference in Havana with every shadowrunner pirate and low life in attendance looking for work What could possibly go wrong And when the Rastafarian troll shaman T ing and his crew are approached by an official from Haiti to investigate rumors involving their old enemies the dark voodoo Kofo cult it looks like an opportunity for payback and profit combined Digging deeper however T ing and his runners discover a genocidal plot that threatens the entire region possibly even resulting in an all out shooting war between several major Sixth World players There s nothing to do but round up all their badass runner contacts light up a spliff and kick some ass But this run will take them under the sea to a top secret covert lab where Kofo cultists are hiding a weapon that could change the face of the entire Caribbean and only T ing and his hard partying and even harder charging crew stand in their way

Shadowrun: Mercy Street Bryan Young,2022-12-30 HELP FOR ALL RUNNERS CHUMMERS AND DREGS Nestled in one of the worst parts of Seattle is a place where anyone can go to get patched up no questions asked They call it Mercy Street and it s a practically free clinic run by a drunk old troll named

Shimura who's seen a lot in his years When a decker named Lockdown Paradox shows up bleeding on his doorstep it's just an average Tuesday but when corporate stooges looking for her show up and try to shake Shimura down for information he wonders just what this kid hacker's gotten herself into But he's not the only one wondering Paradox thinks there's more to the ol' whiskey doc than meets the eye wondering if he might be a legendary shadowrunner that might be able to help her When she turns up missing Shimura is forced to go far deeper into the sleaze and sprawl than he ever wanted to and return to a part of his past he'd sworn to leave behind if he wants to get both of them out alive Shadowrun: Old School Olivier Gagnon, Patrick Goodman, 2022-10-27

BLASTS FROM THE PAST The Sixth World has always been a grim violent place where your life can be measured in heartbeats from one minute to the next And whether you're an experienced shadowrunner or someone who's entered the shadows looking for safety or to hide or perhaps start a new life altogether well they can be dark deep and dangerous no matter how well prepared you think you are These five stories kick off with a pair of tales about Yuri and Soren two fate-crossed lovers who meet in the drab crumbling city of Vladivostok and flee their homeland for the Seattle sprawl only to find life is nasty and brutish no matter where they go That's followed by Mr Johnson's worst nightmare being hung out to die by the very corp he was working for Now the guy who sent runners into the shadows must become one himself if he wants to get out of Atlanta alive Finally join professor and paranormal investigator Thomas McAllister as he investigates a string of supernatural serial killings and uncovers a dark conspiracy that stretches from Denver to Dallas and threatens to engulf the rest of the UCAS if he doesn't find a way to stop it Five stories each one a cautionary tale about the worst the Sixth World has to offer So join both battle-scarred veterans and new recruits as they deal with the deadliest of shadows

Shadowrun Ragnarock Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Shadowrun Ragnarock**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
