Skein of Shadows Marsheila Rockwell,2012-07-03 Praise for The Shard Axe by Marsheila Rockwell The action is quick brutal and author Marsheila Rockwell does a wonderful job painting believable characters in mythical situations that are just magical enough to still be grounded in some sort of realism The Shard Axe is a must for any fan of Dungeons and Dragons novels fantasy novels or the MMO MMOfallout.com Sabira is a great fantasy noir action heroine and her adventure had a lot of fun surprises and colorful characters I m happy to recommend it to others especially fans of Eberron and DDO It was a fun read and I look forward to further tales of the Shard Axe Sigfried Trent DDOcast I enjoyed The Shard Axe very much It was great to see references to various DDO U NPCs and situations In particular I really liked a scene where the protagonist had to deal with acid spewing traps in Stormreach s sewers It felt like home Cordovan myddo.com Sabira d Deneith is a fantastic character She s flawed and likable The beginning of the novel really throws you into things It s exciting action packed and allows you to really get a grasp on what is going on Read Between the Lines This is a book to be devoured in one sitting It is fast paced with bits of backstory dropped in at choice moments that flesh out Sabira s story perfectly While I am not as familiar with Eberron as I am the Forgotten Realms this book required no previous knowledge of the Eberron setting and can be enjoyed as a standalone novel The key element of the story is Sabira to say that her methods are unorthodox and she is a bit of a rule breaker is an understatement but she has a fierce sense of duty that guides her actions So her prisoners are brought in a little worse for wear It is part of her charm Stefan s Bookshelf Overview Created in conjunction with the latest update for the Dungeons Dragons online game this exciting adventure continues the story of Sabira from The Shard Axe featuring an underground expedition in dark caverns drow intrigue powerful artifacts and unrequited love Read More If you
