Jonah in the Shadows of Eden Yitzhak Berger, 2016-07-04 Yitzhak Berger advances a distinctive and markedly original interpretation of the biblical book of Jonah that resolves many of the ambiguities in the text Berger contends that the Jonah text pulls from many inner biblical connections especially ones relating to the Garden of Eden These connections provide a foundation for Berger's reading of the story which attributes multiple layers of meaning to this carefully crafted biblical book Focusing on Jonah's futile quest and his profoundly troubled response to God's view of the sins of humanity Berger shows how the book paints Jonah as a pacifist no less than as a moralist Reality+: Virtual Worlds and the Problems of Philosophy David J. Chalmers, 2022-01-25 One of the Washington Post's Best Nonfiction Books of 2022 A leading philosopher takes a mind bending journey through virtual worlds illuminating the nature of reality and our place within it Virtual reality is genuine reality that s the central thesis of Reality In a highly original work of technophilosophy David J Chalmers gives a compelling analysis of our technological future He argues that virtual worlds are not second class worlds and that we can live a meaningful life in virtual reality We may even be in a virtual world already Along the way Chalmers conducts a grand tour of big ideas in philosophy and science He uses virtual reality technology to offer a new perspective on long established philosophical questions How do we know that there s an external world Is there a god What is the nature of reality What s the relation between mind and body How can we lead a good life All of these questions are illuminated or transformed by Chalmers mind bending analysis Studded with illustrations that bring philosophical issues to life Reality is a major statement that will shape discussion of philosophy science and technology for years to come **Her Priceless Love** Geraldine

Hall, 1993 Passionate Intellect Michael Kirkham, 1999-04-01 This critical study looks at the first four decades of Charles Tomlinson's poetic career and is the only published full scale exclusive treatment of his poetry Tomlinson is a major British poet whose work has received more

recognition in North America and continental Europe than it has in his own country where still in some quarters its character

is misunderstood and therefore misjudged The purpose of Kirkham's study is to increase understanding and appreciation of the exceptional achievement of Tomlinson's poetry emphasising both the startling originality of his vision a unified vision of a natural human world and the subtlety of his poetic art The study is a reading of the poems which aims to show what they yield to close scrutiny and to remove misconceptions Known for its analytical rendering of sense impressions and its avoidance of the personal pronoun the objectivism of Tomlinson's poetry is not an exercise in asceticism but a means of enlarging the circumference of the perceiving self an expansion of self which is not at the same time an inflation of the self regarding ego Its theme is not objects as such but relations the relation of the perceiving self to the other of the human to the non human world Its reputation for cool detachment is based on a misreading it is a poetry of energy and excitement which combines self restraint with passionate conviction
