This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Homilies on the Epistles to the Corinthians have ever been considered by learned and devout men as among the most perfect specimens of his mind and teaching They are of that mixed form between exposition and exhortation which serves perhaps better than any other first to secure attention and then to convey to an attentive hearer the full purport of the holy words as they stand in the Bible and to communicate to him the very impression which the preacher himself had received from the text The date of these Homilies is not exactly known but it is certain that they were delivered at Antioch were it only from Hom xxi 9 ad fin Antioch was at that time in a temporal sense a flourishing Church maintaining 3 000 widows and virgins maimed persons prisoners and ministers of the altar although St Chrysostom adds its income was but that of one of the lowest class of wealthy individuals      *The Homilies of S.
