Shadows On Mirror:

Short History of the Shadow Victor I. Stoichita, 1997-08 Looks at the depiction and meaning of shadows in the history of Western art The Visual World of Shadows Roberto Casati, Patrick Cavanagh, 2023-12-26 How the perception of shadows studied by vision scientists and visual artists reveals the inner workings of the visual system In *The Visual World of Shadows* Roberto Casati and Patrick Cavanagh examine how the perception of shadows as studied by vision scientists and visual artists reveals the inner workings of the visual system Shadows are at once a massive problem for vision which must distinguish them from objects or material features of objects and a resource signaling the presence location shape and size of objects Casati and Cavanagh draw up an inventory of information retrievable from shadows showing their amazing variety They present an overview of the visual system distinguishing between measurement and inference They discuss the shadow mission the work done by the visual brain to parse and perhaps discard the information from shadows shadow ownership the association of a shadow with the object that casts it shadow labeling the visual system's ability to tell shadows from nonshadows and the shadow concept our knowledge about shadows as a category Casati and Cavanagh then apply the theoretical apparatus they have developed for shadows to other phenomena illumination reflection and transparency Finally they examine the art of the shadow paying tribute to artists exploration of shadow analyzing a series of artworks reproduced in color from a rich and fascinating art historical corpus Shadow Mirror Rebecca Jose, 2024-02-05 Sophia Boralis could not cope with the death of her mother Dark and dangerous depression consumes her and shadows come alive inside her mirrors After an attempted suicide Sophia meets Harper an angel of a man who is also her psychiatrist in the mental health hospital where Sophia is sent Sophia meets Jeremy in the hospital a boyishly handsome man who is just as broken as she is However he is suspicious of Harper and his intentions toward Sophia When Harper offers to teach Sophia and Jeremy about shadow work to help cope with their trauma they are taken to Harper's private mental institution where Harper reveals his suspicions about Jeremy to Sophia Sophia does not know who to trust and she wonders if she will ever get out of Harper's world with her mind intact Especially when she starts her shadow work lessons and realizes that her inner demons are more challenging to tame than most And they want out Descent from Tulku KWABENA NTIM, 2014-07-03 The book is set in an imaginary empire called Tulku Here a young girl discovered a large black bear and grew up with it in Tulku There was a veteran who wrote a letter to the king The veteran wanted to exile the hunter from Tulku to Turku In order for the king to save the hunter from returning the bear must be sacrificed by the priest to the king to give glory to the gods The bear belongs to a king and the princess of Tulku the young girl The bear could not be killed because the princess was from a royal family You just can't kill the bear because it is a pride and honor to the princess a king and Tulku Grasping Shadows William Sharpe, 2017 *Grasping Shadows* offers the most thorough examination of the cultural uses of shadows Exploring a myriad of major literary and artistic evocations of shadows *Grasping Shadows* puts forth a unifying theory for how shadows function
