anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination Gould captures the pulse of a time that made the Beatles possible and even necessary As seen through the prism of the Beatles and their music an entire generation's experience comes astonishingly to life Beautifully written consistently insightful and utterly original Can't Buy Me Love is a landmark work about the Beatles Britain and America **Shake, Rattle & Roll: 1952-1955** Lee Cotten, 1989
