Shakespeare And Feminist Performance Ideology On Stage

Wes Folkerth

Shakespeare And Feminist Performance Ideology On Stage:

Shakespeare and Feminist Performance Sarah Werner, 2001 In this controversial new book Sarah Werner argues that the text of a Shakespeare play is only one of the many factors that give a performance its meaning **Adapting King Lear for the Stage** Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate's History of King Lear 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of King Lear and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation Focusing on works such as Gordon Bottomley's King Lear's Wife 1913 Edward Bond's Lear 1971 Howard Barker's Seven Lears 1989 and the Women's Theatre Group's Lear's Daughters 1987 Bradley theorizes that modern rewritings of Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and rejection She suggests that this new interaction provides constituent groups such as the feminist collective who wrote Lear's Daughters a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative representations of femininity they see reflected in his plays *A Companion to Shakespeare and Performance* Barbara Hodgdon, W. B. Worthen, 2008-04-15 A Companion to Shakespeare and Performance provides a state of the art engagement with the rapidly developing field of Shakespeare performance studies Redraws the boundaries of Shakespeare performance studies Considers performance in a range of media including in print in the classroom in the theatre in film on television and video in multimedia and digital forms Introduces important terms and contemporary areas of enquiry in Shakespeare and performance Raises questions about the dynamic interplay between Shakespearean writing and the practices of contemporary performance and performance studies Written by an international group of major scholars teachers and professional theatre makers **The Arden Research Handbook of Shakespeare and Contemporary Performance** Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from

consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography The Arden Research Handbook of Shakespeare and Contemporary Performance is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance

Shakespeare in the Present Terence Hawkes, 2003-09-02 Shakespeare in the Present is a stunning collection of essays by Terence Hawkes which engage with explain and explore presentism Presentism is a critical manoeuvre which uses relevant aspects of the contemporary as a crucial trigger for its investigations It deliberately begins with the material present and lets that set the interrogative agenda This book suggests ways in which its principles may be applied to aspects of Shakespeare's plays Hawkes concentrates on two main areas in which Presentism impacts on the study of Shakespeare The first is the concept of devolution in British politics The second is presentism's commitment to a reversal of conceptual hierarchies such as primary secondary and past present and the interaction between performance and reference The result is to sophisticate and expand our notion of performing and to refocus interest on what the early modern theatre meant by the activity it termed playing

Shame in Shakespeare Ewan Fernie, 2012-09-10 One of the most intense and painful of our human passions shame is typically seen in contemporary culture as a disability or a disease to be cured Shakespeare's ultimately positive portrayal of the emotion challenges this view Drawing on philosophers and theorists of shame Shame in Shakespeare analyses the shame and humiliation suffered by the tragic hero providing not only a new approach to Shakespeare but a committed and provocative argument for reclaiming shame The volume provides an account of previous traditions of shame and of the Renaissance context a thematic map of the rich manifestations of both masculine and feminine shame in Shakespeare detailed readings of Hamlet Othello and King Lear an analysis of the limitations of Roman shame in Antony and Cleopatra and Coriolanus a polemical discussion of the fortunes of shame in modern literature after Shakespeare The book presents a Shakespearean vision of shame as the way to the world outside the self It establishes the continued vitality and relevance of Shakespeare and offers a fresh and exciting way of seeing his tragedies

The Sound of Shakespeare Wes Folkerth, 2014-06-03 The Sound of Shakespeare reveals the surprising extent to which Shakespeare's art is informed by the various attitudes beliefs practices and discourses that pertained to sound and hearing in his culture In this engaging study Wes Folkerth develops listening as a critical practice attending to the ways in which Shakespeare's plays

express their author's awareness of early modern associations between sound and particular forms of ethical and aesthetic experience Through readings of the acoustic representation of deep subjectivity in Richard III of the public ear in Antony and Cleopatra the receptive ear in Coriolanus the grotesque ear in A Midsummer Night's Dream the greedy ear in Othello and the willing ear in Measure for Measure Folkerth demonstrates that by listening to Shakespeare himself listening we derive a fuller understanding of why his works continue to resonate so strongly with us today *Shakespeare in Psychoanalysis* Philip Armstrong, 2005-06-29 The link between psychoanalysis as a mode of interpretation and Shakespeare's works is well known But rather than merely putting Shakespeare on the couch Philip Armstrong focuses on the complex and fascinatingly fruitful mutual relationship between Shakespeare's texts and psychoanalytic theory He shows how the theories of Freud Rank Jones Lacan Erikson and others are themselves in a large part the product of reading Shakespeare Armstrong provides an introductory cultural history of the relationship between psychoanalytic concepts and Shakespearean texts This is played out in a variety of expected and unexpected contexts including the early modern stage Hamlet and The Tempest Freud's analytic session the Parisian intellectual scene Hollywood the virtual space of the PC *Green Shakespeare* Gabriel Egan, 2006-09-27 Ecocriticism a theoretical movement examining cultural constructions of Nature in their social and political contexts is making an increasingly important contribution to our understanding of Shakespeare's plays Gabriel Egan's *Green Shakespeare* presents an overview of the concept of ecocriticism detailed ecocritical readings of Henry V Macbeth As You Like It Antony and Cleopatra food and biological nature the supernatural and the weather a bold argument for a contemporary EcoShakespeare taking into account the environmental and political implications of globalization and intellectual property laws Crossing the boundaries of literary and cultural studies to draw in politics philosophy and ecology this volume not only introduces one of the most lively areas of contemporary Shakespeare studies but also puts forward a convincing case for Shakespeare's continuing relevance to contemporary theory **Re-Visioning Lear's Daughters** L. Kordecki, K. Koskinen, 2010-08-16 King Lear is believed by many feminists to be irretrievably sexist Through detailed line readings supported by a wealth of critical commentary *Re-Visioning Lear's Daughters* reconceives Goneril Regan and Cordelia as full characters not stereotypes of good and evil These new feminist interpretations are tested with specific renderings placing the reader in precise theatrical moments Through multiple representations this unique approach demonstrates the elasticity of Shakespeare's text *The Oxford Handbook of Shakespeare and Performance* James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespearians together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences' understanding of how Shakespeare speaks to them so performance criticism is continually shifting

the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today

The Taming of the Shrew: The State of Play Jennifer Flaherty, Heather C. Easterling, 2021-03-25 The Taming of the Shrew has puzzled, entertained and angered audiences and it has been reinvented many times throughout its controversial history Offering a focused overview of key emerging ideas and discourses surrounding Shakespeare's problematic comedy, the volume reveals and debates how contemporary readings and adaptations of the play have sought to reconsider and resolve the play's contentious portrayal of gender, power and identity Each chapter has been carefully selected for its originality and relevance to the needs of students, teachers and researchers Key themes and issues include Gender and Power, History and Early Modern Contexts, Performance and Politics, Adaptation and Afterlife All the essays offer new perspectives and combine to give readers an up to date understanding of what's exciting and challenging about The Taming of the Shrew

Hamlet's Heirs Linda Charnes, 2006-09-27 Speaking to readers in a voice that is adventurous rather than authoritative, innovative rather than institutional and speculative rather than orthodox Linda Charnes' provocative study of Shakespeare's legacy in contemporary American and British politics explores the following themes: namesake princes and presidents, stolen thrones and elections, plutocrats and insurgents, campaign trails and war mongering, waning monarchy and imperilled democracy, revengers, early modern and postmodern. Linked by focused readings of Hamlet and the Henriad, the essays follow Shakespeare's two most famous royal sons, the Princes Hamlet and Hal, as they haunt contemporary political psychology in the early years of a new millennium and especially in the aftermath of September 11, 2001. Between devolution in Britain and the new doctrine of pre-emptive strike in the United States, our contemporary Hamlets and Hals epitomize a debate as fraught now as in Shakespeare's day about the cost of spin-doctoring legacies. In exploring how current political culture inherits Shakespeare's Hamlet, *Hamlet's Heirs* challenges scholarly assumptions about historical periodicity, modernity and the uses of Shakespeare in present-day contexts.

Presentist Shakespeares Hugh Grady, Terence Hawkes, 2006-11-30 Featuring an outstanding list of contributors, this collection of readings adopts a new approach to Shakespeare by focusing on the principles of presentism, a critical movement that takes account of the continual dialogue between past and present

Reconceiving the Renaissance Ewan Fernie, Ramona Wray, Mark Thornton Burnett, Clare McManus, 2005-03-31 The last two decades have transformed the field of Renaissance studies and *Reconceiving the Renaissance: A Critical Reader* maps this difficult terrain. Attending to the breadth

of fresh approaches the volume offers a theoretical overview of current thinking about the period Collecting in one volume the classic and cutting edge statements which define early modern scholarship as it is now practised this book is a one stop indispensable resource for undergraduates and beginning postgraduates alike Through a rich array of arguments by the world's leading experts the Renaissance emerges wonderfully invigorated while the suggestive shorter extracts topical questions and engaged editorial introductions give students the wherewithal and encouragement to do some reconceiving themselves *Shakespeare Survey: Volume 60, Theatres for Shakespeare* Peter Holland, 2007-11-22 Shakespeare Survey is a yearbook of Shakespeare studies and production The theme for Shakespeare Survey 60 is Theatres for Shakespeare

Spiritual Shakespeares Ewan Fernie, 2005-11-16 Spiritual Shakespeares is the first book to explore the scope for reading Shakespeare spiritually in the light of contemporary theory and current world events Ewan Fernie has brought together an exciting cast of critics in order to respond to the religious turn in recent literary theory and to the spiritualized politics of terrorism and the War on Terror Exploring a genuinely new perspective within Shakespeare Studies the volume suggests that experiencing the spiritual intensities of the plays could lead us back to dramatic intensity as such It tests spirituality from a political perspective as well as subjecting politics to an unusual spiritual critique Amongst its controversial and provocative arguments is the idea that a consideration of spirituality might point the way forward for materialist criticism Reaching across and beyond literary studies to offer challenging and powerful contributions from leading scholars this book offers unique readings of some very familiar plays Early Modern Prose Fiction Naomi Conn Liebler, 2006-12-05

Emphasizing the significance of early modern prose fiction as a hybrid genre that absorbed cultural ideological and historical strands of the age this fascinating study brings together an outstanding cast of critics including Sheila T Cavanaugh Stephen Guy Bray Mary Ellen Lamb Joan Pong Linton Steve Mentz Constance C Relihan Goran V Stanivukovic with an afterword from Arthur Kinney Each of the essays in this collection considers the reciprocal relation of early modern prose fiction to class distinctions examining factors such as the impact of prose fiction on the social political and economic fabric of early modern England the way in which a growing emphasis on literacy allowed for increased class mobility and newly flexible notions of class how the popularity of reading and the subsequent demand for books led to the production and marketing of books as an industry complications for critics of prose fiction as it began to be considered an inferior and trivial art form Early modern prose fiction had a huge impact on the social and economic fabric of the time creating a new culture of reading and writing for pleasure which became accessible to those previously excluded from such activities resulting in a significant challenge to existing class structures **Words of Power** Jem Bloomfield, 2016-05-26 Shakespeare and the Bible are titans of English speaking culture their images are endlessly cited and recycled and their language permeates everything from our public ceremonies to our private jokes In Words of Power Jem Bloomfield explores the cultural reverberations of these two collections of books and how each era finds new meanings as they encounter works such as Hamlet or the Gospel of Mark

Beginning with a shrewd examination of how we have codified and standardised their canons deciding which books and which words are included in the official collections and which are excluded Bloomfield charts the ways in which every generation grapples with these enigmatic and complex texts He explores the way they are read and performed in public the institutions that use their names to legitimise their own activities and how the texts are quoted by politicians lords and rappers Words of Power throws modern ideas about Shakespeare and the Bible into sharp relief by contrasting them with those of our ancestors showing how our engagements with these texts reveal as much about ourselves as their actual meanings

Writing Performative Shakespeares Rob Conkie, 2016-02-24 This original and innovative study offers the reader an inventive analysis of Shakespeare in performance

Shakespeare And Feminist Performance Ideology On Stage Introduction

In today's digital age, the availability of Shakespeare And Feminist Performance Ideology On Stage books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare And Feminist Performance Ideology On Stage books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare And Feminist Performance Ideology On Stage books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare And Feminist Performance Ideology On Stage versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare And Feminist Performance Ideology On Stage books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare And Feminist Performance Ideology On Stage books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare And Feminist Performance Ideology On Stage books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare And Feminist Performance Ideology On Stage books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare And Feminist Performance Ideology On Stage books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare And Feminist Performance Ideology On Stage Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare And Feminist Performance Ideology On Stage is one of the best book in our library for free trial. We provide copy of Shakespeare And Feminist Performance Ideology On Stage in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare And Feminist Performance Ideology On Stage. Where to download Shakespeare And Feminist Performance Ideology On Stage online for free? Are you looking for Shakespeare And Feminist Performance Ideology On Stage PDF? This is definitely going to save you time and cash in something you should think about.
