illustrious father in law Finally is the fact that is most puzzling to me the seven year period of silence that followed Shakespeare s Shakspere s death in 1616 Until the First Folio was published in 1623 there seems to have been no public comment in any part of England on the passing of the greatest literary genius in the country s history It does seem odd that not even a cocker spaniel or a dachshund made any noise at all when he passed from the scene **ABA Journal** ,1964-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **ABA Journal** ,1963-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Shakespeare's Third Keyboard** Lorna Flint,2000 This book springs from an unaccountable gap among the rows of Shakespeare Studies on bookshop and library shelves Playgoers and readers with insatiable appetites for every kind of commentary on Shakespeare s work who discover some volumes devoted to his style may find a musical metaphor illuminating that Shakespeare had three keyboards at his disposal The first blank verse and the second prose have attracted some critical attention but the third his rime as his contemporary printers spelled it has been neglected This study aims to fill that gap BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **"Is William Shakespeare's Will Holographic?"** John Pym Yeatman,1901 **Avalanche of Falsity** Paul Hemenway Altrocchi, MD,2014-08-21 The greatest cultural mystery in the Western World is Who wrote the superb plays and sonnets published under the pen name of William Shakespeare Conventional wisdom so often proved wrong as cultures evolve currently favors William Shakspere of Stratford on Avon a butcher s apprentice grain speculator and real estate investor who never went to school never owned a book never traveled abroad knew no foreign languages and never wrote anything except his crudely scrawled signature Because of the raptorian grip of guild mythology and the threat of professional punishment professors of English cling tenaciously to their Stratford Man refusing to believe any data in favor of Edward de Vere 17th Earl of Oxford **Avalanche of Falsity** documents impressive discoveries in favor of de Vere and describes the questionable methods professors use as they try desperately to counteract massive accumulating evidence against their illiterate candidate **The Shakespearean** ,1895
