

Shakespeare: The Merchant of Venice

J. Wilders

Shakespeare The Merchant Of Venice A Casebook

Tika Ram Sharma

Shakespeare The Merchant Of Venice A Casebook:

Shakespeare John Wilders, 1970 This edition of *The Merchant of Venice* based on a fresh examination of the early editions includes an exceptionally lucid and accessible introduction which addresses Shakespeare's attitude toward Semitism and establishes the cultural historical and literary context in which Shakespeare wrote the play An interesting range of production photographs and drawings of Renaissance merchants and Jews and a survey of the play's stage history ranging from discussions of its early staging to important twentieth century productions and performances outside England particularly Israel makes this an ideal edition for students actors and the general reader **Shakespeare** John Wilders, 1966

Shakespeare's Pluralistic Concepts of Character Imtiaz H. Habib, 1993 The presentation of a complex character such as Shylock bears resemblance to the technique of anamorphic portraiture and trick perspective in the sense that seen one way he appears a villain but seen another way he appears a persecuted victim The clashing and merging of opposed frames of ideological reference that cannot be held apart or resolved and that remain in a kind of uneasy balance may be a technique of comic characterization that exploits relativism and ambiguity in the presentation of human personality and self on stage A similar technique can be seen at work in the Histories in the characters of Richard and Bolingbroke who as has long been noted compete contrarily for the audience's ideological sympathies over the course of the play Shakespeare: The Merchant of Venice. A Casebook, Edited by John Wilders John Wilders, 1969 Understanding The Merchant of Venice Jay leon Halio, 2000-09-30 *The Merchant of Venice* even in its own time was considered Shakespeare's most controversial play Now one of the most popularly read and performed works the play raises even more important issues for our day particularly anti Semitism and the treatment of Jews Shakespeare scholar Jay Halio brings together his fascinating literary insights and his considerable knowledge of Shakespeare's world to this student casebook His analysis of the play helps students interpret Shakespeare's plot and interwoven subplots the sources that helped shape the play and the characters and the thematic issues relating to justice mercy and the myriad bonds of human relationships These themes serve as starting points for a broader understanding of the issues discussed and documented Elizabethan marriage and women's matrimonial rights Renaissance concepts of male friendship legal moral and religious views of usury and the treatment of Jews in Venice and beyond The concerns raised by the play are put into context with historical materials including Sir Francis Bacon's essay *Of Friendship* excerpts from Henry Smith's 1591 *A Preparative to Marriage* extracts from Phillip Stubbes 1583 *Anatomy of Abuses and Travel Accounts* by Fynes Moryson that describe Venice and how Jews lived there in the early 1600s This casebook also considers contemporary applications with essays and editorials on current hate groups in the United States the treatment of women and male bonding This section culminating with a poignant interview in which actor Hal Halbrook discusses his stage portrayal of Shylock will leave readers with an appreciation for how profoundly relevant *The Merchant of Venice* remains for our time This casebook introduces students to the many issues in the play with a Literary and Dramatic

Analysis chapter Six topic chapters examine the play in its historical context combining expert discussion and primary documents making this ideal for interdisciplinary study Each topic section contains ideas for classroom discussions research papers and further suggested readings to help students get the most out of their study of *The Merchant of Venice*

The Merchant of Venice by Shakespeare John Wilders, 1969 **The Merchant of Venice** William Shakespeare, 2000 The Arden Shakespeare has long been acclaimed as the established scholarly edition of Shakespeare's work Now being totally reedited for the third time Arden editions offer the very best in contemporary scholarship Each volume provides a clear and authoritative text edited to the highest standards detailed textual notes and commentary on the same page of the text full contextual illustrated introduction including an in depth survey of critical and performance approaches to the play and selected bibliography

The Merchant of Venice William Baker, Brian Vickers, 2025-05-15 This volume documents the full tradition of criticism of *The Merchant of Venice* ranging from 1775 to 1939 *The Merchant of Venice* has always been regarded as one of Shakespeare's most interesting plays though it poses many challenges due to what is seen as its inherent anti-Semitism Before the 19th century critical reaction is relatively fragmentary but between then and the late 20th century the critical tradition reveals the power of the play to evoke emotion in the theatre Since the middle of the 20th century reactions to the drama have been influenced by the Nazi destruction of European Jewry An extensive introduction charts the reactions to the play up to the beginning of the 21st century and reflects changing reactions to prejudice in this period Material by a variety of critics appears here for the first time since initial publication including from Malone Hazlitt Jameson Heine Knight Lewes Halliwell Phillips Furnivall Irving Ruskin Swinburne Masfield Gollancz and Quiller Couch This revised edition features a new supplementary introduction by Gary Watt surveying and analyzing trends in criticism since the volume was first published in 2005 including a focus on Jewishness and anti-Semitism and the character of Shylock mercantile financial risk insurance usury and credit trial law rhetoric equity and justice gender queer themes cross dressing and the Antonio Bassanio relationship race and colonialism

The Merchant of Venice: A Critical Reader Sarah Hatchuel, Nathalie Vienne-Guerrin, 2020-10-15 Arden Early Modern Drama Guides offer students and academics practical and accessible introductions to the critical and performance contexts of key Elizabethan and Jacobean plays Essays from leading international scholars give invaluable insight into the text by presenting a range of critical perspectives making the books ideal companions for study and research Key features include Essays on the play's critical and performance history A keynote essay on current research and thinking about the play A selection of new essays by leading scholars A survey of resources to direct students further reading about the play in print and online Shakespeare's *The Merchant of Venice* has often been labelled a problem play and throughout the ages it has been an object of both fascination and repulsion Without neglecting the socio-political and religious issues that are at the heart of the play this collection of critical essays invites readers to rediscover the variety of approaches that this multifaceted work calls for exploring its gender aspects its rich mythological

background its legal matters and the ways in which it has been adapted to the screen Essays consider the play in relation to its sources genre and religion historical and socio political context and its critical reception and performance history

The Merchant of Venice John W. Mahon, Ellen Macleod Mahon, 2013-10-28 This volume is a collection of all new original essays covering everything from feminist to postcolonial readings of the play as well as source queries and analyses of historical performances of the play The Merchant of Venice is a collection of seventeen new essays that explore the concepts of anti-Semitism the work of Christopher Marlowe the politics of commerce and making the play palatable to a modern audience The characters Portia and Shylock are examined in fascinating detail With in depth analyses of the text the play in performance and individual characters this book promises to be the essential resource on the play for all Shakespeare enthusiasts

The Everything Shakespeare Book Cork Milner, 2008-05-01 Without question William Shakespeare is the most celebrated and quoted writer of all time Whether you're a long time fan or new to his writing The Everything Shakespeare Book 2nd Edition will help you fully appreciate and understand Shakespeare's works In everyday language this book covers everything from All's Well that Ends Well to The Winter's Tale and every play and sonnet in between featuring Famous quotations Background information on Shakespeare's life and times An in depth look at the controversy over the authorship of the works An Elizabethan English lesson Whether you're doing research for a school paper or simply building your literary knowledge this book is the perfect introduction to the world and works of The Bard of Avon Cork Millner is a Shakespeare scholar playwright and author of several books including To Be or Not To Be Shakespeare He teaches writing at the University of California and Santa Barbara City College and has been on the literary staff for the prestigious Santa Barbara Writer's Conference for 20 years He lives in Carpinteria CA

The Merchant of Venice: Language and Writing Douglas M. Lanier, 2019-06-13 Arden Student Skills Language and Writing volumes offer a new type of study aid that combines lively critical insight with practical guidance on the writing skills you need to develop in order to engage fully with Shakespeare's texts The books core focus is on language both understanding and enjoying Shakespeare's complex dramatic language and expanding your own critical vocabulary as you respond to his plays Each guide in the series will empower you to read and write about Shakespeare with increased confidence and enthusiasm A notoriously disturbing play The Merchant of Venice explores how the discourses of racial and religious prejudice and of business intertwine and shape how characters understand themselves and their relationships with one another The intersections between religious racial and economic language in The Merchant of Venice can be challenging to grasp but in this guide Douglas Lanier showcases a range of approaches to understanding its language all based on close reading and attention to Shakespeare's style The volume will equip you to analyze Shakespeare's troubling portrayal of anti-Semitism for yourself and to articulate your views on The Merchant of Venice with greater insight and confidence

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and

language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

Reading Shakespeare's Will Lisa Freinkel, 2002-01-30 The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity Reading Shakespeare's Will offers the first systematic account of the theology behind the poetry Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation Delving into the valences and repercussions of this response Reading Shakespeare's Will charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought

German Shakespeare Studies at the Turn of the Twenty-first Century Christa Jansohn, 2006-10 This collection of fifteen essays offers a sample of German Shakespeare studies at the turn of the century The articles are written by scholars in the old Bundesländer and deal with topics such as culture memory and natural sciences in Shakespeare's work Shakespearean spin offs and the reception of Venice and Shylock in Germany Series Shakespeare and His Contemporaries Publisher's website

Shakespeare's "The Merchant of Venice". Reconsidering Shylock Rene Fassbender, 2015-11-17 Studienarbeit aus dem Jahr 2004 im Fachbereich Anglistik Literatur Note 1,5 Ruprecht Karls Universität Heidelberg Veranstaltung All the

World's a Stage An Introduction to Shakespeare Sprache Deutsch Abstract This paper offers a detailed analysis of Shylock's depiction in Shakespeare's Merchant of Venice and why he may not be a typical villain or a villain at all Undoubtedly The Merchant of Venice is one of Shakespeare's most controversial plays courtesy of the both interesting and complex character of Shylock the Jew The play is basically a romantic comedy but the requirements of genre are scorned It begins with brotherly love and ends with joy at least for the Christians However in between there is Shylock who adds a very serious undertone to the play and makes it oddly profound for a comedy Although Shylock appears in but five out of twenty scenes he represents a permanent threat and overshadows most of the play No other character has so much force subtlety vitality variety above all none other has his intensity isolation and apparent depth of motivation It would be all too easy to explain this motivation and the way he is presented by means of mere anti-Semitism and stereotypes Although Shakespeare could not ignore the prejudices of his time we should beware of attributing to Shakespeare and his audiences the cruelty of our own century Those who intend to track down anti-Semitism in the play will not fail to find it All too often however they will be blind to everything else and make the regrettable mistake of cutting both Shylock's character and the complexity of the play There is more to Shylock much more His character can and should have the power to make the audience think Thus one should have a close look at Shylock starting with the first things we get to know about him but without being oblivious to the social and historical background of the play's original reception Furthermore it is necessary to examine the depths of his character by means of analysing the development as well as the degree of obviousness of his motivation in order to disclose what moves and drives him In the end it should be possible to realise the underlying cause of his actions and draw corresponding conclusions

The Merchant of Venice Thomas Wheeler, 2015-04-10 Originally published in 1991 Essays here are arranged chronologically within sections The Play as Text Shylock and The Play in the Theatre Collecting previously published important commentaries and scholarly articles this volume in the Shakespearean Criticism set looks at one of the Bard's most disturbing plays These historical critical pieces give witness to the changing attitudes to the play and the characters and provide readers with a wide range of material relating both to performances and to textual readings

On Interpretive Conflict John Frow, 2019-08-09 Interpretation is a term that encompasses both the most esoteric and the most fundamental activities of our lives from analyzing medical images to the million ways we perceive other people's actions Today we also leave interpretation to the likes of web cookies social media algorithms and automated markets But as John Frow shows in this thoughtfully argued book there is much yet to do in clarifying how we understand the social organization of interpretation On Interpretive Conflict delves into four case studies where sharply different sets of values come into play gun control anti-Semitism the religious force of images and climate change In each case Frow lays out the way these controversies unfold within interpretive regimes that establish what counts as an interpretable object and the protocols of evidence and proof that should govern it Whether applied to a Shakespeare play or a Supreme Court case interpretation he

argues is at once rule governed and inherently conflictual Ambitious and provocative On Interpretive Conflict will attract readers from across the humanities and beyond *The Spectacular In and Around Shakespeare* Pascale Drouet, 2009-05-27 This volume addresses the economy of the spectacular in and around Shakespeare's plays both in early modern England and in late twentieth century adaptations and appropriations Apart from addressing issues such as implausibility tours de force arousing amazement and excess for the sake of entertainment it raises the question of intentionality what is behind the spectacular Is there always a manipulative purpose How far reaching are the political and ideological stakes The contributors to this volume investigate a broad spectrum of particular phenomena the spectacular sound effects and pyrotechnics displayed for the opening of the Globe theatre with Julius Caesar on performance George Gascoigne's lavish 1575 pageant commissioned by the Earl of Leicester for the queen at Kenilworth The Princely Pleasures the relationship between the spectacular and scientific discoveries as well as their dialectics of appropriation the impact of Mannerist art on The Winter's Tale Coriolanus resistance to ostentation and political shows the anti spectacular counter current running through Timon of Athens Julia Pascal's innovative 2007 stage production of The Merchant of Venice apocalyptic screen adaptations of turn of the century Jacobean tragedies and Richard III's potential to be graphically interpreted in 2008 as political satire and as a danse macabre

Shakespeare The Merchant Of Venice A Casebook Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeare The Merchant Of Venice A Casebook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeare The Merchant Of Venice A Casebook has opened up a world of possibilities. Downloading Shakespeare The Merchant Of Venice A Casebook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeare The Merchant Of Venice A Casebook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeare The Merchant Of Venice A Casebook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeare The Merchant Of Venice A Casebook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeare The Merchant Of Venice A Casebook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeare The Merchant Of Venice A Casebook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeare The Merchant Of Venice A Casebook Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare The Merchant Of Venice A Casebook is one of the best book in our library for free trial. We provide copy of Shakespeare The Merchant Of Venice A Casebook in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare The Merchant Of Venice A Casebook. Where to download Shakespeare The Merchant Of Venice A Casebook online for free? Are you looking for Shakespeare The Merchant Of Venice A Casebook PDF? This is definitely going to save you time and cash in something you should think about.
