Shakespeare And His Contemporaries:

Shakespeare and His Contemporaries E. A. J. Honigmann, 1986 Shakespeare's Impact on his Contemporaries
E.A.J. Honigmann, 2016-01-06 **Shakespeare and his Contemporaries in Performance** Edward J. Esche, 2017-03-02
The creation of the new Globe Theatre in London has heightened interest in Shakespeare performance studies in recent years. The essays in this volume testify to this burgeoning research into issues surrounding contemporary performances of plays by Shakespeare and his fellow dramatists as well as modern trends and developments in stage and media presentations of these works. Truly international in coverage, the discussion here ranges across the performance and reception of Shakespeare in Japan, India, Germany, Italy, Denmark, and the United States, as well as in Britain. Dennis Kennedy's introductory essay places the new Globe Theatre in the context of Shakespearean cultural tourism; generally, this is followed by five sections of essays covering aspects of Shakespeare on film, the stage history of his plays, Renaissance contexts, the movement of the text from page to stage, and female roles. Exploring many of current issues in Shakespeare studies, this volume provides a global perspective on Renaissance performance and the wide variety of ways in which it has been translated by today's media. About the Editor: Edward J. Esche is a Senior Lecturer in English and Head of Drama at Anglia Polytechnic University. He has published on Renaissance drama and twentieth-century modern British and American drama. His most recent publication is an edition of Christopher Marlowe's *The Massacre at Paris* for the Clarendon Press. *The Complete Works of Christopher Marlowe*. **Male Friendship in Shakespeare and his Contemporaries** Thomas MacFaul, 2007-05-10
Renaissance Humanism developed a fantasy of friendship in which men can be absolutely equal to one another, but Shakespeare and other dramatists quickly saw through this rhetoric and developed their own ideas about friendship, more firmly based on a respect for human difference. They created a series of brilliant and varied fictions for human connection, as often antagonistic as sympathetic, using these as a means for individuals to assert themselves in the face of social domination. Whilst the fantasy of equal and permanent friendship shaped their thinking, dramatists used friendship most effectively as a way of shaping individuality and its limitations. Dealing with a wide range of Shakespeare's plays and poems, and with many works of his contemporaries, this study gives readers a deeper insight into a crucial aspect of Shakespeare's culture and his use of it in art. Russian Essays on Shakespeare and His Contemporaries Aleksandr Tikhonovich Parfenov, Joseph G. Price, 1998
Throughout his career, from the early play *Love's Labour's Lost* to one of his last romances, *The Winter's Tale*, Shakespeare was intrigued by Russia. Reciprocating that intrigue over the last few centuries, Russia, as so many other countries, has claimed Shakespeare as its own. The essays in this book represent the work of Russian and Ukrainian scholars from three different perspectives, explaining the plays to Russian audiences, discussing Russian theater for Western audiences, and dealing with contemporary criticism. **Shakespeare's Impact on his Contemporaries** E. A. J. Honigmann, 2016-01-06 *Shakespeare and His Contemporaries* J. Hart, 2011-03-28
This book is concerned with

language genre drama and literary and historical narrative and examines the comedy of Shakespeare in the context of comedies from Italy Spain and France in the sixteenth and seventeenth centuries **Shakespeare and His Contemporaries** J. Hart, 2011-03-28 This book is concerned with language genre drama and literary and historical narrative and examines the comedy of Shakespeare in the context of comedies from Italy Spain and France in the sixteenth and seventeenth centuries

Italian Studies in Shakespeare and His Contemporaries Michele Marrapodi, Giorgio Melchiori, 1999 The papers collected in this volume set out to present some significant Italian contributions to Shakespeare studies that scattered through a number of publications not available outside Italy might have escaped the attention they deserve They are representative though by no means exhaustively of approaches to Shakespeare and his contemporaries in Italy and may convey a sense of the vitality and extreme variety of critical and scholarly attitudes in this field **The Disguised Ruler in Shakespeare and his Contemporaries** Kevin A. Quarmby, 2016-04-01 In the early seventeenth century the London stage often portrayed a ruler covertly spying on his subjects Traditionally deemed Jacobean disguised ruler plays these works include Shakespeare's Measure for Measure Marston's The Malcontent and The Fawn Middleton's The Phoenix and Sharpham's The Fleer Commonly dated to the arrival of James I these plays are typically viewed as synchronic commentaries on the Jacobean regime Kevin A Quarmby demonstrates that the disguised ruler motif actually evolved in the 1580s It emerged from medieval folklore and balladry Tudor Chronicle history and European tragicomedy Familiar on the Elizabethan stage these incognito rulers initially offered light hearted romantic entertainment only to suffer a sinister transformation as England awaited its ageing queen's demise The disguised royal had become a dangerously voyeuristic political entity by the time James assumed the throne Traditional critical perspectives also disregard contemporary theatrical competition Market demands shaped the repertories Rivalry among playing companies guaranteed the motif's ongoing vitality The disguised ruler's presence in a play reassured audiences it also facilitated a subversive exploration of contemporary social and political issues Gradually the disguised ruler's dramatic currency faded but the figure remained vibrant as an object of parody until the playhouses closed in the 1640s **Interweaving myths in Shakespeare and his contemporaries** Janice Valls-Russell, Agnès Lafont, Charlotte Coffin, 2017-10-06 This volume proposes new insights into the uses of classical mythology by Shakespeare and his contemporaries focusing on interweaving processes in early modern appropriations of myth Its 11 essays show how early modern writing intertwines diverse myths and plays with variant versions of individual myths that derive from multiple classical sources as well as medieval Tudor and early modern retellings and translations Works discussed include poems and plays by William Shakespeare Christopher Marlowe and others Essays concentrate on specific plays including The Merchant of Venice and Dido Queen of Carthage tracing interactions between myths chronicles the Bible and contemporary genres Mythological figures are considered to demonstrate how the weaving together of sources deconstructs gendered representations New meanings emerge from these readings which open up methodological

perspectives on multi textuality artistic appropriation and cultural hybridity

Literature and Drama with Special References to Shakespeare and His Contemporaries Stanley Wells,1970 This book examines the areas of plays that are dependent upon the art of the theatre and the fluidity of interpretation to which this gives rise *Roman Women in Shakespeare and His Contemporaries* Domenico Lovascio,2020-04-06 Roman Women in Shakespeare and His Contemporaries explores the crucial role of Roman female characters in the plays of Shakespeare and his contemporaries While much has been written on male characters in the Roman plays as well as on non Roman women in early modern English drama very little attention has been paid to the issues of what makes Roman women Roman and what their role in those plays is beyond their supposed function as supporting characters for the male protagonists Through the exploration of a broad array of works produced by such diverse playwrights as Samuel Brandon William Shakespeare Matthew Gwynne Ben Jonson John Fletcher Philip Massinger Thomas May and Nathaniel Richards under three such different monarchs as Elizabeth I James I and Charles I Roman Women in Shakespeare and His Contemporaries contributes to a more precise assessment of the practices through which female identities were discussed in literature in the specific context of Roman drama and a more nuanced understanding of the ways in which accounts of Roman women were appropriated manipulated and recreated in early modern England

Spanish Studies in Shakespeare and His Contemporaries José Manuel González Fernández de Sevilla,2006 Spanish Studies in Shakespeare and His Contemporaries offers aselection of the most significant studies on Shakespeare and his contemporaries from a variety of perspectives in order to present a freshand inclusive vision of Shakespearean criticism in Spain to reach aworldwide readership Plurality maturity and diversity are itsoutstanding characteristics as the transition has given shape to newcritical attitudes readings and approaches in the analysis and study ofShakespeare in the new Spain

Italian Culture in the Drama of Shakespeare and His Contemporaries Michele Marrapodi,2016-12-05 Applying recent developments in new historicism and cultural materialism along with the new perspectives opened up by the current debate on intertextuality and the construction of the theatrical text the essays collected here reconsider the pervasive influence of Italian culture literature and traditions on early modern English drama The volume focuses strongly on Shakespeare but also includes contributions on Marston Middleton Ford Brome Aretino and other early modern dramatists The pervasive influence of Italian culture literature and traditions on the European Renaissance it is argued here offers a valuable opportunity to study the intertextual dynamics that contributed to the construction of the Elizabethan and Jacobean theatrical canon In the specific area of theatrical discourse the drama of the early modern period is characterized by the systematic appropriation of a complex Italian iconology exploited both as the origin of poetry and art and as the site of intrigue vice and political corruption Focusing on the construction and the political implications of the dramatic text this collection analyses early modern English drama within the context of three categories of cultural and ideological appropriation the rewriting remaking and refashioning of the English theatrical tradition in its

iconic thematic historical and literary aspects Narcissism and Suicide in Shakespeare and his Contemporaries Eric Langley, 2009-11-12 The subjects of this book are the subjects whose subjects are themselves Narcissus so himself himself forsook And died to kiss his shadow in the brook In accusing the introspective Adonis of narcissistic self absorption Shakespeare's Venus employs a geminative construction himself himself that provides a keynote for this study of Renaissance reflexive subjectivity Through close analysis of a number of Shakespearean texts including Venus and Adonis Romeo and Juliet Julius Caesar Hamlet and Othello his book illustrates how radical self reflection is expressed on the Renaissance page and stage and how representations of the two seemingly extreme figures of the narcissist and self slaughterer are indicative of early modern attitudes to introspection Encompassing a broad range of philosophical theological poetic and dramatic texts this study examines period descriptions of the early modern subject characterised by the rhetoric of reciprocation and reflection The narcissist and the self slaughter provide models of dialogic but self destructive identity where private interiority is articulated in terms of self response but where this geminative isolation is understood as self defeating both selfish and suicidal The study includes work on Renaissance revisions of Ovid classical attitudes to suicide the rhetoric of friendship literature discussion of early modern optic theory and an extended discussion of narcissism in the epyllia tradition Sustained textual analysis offers new readings of major Shakespearean texts allowing familiar works of literature to be seen from the unusual and anti social perspectives of their narcissistic and suicidal protagonists **Multilingualism in the Drama of Shakespeare and his Contemporaries** Dirk Delabastita, Ton Hoenselaars, 2015-06-24 No literary tradition in early modern Europe was as obsessed with the interaction between the native tongue and its dialectal variants or with foreign languages and the phenomenon of translation as English Renaissance drama Originally published as a themed issue of English Text Construction 6 1 2013 this carefully balanced collection of essays now enhanced with a new Afterword decisively demonstrates that Shakespeare and his colleagues were far more than just English authors and that their very Englishness can only be properly understood in a broader international and multilingual context Showing a healthy disrespect for customary disciplinary borderlines Multilingualism in the Drama of Shakespeare and his Contemporaries brings together a wide range of scholarly traditions and vastly different types of expertise While several papers venture into previously uncharted territory others critically revisit some of the loci classici of early modern theatrical multilingualism such as Shakespeare's Henry V *Transversal Enterprises in the Drama of Shakespeare and his Contemporaries* B. Reynolds, 2006-03-01 This study expands on Reynolds transversal poetics the theory methodology and aesthetics developed in response to the need for an approach that fosters agency creativity and conscientious scholarship and pedagogy It offers new readings of plays by amongst others Shakespeare Marlowe Middleton Webster and Greene **The Cambridge Companion to Shakespeare and Contemporary Dramatists** Ton Hoenselaars, 2012-10-11 While Shakespeare's popularity has continued to grow so has the attention paid to the work of his contemporaries The contributors to this Companion introduce

the distinctive drama of these playwrights from the court comedies of John Lyly to the works of Richard Brome in the Caroline era With chapters on a wide range of familiar and lesser known dramatists including Thomas Kyd Christopher Marlowe Ben Jonson John Webster Thomas Middleton and John Ford this book devotes particular attention to their personal and professional relationships occupational rivalries and collaborations Overturning the popular misconception that Shakespeare wrote in isolation it offers a new perspective on the most impressive body of drama in the history of the English stage

The Cambridge Companion to Shakespeare and Contemporary Dramatists A. J. Hoenselaars, 2012-10-11

This Companion is devoted to the life and works of Shakespeare and contemporary playwrights in early modern London

Shakespeare And His Contemporaries Introduction

In today's digital age, the availability of Shakespeare And His Contemporaries books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare And His Contemporaries books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare And His Contemporaries books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare And His Contemporaries versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare And His Contemporaries books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare And His Contemporaries books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare And His Contemporaries books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare And His Contemporaries books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare And His Contemporaries books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare And His Contemporaries Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare And His Contemporaries is one of the best book in our library for free trial. We provide copy of Shakespeare And His Contemporaries in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare And His Contemporaries. Where to download Shakespeare And His Contemporaries online for free? Are you looking for Shakespeare And His Contemporaries PDF? This is definitely going to save you time and cash in something you should think about.
