Shakespeare In His Own Age:

Shakespeare in His Own Age Allardyce Nicoll,1976

Shakespeare in His Own Time Dinesh Chandra Biswas,1979

Shakespeare in His Own Age Allardyce Nicoll,1965

A Preface to Shakespeare's Tragedies Michael

Mangan,2014-07-22 This book is a study of four of Shakespeare s major tragedies Hamlet Othello King Lear and Macbeth It looks at these plays in a variety of contexts both in isolation and in relation to each other and to the cultural ideological social and political contexts which produced them **Shakespeare's Dramatic Art** Hermann Ulrici,1846 **The Illustrated**

Magazine ,1864 Shakespeare in the Nineteenth Century Gail Marshall,2012-02-16 An illustrated collection of new essays

with valuable reference material on the performance and reception of Shakespeare s plays The Routledge Guide to

William Shakespeare Robert Shaughnessy,2013-05-13 Demystifying and contextualising Shakespeare for the twenty first

century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more

experienced Shakespeareans In this friendly structured guide Robert Shaughnessy introduces Shakespeare s life and works

in context providing crucial historical background looks at each of Shakespeare s plays in turn considering issues of

historical context contemporary criticism and performance history provides detailed discussion of twentieth century

Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today

looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines

detailed chronologies of Shakespeare s life and works and also of twentieth century criticism The companion website at www.routledge.com/textbooks/shaughnessy contains student focused materials and resources including an interactive timeline and

annotated weblinks *Imagining Shakespeare's Original Audience, 1660-2000* Bettina Boecker,2016-04-29 Comparatively

little is known about Shakespeare s first audiences This study argues that the Elizabethan audience is an essential part of

Shakespeare as a site of cultural meaning and that the way criticism thinks of early modern theatregoers is directly related to

the way it thinks of and uses the Bard himself **William Shakespeare** Richard Dutton,2016-07-27 William Shakespeare is

the best known writer in the English speaking world Contrary to popular myth we actually know more about him and his

career than we do about most dramatists of his era the fruits of three hundred years of fascinated research Whilst we know

less than we would like about Shakespeare s private life we do have a far clearer picture of his professional career and of the

theatres and social structures with which he was involved And yet the significance of what we know is fiercely contested and

we are challenged by a host of contradictions Elizabethan actors were often classed as vagabonds yet some were also

servants to royalty who performed at court All the roles in Shakespeare s plays were acted by men yet he wrote strong roles

for women from Lady Macbeth to Rosalind So was Shakespeare a feminist before his time Richard Dutton tackles these and

other issues which keep Shakespeare the most influential literary life in literary history at the centre of our cultural life today

English Literature During the Lifetime of Shakespeare Felix Emmanuel Schelling,1910 **The Ladies' Companion**

,1864 **A new Study of Shakespeare: an Inquiry into the Connection of the Plays and Poems, with the Origins of the classical Drama, and with the Platonic Philosophy, through the Mysteries** ,1886 **Sharpe's London magazine, a journal of entertainment and instruction. [entitled] Sharpe's London journal. [entitled] Sharpe's London magazine, conducted by Mrs. S.C. Hall** Anna Maria Hall, **Shakespeare's Sonnets** Katherine

Duncan-Jones, 2014-05-01 Shakespeare's Sonnets are universally loved and much quoted throughout the world First published in 1997 to much critical acclaim the Sonnets has been a consistent best seller in the Arden Shakespeare series Katherine Duncan Jones tackles the controversies and mysteries surrounding these beautiful poems head on and explores the issues of sexuality to be found in them making this a truly modern edition for today's readers and students This revised edition has been updated and corrected in the light of new scholarship and critical thinking since its first publication

Living Forms Bruce Haley, 2012-02-01 Based on years of archival research in various British and American libraries *Living Forms* examines the early nineteenth century's fascination with representations of the human form particularly those from the past which having no adequate verbal explanatory text are vulnerable to having their meanings erased by time The author explores a variety of such representations and responses to them including Coleridge's Shakespeare lectures Hazlitt's essays on portraits Keats's poems on mythic and sculpted figures meditations by Byron's Childe Harold on the monuments of Italy Felicia Hemans's verses on monuments to and by women and Shelley's poems and letters on figures from Italy Egypt and other antique lands Haley argues that in what has been called the museum age Romantics sought aesthetically to frame these figures as living forms mental images capable of realization in alternate modes or forms *The Canadian Methodist Magazine* ,1882 **Remarks on the Sonnets of Shakespeare** Ethan Allen Hitchcock, 1865 [Reading Shakespeare's Will](#)

Lisa Freinkel, 2002-01-30 The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity *Reading Shakespeare's Will* offers the first systematic account of the theology behind the poetry Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation Delving into the valences and repercussions of this response *Reading Shakespeare's Will* charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought *Shakespeare's Workmanship* Arthur Quiller-Couch, 2008-09-18 Sir Arthur Quiller-Couch 1863-1944 who often published under the pen name of Q was one of the giants of early twentieth century literature and literary criticism A novelist and poet who was also a

Professor of English he helped to form the literary tastes of generations of literary students and scholars who came after him. The freshness, enthusiasm and intellectual insight of his work is still evident in his writings. Nearly a century on, Cambridge University Press is delighted to reissue some of his key texts in this new edition. *Shakespeare's Workmanship*, first published in 1918, offers detailed readings of *Macbeth*, *A Midsummer Night's Dream*, *The Merchant of Venice*, *As You Like It*, *Hamlet*, *Pericles* and *King Henry VIII*, *Cymbeline*, *The Winter's Tale* and *The Tempest*, with an account of the story of Falstaff and a general description of the features of Shakespeare's later plays.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Shakespeare In His Own Age** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
