Stuart Sillars

CAMBRIDGE

# Shakespeare The Victorians

**Gail Marshall**

## **Shakespeare The Victorians:**

**Shakespeare and the Victorians** Stuart Sillars, 2013-11-28 OXFORD SHAKESPEARE TOPICS General Editors Peter Holland and Stanley Wells Oxford Shakespeare Topics provide students and teachers with short books on important aspects of Shakespeare criticism and scholarship Each book is written by an authority in its field and combines accessible style with original discussion of its subject The book shows how the reception and remodelling of the works and the man directed the Victorian construction of identity personal national and aesthetic as well as laying foundations that later Shakespeareans could continue extend or reject Shakespeare was one of the most pervasive intellectual aesthetic and social forces of the Victorian period with the plays in print performance and as moral examples penetrating to every aspect of life in every social class and situation Shakespeare and the Victorians offers an analytical survey of the main forms and paths of this presence It begins with a discussion of the processes of editing and publishing the plays embracing both scholarly and popular editions It moves to consider performance styles quoting original reviews to assess methods of acting and production Music for the Shakespearean stage now largely forgotten is reassessed as is the varied tradition of Shakespeare painting that extends far beyond the familiar images of the Pre Raphaelites Shakespearean themes dominate in the novel especially the conflict between town and country and the changing status of women poetry shows the power of Shakespeare in the use of iambic pentameter and the sonnet form The plays are fragmented through the study of individual character and their use as moral compendia and the search for Shakespeare the man in biographies portraiture and pilgrimages to the birthplace A concluding chapter looks at the last two decades in terms of editing performance the renewed importance of the Sonnets and new performance styles

**Shakespeare and the Victorians** Stuart Sillars, 2013-11 Shakespeare and the Victorians explores the place of Shakespeare in Victorian culture and shows how the plays and the man became central to all levels of Victorian life and thought

**Shakespeare And The Victorians** Adrian Poole, 2014-03-20 Adrian Poole examines the Victorian s obsession with Shakespeare his impact upon the era s consciousness and the expression of this in their drama novels and poetry The book features detailed discussion of the interpretations and applications of Shakespeare by major figures such as Dickens and Hardy Tennyson and Browning as well as those less well known

**Victorian Shakespeare** Gail Marshall, Adrian Poole, 2003-10-09 What did the Victorians think of Shakespeare The twelve essays gathered here offer some answers through close examination of works by leading nineteenth century novelists poets and critics including Dickens Trollope Eliot Tennyson Browning and Ruskin Shakespeare provided the Victorians with ways of thinking about the authority of the past about the emergence of a new mass culture about the relations between artistic and industrial production about the nature of creativity about racial and sexual difference and about individual and national identity

**Shakespeare and the Victorian Stage** Richard Foulkes, 2008-11-06 The contributions to this book constitute a concerted account of the place of Shakespeare in the Victorian theatre and the cultural life of the country in the nineteenth

century They explore the changing styles of acting and staging used for Shakespeare's plays by Macready Charles Kean the Irvings Ellen Terry and Beerbohm Tree and examine Shakespeare's influence on Victorian dramatists Sheridan Knowles Albery and W S Gilbert and the relationship between the stage and the allied arts of painting David Scott the Pre Raphaelites and Alma Tadema and music Sullivan During Queen Victoria's reign Shakespeare's plays attracted new audiences from the court at Windsor to such rapidly expanding conurbations as Leicester and Sheffield In France Germany Italy and the New World Shakespeare effectively became an ambassador of Britain's growing power and influence The book develops a fascinating and well illustrated account of these changes

**Shakespeare in the Victorian Periodicals** Kathryn Prince, 2011-02-11 Based on extensive archival research Shakespeare in the Victorian Periodicals offers an entirely new perspective on popular Shakespeare reception by focusing on articles published in Victorian periodicals Shakespeare had already reached the apex of British culture in the previous century becoming the national poet of the middle and upper classes but during the Victorian era he was embraced by more marginal groups If Shakespeare was sometimes employed as an instrument of enculturation imposed on these groups he was also used by them to resist this cultural hegemony

Shakespeare and Victorian Women Gail Marshall, 2009-03-19 The first full length study of Shakespeare's influence on Victorian women writers actresses and readers

Shakespeare's Victorian Stage Richard W. Schoch, 1998-08-20 This book explores the revivals of Shakespeare's history plays during the Victorian period as staged by the famous actor manager Charles Kean Between 1852 and 1859 Kean produced celebrated productions of Henry V Henry VIII King John Macbeth and Richard II renowned for their unprecedented attention to antiquarian detail in sets costumes and properties many of which are shown in the book's illustrations These productions provided audiences with an unparalleled opportunity to participate in the Victorian obsession with history especially of the medieval period Using valuable primary sources including promptbooks scenic designs costume sketches and contemporary reviews Richard Schoch places mid Victorian attitudes towards the theatre in the context of major intellectual and political movements of the age The book will be of interest to scholars and students of theatre history Shakespeare studies and Victorian culture

*The Victorian Cult of Shakespeare* Charles LaPorte, 2020-11-05 How and why did Victorian culture make Shakespeare into a literary deity and his work into a secular Bible

**Shakespeare, Time and the Victorians** Stuart Sillars, 2011-12-15 Time and the visual sense were two essential preoccupations of the Victorians and both were central to their presentations of Shakespeare's plays In this extensive new study Stuart Sillars examines multiple facets of this complex relationship The desire for authenticity in production in the work of Charles Kean and his followers leads to elaborate sets that define and direct the performances movement through time Visual artists of all kinds fracture and extend the plays movements the Pre Raphaelites through new techniques and approaches illustrators through new forms of engraving and printing and photographers through the emerging forms of the medium The book also considers the multiple forms in which performances were recorded and re created visually and

absorbed into the memories of their viewers With many previously unpublished images it draws together multiple fields to offer a new perspective on one of the most productive and various periods of Shakespeare activity     **Victorian**

**Appropriations of Shakespeare** Robert Sawyer,2003 Swinburne it may also be used to promote more conservative policies and literary interpretations in other writers such as Robert Browning and Charles Dickens     *Punch and Shakespeare in the Victorian Era* Alan R. Young,2007 The English humour magazine Punch or the London Charivari which first appeared in 1841 quickly became something of a national institution with a large and multi layered readership Though comic in tone Punch was deeply serious about upholding high literary and artistic standards about dealing with serious subject matter and about attempting to nurture its readers appreciation of the national drama and of Shakespeare s plays in particular The author s detailed examination of Punch s constant advocacy of Shakespeare reveals telling new evidence concerning the ubiquitous presence of Shakespeare within Victorian culture New research in the Punch archives and elsewhere also reveals the identities of many of the Punch authors and artists The author shows how those who worked for Punch often subsumed their collective identities within the single persona of Mr Punch a fictional creation who repeatedly presents himself in both texts and graphics as a close friend and admirer of Shakespeare a man able to remind Victorian readers constantly of the supreme literary and moral values represented by Shakespeare s works     *The Afterlife of Ophelia* Deanne Williams,2012-04-09 This collection of new essays is the first to explore the rich afterlife of one of Shakespeare s most recognizable characters With contributions from an international group of established and emerging scholars The Afterlife of Ophelia moves beyond the confines of existing scholarship and forges new lines of inquiry beyond Shakespeare studies     **Scott, Dickens, Eliot, Hardy** Adrian Poole,2014-06-11 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of Sir Walter Scott Charles Dickens George Eliot and Thomas Hardy to the afterlife and reception of Shakespeare and his plays Each substantial contribution assesses the double impact of Shakespeare on the figure covered and of the figure on the understanding interpretation and appreciation of Shakespeare provide a sketch of their subject s intellectual and professional biography and an account of the wider cultural context including comparison with other figures or works within the same field     *Troy, Carthage and the Victorians* Rachel Bryant Davies,2018-03-15 Playful popular visions of Troy and Carthage backdrops to the Iliad and Aeneid s epic narratives shine the spotlight on antiquity s starring role in nineteenth century culture This is the story of how these ruined cities inspired bold reconstructions of the Trojan War and its aftermath how archaeological discoveries in the Troad and North Africa sparked dramatic debates and how their ruins were exploited to conceptualise problematic relationships between past present and future Rachel Bryant Davies breaks new ground in the afterlife of classical antiquity by revealing more complex and less constrained interaction with classical knowledge across a broader social spectrum than yet understood drawing

upon methodological developments from disciplines such as history of science and theatre history in order to do so She also develops a thorough critical framework for understanding classical burlesque and engages in in depth analysis of a toy theatre production

**The Afterlife of Shakespeare's Sonnets** Jane Kingsley-Smith,2019-08-29 An original account of the reception and influence of Shakespeare s Sonnets in his own time and in later literary history

**Shakespeare in the Nineteenth Century** Gail Marshall,2012-02-16 An illustrated collection of new essays with valuable reference material on the performance and reception of Shakespeare s plays

**Shakespeare's Wordplay** Professor M M Mahood,2003-09-02 Professor Mahood s book has established itself as a classic in the field not so much because of the ingenuity with which she reads Shakespeare s quibbles but because her elucidation of pun and wordplay is intelligently related both to textual readings and dramatic significance

Revue des Langues Vivantes *Victorian Shakespeare: Literature and culture* Gail Marshall,Adrian Poole,2003

**Great Shakespeareans Set I** Peter Holland,Adrian Poole,2010-06-03 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to the twentieth century Great Shakespeareans will be an essential resource for students and scholars in Shakespeare studies
