Literary Dramatist Lukas Erne, 2013-04-25 This second edition of Erne's groundbreaking study includes a new preface that reviews the controversy the book has triggered Shakespeare Scholars in Conversation Michael P. Jensen, 2019-07-15 Twenty four of today's most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon **Local/Global Shakespeare and Advertising** Márta Minier, Maria Elisa Montironi, Cristina Paravano, 2024-06-21 Local Global Shakespeare and Advertising examines the local global and rhizomatic phenomenon of Shakespeare as advertised and Shakespeare as advertising Starting from the importance and the awareness of advertising practices in the early modern period the volume follows the evolution of the use of Shakespeare as a promotional catalyst up to the twenty first century The volume considers the pervasiveness of Shakespeare's marketability in Anglophone and non Anglophone cultures and its special engagement with creative and commercial industries With its inter and transdisciplinary perspective and its international scope this book brings new insights into Shakespeare's selling power Shakespeare as the object of advertising and Shakespeare as part of the advertising vehicle in relation to a range of crucial cultural ideological and political issues **Filming Shakespeare in the Global Marketplace** M. Burnett, 2007-01-31 This exciting new title investigates the explosion of Shakespeare films during the 1990s and beyond Linking fluctuating Shakespeares with the growth of a global marketplace the dissolution of national borders and technological advances this book produces a fresh awareness of our contemporary cultural moment **Appropriation as Practice of Memory** Dimitar Daphinoff, Franziska Metzger, 2024-11-18 This volume explores how narratives and iconographic codes in literature art music material culture and social political and economic discourses were appropriated and thereby sometimes radically transformed by religious agents and how religious narrations discourses and iconographic practices were reimaged and used up to radical deconstruction in non religious contexts as well as in different or transformed religious contexts Religious appropriation is thereby conceived as practice of memory drawing on reused and creating transformed narrative and visual spaces of imagination The dimension of memory will contribute to a more differentiated typology of practices of appropriation their forms functions and functionalisation Agency and power relations will be important factors in the individual contributions of this trans disciplinary volume that links approaches from memory studies religious history literary studies and art history Shakespeare and World Cinema Mark Thornton Burnett, 2013 This book explores the significance of Shakespeare in contemporary world cinema for the first time Mark Thornton Burnett draws on a wealth of examples from Africa the Arctic Brazil China France India Malaysia Mexico Singapore Tibet Venezuela Yemen and elsewhere

Shakespeare's Histories on Screen Jennie M. Votava, 2023-06-29 This volume reframes the critical conversation about Shakespeare's histories and national identity by bringing together two growing bodies of work: early modern race scholarship and adaptation theory. Theorizing a link between adaptation and intersectionality, it demonstrates how over the past thirty years race has become a central and constitutive part of British and American screen adaptations of the English histories. Available to expanding audiences via digital media platforms, these adaptations interrogate the dialectic between Shakespeare's cultural capital and racial reckonings on both sides of the Atlantic and across time. By engaging contemporary representations of race, ethnicity, gender, sexuality, disability, and class, adaptation not only creates artefacts that differ from their source texts but also facilitates the conditions in which race and its intersections in the plays become visible. At the centre of this analysis stand two landmark 21st-century history adaptations that use non-traditional casting: the British TV miniseries *The Hollow Crown* (2012, 2016) and the American independent film *H4* (2012), an all-Black Henry IV conflation. In addition to demonstrating how the 21st-century screen history illuminates both past and present constructions of embodied difference, these works provide a lens for reassessing two history adaptations from Shakespeare's 1990s box office renaissance when actors of colour were first cast in cinematic versions of the plays. As exemplified by these formal adaptations, reappropriations of race in history, non-traditional Shakespearean casting practices are also currently shaping digital culture's conversations about race in non-Shakespearean period dramas such as *Bridgerton*.

Shakespeare's book Richard Meek, Jane Rickard, Richard Wilson, 2024-06-04 This collection of essays is part of a new phase in Shakespeare studies. The traditional view of Shakespeare is that he was a man of the theatre who showed no interest in the printing of his plays, producing works that are only fully realised in performance. This view has recently been challenged by critics arguing that Shakespeare was a literary poet-playwright concerned with his readers as well as his audiences. *Shakespeare's Book* offers a vital contribution to this critical debate and examines its wider implications for how we conceive of Shakespeare and his works. Bringing together an impressive group of international Shakespeare scholars, the volume explores both Shakespeare's relationship with actual printers, patrons, and readers and the representation of writing, reading, and print within his works themselves.

Shakespeare, Feminism and Gender Kate Chedgzoy, 2000-12-05 Over the last quarter-century, feminist criticism of Shakespeare has greatly expanded and enriched the range of interpretations of the Shakespearean texts, their original historical location, and subsequent reinterpretation. Characteristically, it weaves between past and present, driven by a commitment both to intervene in contemporary cultural politics and to recover a fuller sense of the sexual politics of the literary heritage. Collecting together essays which offer detailed accounts of particular plays with others that take a broader overview of the field, this Casebook showcases the range of critical strategies used by feminist criticism and illustrates how vital attention to the politics of gender and sexuality is to a

full understanding and appreciation of Shakespearean drama Shakespeare and the Problem of Adaptation Margaret Jane Kidnie, 2009 Kidnie's study presents original sophisticated and profoundly intelligent answers to important questions Lukas Erne University of Geneva This is a fine and productive book one that will surely draw significant attention and commentary well beyond the precincts of Shakespeare studies W B Worthen Columbia University Shakespeare's plays continue to be circulated on a massive scale in a variety of guises as editions performances and adaptations and it is by means of such mediation that we come to know his drama Shakespeare and the Problem of Adaptation addresses fundamental questions about this process of mediation making use of the fraught category of adaptation to explore how we currently understand the Shakespearean work To adapt implies there exists something to alter but what constitutes the category of the play and how does it relate to adaptation How do play and adaptation relate to drama's twin media text and performance What impact might answers to these questions have on current editorial performance and adaptation studies Margaret Jane Kidnie argues that play and adaptation are provisional categories mutually dependent processes that evolve over time in accordance with the needs of users This theoretical argument about the identity of works and the nature of text and performance is pursued in relation to diverse examples including theatrical productions by the Royal Shakespeare Company the BBC's ShakespeaReTold the Reduced Shakespeare Company and recent print editions of the complete works These new readings build up a persuasive picture of the cultural and intellectual processes that determine how the authentically Shakespearean is distinguished from the fraudulent and adaptive Adaptation thus emerges as the conceptually necessary but culturally problematic category that results from partial or occasional failures to recognize a shifting work in its textual theatrical instance **Shakespeare and Conflict** C. Dente, S. Soncini, 2013-03-18 What has been the role played by principles patterns and situations of conflict in the construction of Shakespeare's myth and in its European and then global spread The fascinatingly complex picture that emerges from this collection provides new insight into Shakespeare's unique position in world literature and culture The Arden Research Handbook of Shakespeare and Contemporary Performance Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in

which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography The Arden Research Handbook of Shakespeare and Contemporary Performance is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance
