Imagining Europe Michael J. Wintle, 2008 The authors of this research collection are not so much interested in what Europe thinks of itself but rather what others think of it They take a number of scenarios from recent history and examine how Europe has appeared to people in other parts of the world America China the Arab world for example

Cultural Transfers in Dispute Jörg Feuchter, Friedhelm Hoffmann, Bee Yun, 2011-08-08 Kulturen sind keine voneinander isolierten Gebilde sie durchdringen und beeinflussen sich gegenseitig Beschreibungen solchen Kulturtransfers sind dabei immer wertend geschehen sie doch stets selbst von einem kulturellen Standpunkt aus Anhand konkreter Beispiele untersucht der Band kontroverse Wahrnehmungen und Darstellungen von Kulturtransfer in und zwischen Asien Europa und der arabischen Welt In allen drei Weltregionen spielen die behandelten Repräsentationen eine bedeutende Rolle bei der Bestimmung von eigener und fremder Kultur

European Aviation Law Paul Stephen Dempsey, 2004-01-01 Once a byword for the economic power of national government with competition strictly regulated European commercial aviation has now virtually become a market without state imposed anticompetitive restrictions Although intended to enhance competition this situation has in fact driven airlines to form massive global alliances cartels that offer ever shrinking benefits to the consumer In this extraordinarily thorough blow by blow analysis of how this happened or was allowed to happen one of the world's most eminent aviation law authorities explores the subject with a lucid insight fully informed by historical breadth and a keen appreciation of current pressures Commercial aviation emerges as the crucible par excellence of the convergence of prevailing global ideology economics and international law Among the numerous interrelated topics investigated in depth by Professor Dempsey the following may be mentioned the principal actors including scores of airlines the European Union and a number of air transport associations the labyrinth of bilateral air transport agreements the relevance of the Treaty of Rome's competition rules and the EU merger regulations to air transport the important Court of Justice cases that circumscribed the zone of application in which the competition rules can regulate air transport French Seamen's Case Transport Policy Decision Olympic Airway Nouvelles Frontières Ahmed Saeed and the 2002 Open Skies Decision the 1991 U S EC agreement regarding the application of competition laws the sequence of EU aviation regulatory packages regulation of non economic issues air traffic congestion noise limitations air carrier liability civil aviation accident incident investigations denied boarding compensation the effect of the U S government's increasing invocation of antitrust immunity computer reservation systems especially code sharing procedures jointly owned web sites for ticket sales and other e commerce joint ventures frequent flyer program alliances and the emergence of global megacarriers The author's presentation emphasizes the regulatory constructs that currently affect the European air transport market pricing and tariffs pooling of revenue market access licensing capacity limits traffic rights slot allocation ground handlings cargo services state aid and the power of the EU to act on the commercial aviation world stage for Member

States Each of these areas of analysis begins with an overview of the general regulatory environment for that area followed by a detailed chronological delineation of relevant packages proposals resolutions and regulations Because of the enormous role played by international air transport with respect to gross national product employment and energy consumption European Aviation Law is of great importance not only to European lawyers but to officials policymakers practitioners and academics in a number of relevant fields worldwide Unusual Footnotes to the Korean War Paul Edwards,2013-02-20 A forgotten war in modern history the Korean War is rarely given much recognition or studied in detail In fact it was one of the bloodiest conflicts of the 20th century a deadly clash of world views as the UN allied itself with South Korea against the massed ranks of North Korean armies backed by Communist China In this new book Paul Edwards presents a fresh look at the Korean War focusing on a number of unusual events that happened during the conflict Beginning with a look at the war itself Edwards goes on to tell the stories of the Salvation Army band that disappeared UFO sightings the Pulitzer Prize winning journalist Maggie Higgins and her battle to report in Korea as an equal with her male counterparts and an operation to rescue orphan children It also provides a fascinating look at the propaganda materials dropped over Korea by both sides This miscellany of the war allows readers to dip in and out of this e book only title a perfect e book for the daily commute

Hamish Ion,Barry D. Hunt,2006-01-01 This collection of papers addresses the special problems the Pacific poses for policy makers strategists and historians alike *War and Diplomacy Across the Pacific 1919 1952* examines the technical operational issues that were discussed by those intent on the exercise of influence over the enormous distances the region entails as well as conceptual issues concerning the relevance or utility of military applications in regions where the protagonists differed even in their most fundamental cultural and philosophical values The authors address the issues of the Pacific from the points of view of the major naval powers Great Britain the United States Germany Japan and Canada as an emerging power Contributors include James Leutze Peter Lowe John Chapman Nobuya Bamba Thomas Buell and Arthur Menzies

Globalizing Eastern Europe Gilad Ben-Nun,Katja Castryck-Naumann,Lena Dallywater,2025-08-21 For far too long views of Eastern Europe as a negligible and peripheral region have shaped popular perceptions of this part of the world Presenting new research *Globalizing Eastern Europe Politics Culture and Economics from the 18th to the 21st Century* offers refreshing arguments to counter such misconceptions Global politics and international law have been profoundly shaped by the experiences and expertise that emanated from this region Migration to and from Eastern Europe has fostered deep ties with neighbouring and distant societies as have this area's literature and music The importance of its agricultural development has reverberated in the global economy This volume recasts Eastern Europe as a global region It shows how people from this part of the world shaped the global and how in turn the global shaped them Authors from a range of

disciplines chart century long traditions of entanglements and contemporary interactions In doing so this book further enriches the perennial debates regarding this region s spatial boundaries Changes in European Relations : [proceedings of the Conference on American Foreign Policy and the New Europe, Blacksburg, Virginia, April 18-20, 1974] James A. Kuhlman,Louis J. Mensonides,1976-03-11 German-American Relations in the 21st Century Klaus Larres,Ruth Wittlinger,2020-04-22 German American relations have become interesting again U S President Donald Trump s lukewarm policy toward Europe has ensured that the relationship between Berlin and Washington is once again regarded as an important field of scholarship within global politics And yet it was only a few years ago that German American relations seemed to take second place to transatlantic relations in general and the European Union EU USA relationship in particular The advent of Donald Trump as US President in January 2017 has made all the difference Trump s difficult personal relationship with German Chancellor Angela Merkel and his denigration of everything the Western world including the USA itself has stood for since 1949 have given a new significance to German American relations in practice and theory This volume offers an empirical and conceptual analysis of German American relations in the 21st century and highlights the serious and perhaps unprecedented challenges the two countries face at present The authors discuss a number of aspects of the current much more fragile state of German American relations from different perspectives This book was originally published as a special issue of the journal German Politics **Soviet Succession Struggles** Anthony D'Agostino,2024-04-12 Soviet Succession Struggles 1988 is a key study of the history nature and development of Soviet politics and politicians from the earliest days of Soviet Russia up to the rise of Gorbachev It examines the power struggles between opposing factions within the Soviet leadership and identifies two main political standpoints that were always vying for ultimate control of the Communist State **Love & War** Reginald Neighbors,2000 **Congressional Record** United States.
