Love Without Conditions Reflections Of The Christ Mind Reflections Of The Christ Mind:

Love Without Conditions Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood Rarely has any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today

Will the Real World Please Stand Up? John Stegmaier,2012-05-09 If we experience life in the present without guilt fear and especially without judgment of others and ourselves I believe that we will reach a critical mass of positive energy that will sweep the majority of this planet up in its light This is already happening Think about it If ignorant fear based destruction of life were more powerful than spirit based existence then our world would have destroyed itself several times over

Real Happiness Paul Ferrini,2007 Provides a crystal clear roadmap for personal transformation This book is not about the kind of happiness you see on billboards or television commercials It is about being present right now for the ups and downs of life in a loving and compassionate way It is about being ourselves fully and being responsible for what we are creating in our lives It is about being willing to heal our wounds so that we can reconnect with the joy that is our birthright

Grace Unfolding Paul Ferrini,1998-02 This book is not about surrender to an outside authority but to an inside one It is about the relinquishment of our ego consciousness our separated states of heart and mind to a greater consciousness to the essence of love which is the source of who we are *Life's Journey* Marlenne Schilperoord,2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life s journey
