Love Your Local Missionary:

Missionary Candidate Training Paul Sungro Lee, 2008-11-15 Today the world mission has unprecedentedly become a task of every national churches and believers on earth Missionaries are being sent out from every nations to every nations Strategists have previously noticed that Africa along with East Asia would emerge as the key fulcrum for world missions in the 21st Century 2010 Lausanne Congress held in South Africa proved that to be true Along this path Evangelical Alliance for Preacher Training Commission EAPTC opened their missions training schools in Kenya and South Korea using this book as their training text It was through the efforts of those missionary trainees that their work expanded into over 200 new church plants in 11 countries today This book was put together mainly for Two Thirds World missionary candidates who often find themselves limited with sound missions training opportunities around while the lessons in this manual apply to all who are mission interested Going as a missionary or sending a missionary without proper training is quite reckless The principles of cross cultural mission presented in 11 chapters of this book are field tested nuggets that can certainly equip anyone aspiring for missionary work The training has been scientifically validated effective through research and used in Africa Asia Americas and Oceania This manual is also available in French Spanish Portuguese and Amharic *The Local Church* Edward Klink, 2021-10-27 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world *The local preacher's and home missionary's assistant; or, Heads of fifty-two sermons, by the author of 'Observations on select passages of Scripture'*. Local preacher, 1849 *Woman's Missionary Friend*, 1904 **Triumphant Love** J Hans Kommers, 2020-11-17 The book is a treasure trove for scholars in the field of science of religion who focus on comparative religion spirituality and the reception of Christianity in India and Ireland The strength of the book is its comprehensive scope critical and narratological methodology and the depth of the data analysis The exposition of the contextual creative and strategic missionary work of Amy Beatrice Carmichael in south India is innovative and highly informative The book contains a high level of original research in that it goes beyond the existing research on the Carmichael biographies The knowledge of the field is comprehensive and the number and quality of sources impressive The biographic genre and methodology complement

the extensive research in the book This combination constitutes a genuine historical foundation for the scholarship The main purpose of the book is to open the field of science to and pique the interest of professional theologians with an interest in missiology and in the valuable contribution of Amy Carmichael of Dohnavur The book includes a comprehensive overview of the existing scholarly work on the topic and then makes a further innovative contribution to and in the end provides the most comprehensive picture of the work of Amy Carmichael to date It will become the definitive reference book on the history of Christian missionary work in south India It is original research and no part of the book was plagiarised from any other publication or has been published elsewhere before *The Foreign Missionary*, 1881 *The Maltese Missionary Experience* Fr John Caruana, *Woman's Missionary Friend*, 1938 **The Missionary** William Carmichael, David Lambert, 2009-03-01 David Eller is an American missionary in Venezuela married to missionary nurse Christie Together they rescue homeless children in Caracas But for David that isn't enough The supply of homeless children is endless because of massive poverty and the oppressive policies of the Venezuelan government led by the Hugo Chavez like Armando Guzman In a moment of anger David publicly rails against the government unaware that someone dangerous might be listening a revolutionary looking for recruits David falls into an unimaginable nightmare of espionage ending in a desperate life or death gamble to flee the country with his wife and son with all the resources of a corrupt dictatorship at their heels *Thirty Conversations with a Missionary* JJ Farmer, 2017-07-12 JJ Farmer has enabled everyone to be a fly on the wall during pivotal conversations that shaped the lives of his family and local partners as they worked among East Asians so that millions of more people would have access to the Gospel Against all odds and struggling through significant pain setbacks and successes while on the field he was able to see tens of thousands of people become disciples of Jesus and watch the burgeoning local churches grow until they could not only stand on their own but send their own missionaries into the harvest as well Find out more about how to engage the world around you as a missionary through *Thirty Conversations with a Missionary* *Power: Divine and Human* Lucinda Mosher, David Marshall, 2020-01-01 This volume of the Building Bridges Seminar Power Divine and Human Christian and Muslim Perspectives comprises pairs of essays by Christians and Muslims which introduce texts for dialogical study plus the actual text excerpts themselves This new book goes far beyond mere reporting on a dialogical seminar rather it provides guidance and materials for constructing a similar dialogical experience on a particular topic As a resource for comparative theology Power Divine and Human is unique in that it takes up a topic not usually explored in depth in Christian Muslim conversations It is written by scholars for scholars However in tone and structure it is suitable for the non specialist as well Students undergraduate and graduate religious leaders and motivated non specialists will find it readable and useful While it falls solidly in the domain of comparative theology it can also be used in courses on dialogical reading of scripture interreligious relations and political philosophy *Constitution of the American Home Missionary Society* Congregational Home Missionary Society, American Home Missionary Society, 1826 **Protestants Abroad** David

A. Hollinger,2019-06-11 Between the 1890s and the Vietnam era many thousands of American Protestant missionaries were sent to live throughout the non European world They expected to change the people they encountered but those foreign people ended up transforming the missionaries Their experience abroad made many of these missionaries and their children critical of racism imperialism and religious orthodoxy When they returned home they brought new liberal values back to their own society Protestants Abroad reveals the untold story of how these missionary connected individuals left an enduring mark on American public life as writers diplomats academics church officials publishers foundation executives and social activists

Qualified Mia Love,2023-01-17 This memoir from the first Black Republican congresswoman in America shows readers how to own their stories find their voices and lead with character as they empower others to do the same For so long women and Black women in particular have been taught that they must have a stellar background the highest degree of education and the strongest resum imaginable to earn their place in a society historically dominated by white men As a result women have found themselves plagued with anxiety and self doubt and have felt constricted by this limiting belief of qualification by achievement and the necessity of sporting a flawless track record These false assumptions have discouraged women from pursuing positions of power and influence for the betterment of their communities leading to underrepresentation in our institutions and the tragedy of wasted potential But it doesn t have to be this way Mia Love has devoted her entire life to defeating illusive boundaries and redefining the meaning of qualified The daughter of immigrant parents who sacrificed everything to embrace the American Dream Love learned that she had something unique and valuable that she could give back to her country her voice And now she wants to empower others to do the same For years Love faced intense scrutiny and fielded questions regarding her political party affiliation her desire to run for office and her commitment to championing conservative values In Qualified Love explains her answers to these questions by taking readers through her journey from election to her local city council leading as mayor of Saratoga Springs and making history in the U S House of Representatives serving Utah s 4th Congressional District from 2015 2019 Her story showcases how we can stay true to our integrity fearlessly voice our values despite fervent opposition and begin again after every failure and setback
