*Your Looks Matter* ABHAY JAGAT, This book is taking us on a journey to open our windows for a wider vision towards looks Of course beauty lies in the eyes of viewers But still there is a kind of prejudice in eyes of some Yes of course your looks matter to other This is the bitter truth of the society that it is full of such people who judge and criticize you just by your outer looks And if you are not criticized even then anyhow the world makes you feel awkward and uncomfortable if you don't have a good outer appearance Isn't it hmm This book *Your Looks Matter* is not to prove its title as a theory but to show you the reality of the world You may can't change people's mindsets But certainly you can adopt yourself in the actual world to cope with the issue of lookism which has now become one of the serious global social issues Our writers have put too efforts to manifest how much one's outside looks really matter in the rollercoaster of this life Beside this they also have tried to motivate those guys who have lost their sanity due to their imperfect outer appearance
