The Other Side of the Sermon John Rutledge, 2013-04-26 The Other Side of the Sermon arose from years of blindly following a faith that turned out to be inadequate for the challenges and opportunities of the real world One event the death of my wife at forty three and the difficulties that followed opened my eyes and set me to a search for answers And I found them They had been there all along but I had never heard them from a pulpit or in a Sunday school class or read them in any religious publication The answers were practical They were not the touchy feely sweetness and light that give goose bumps to the gullible they were tough workable necessary tools for living Christ the supreme pragmatic did not intend that his followers be fools or fooled Yet I had been both Confronting admitting and reversing that took time Three years of writing exposed my fallacious faith and more than twenty years of practicing those writings have left me with one regret that I could not have read the book instead of writing it We think of religion as a collection of dos and don'ts rules by which we justify our behavior to ourselves to others and perhaps even to God Preachers tell us what we must do and what we must not do And yet Christ told his audiences what they did not have to do and of the discretionary that allowed interpretation Freedom from the have to's and the release to enjoy the whatever you want to's produced a contented guilt free existence in which I could ignore tradition disregard the opinions of others and serve worship and live in freedom I met the practical Christ I had never known If in these pages you meet him too twenty five years will have been well spent

My Encounter with Jesus at Heaven's Gates Santosh (Sandy) Acharjee, 2016-09-08 Have you ever wondered what happens to you twenty five years fifty years or a hundred years from now Where will you be and what will you be doing Is it possible your life doesn't end with your death that you'll live forever Are heaven and hell real Meet a man who stood outside heaven's gates longing to get in and stood before the judgment seat of Christ seeing the flames of hell which shook him to core The Bible says Peoples are destined to die once and after that to face judgement Hebrews 9:27 NIV The book in your hands is a true story of a former Hindu who stood before Jesus awaiting his judgment to enter the beauty of heaven or the flames of hell You'll read more about heaven in Santosh's account and want to be there just as he did Jesus's words to Santosh are words to each of us on how to live with a purpose and how to ultimately enter the kingdom of heaven Heaven is so glorious as described from this first person account and can't be missed Share this book with your family and friends so that we can stand before Jesus as Santosh will next time To him who is able to keep you from stumbling and to present you before his glorious presence without fault and with great

Missional Spirituality Roger Helland, Leonard Hjalmarson, 2012-01-20 If all of the earth is God's domain why are Christians so terribly provincial We rarely leave our church buildings and our spirituality rarely takes us beyond ourselves Veteran church leaders Roger Helland and Leonard Hjalmarson observe that Jesus begins his mission in the temple where he wows the religious elite and chides his parents by saying Didn't you know I had to be in my Father's house But Jesus doesn't stay in the temple indeed in Christ the temple of the Lord is on the move even to the ends of the earth In this book the authors helpfully reconnect spirituality and mission showing you how the spiritual life when lived properly follows a similar progression we come home to Christ loving him from our heart and soul and mind and strength And then we set forth to love our neighbors as ourself Discover how through this process you can reclaim the whole of God's kingdom for his glory and the fulfillment of your heart's longing *The Legacy of Haguesville* Bill O'Dea, 2013-01-04 The Legacy of Haguesville is a satirical look at the rough and tumble world of local government politics and the inner workings of campaigns as seen through a mythical election for a Congressional seat in New Jersey in 2002 It is laced with historical fiction from the late 1960s and early 1970s taken from the exploits of the Hudson County Political Machine an organization that in its heyday rivaled Cook County Chicago as the most ruthless and well oiled political operation in America It is also the story of redemption for a fallen political figure trying to right the wrongs from his past by backing the efforts of Joe Davis a 1 000 to a shot Rocky type candidate who finds the courage to take on the entrenched twelve term Congressman Benjamin Dover who runs Hudson City with an iron fist After stumbling upon an unaddressed environmental hazard and with a bit of divine inspiration the upstart candidate has a puncher's chance to pull off a political upset for the ages His hopes though rest in the hands of a fourteen year old protégé a Bible thumping African American woman from the Projects a radical left wing Councilwoman and an eighty year old mystery man *We Are Spirit* Grayce Dian Comerford, Kenneth J Comerford, 2015-09-28 We Are Spirit is a work of spiritual insight based on conversations between Ken Comerford and his departed wife Grayce Dian who began communicating with him telepathically shortly after she passed away in 2012 Ken stepped outside of his apartment and glanced up at the stars overhead on a clear Colorado evening He spoke to Dian about

this date being their fifty fifth anniversary and told her how much he still loved her and how terribly he missed her Although he had sensed her presence many times since her passing he was surprised when Dian spoke back to him Dian s revelations form the inspiration for this wide ranging philosophical work that discusses why we are here on earth and what lies ahead for each of us in the many lives that we are to share and experience together in the future
