

A photograph of a dirt path leading through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The path is light-colored and leads towards a brighter area in the distance. The overall mood is serene and contemplative.

Love, war, life was a series of
battlefields strung together with
the courage to march forward.

Love War Life:

Love, War, Life Lawrence E. Stringer, 1987-03-01 **War Paint...Battle Cries-Living, Learning, Loving and Ultimately Surviving Life's Little Realities** Yolanda J. Ash, 2014-09-09 War Paint Battle Cries is an honest dissertation on the inevitable little realities of life It is a compilation of short essays exploring the truth and circumstance of many of the experiences we all have in life Author Yolanda J Ash has taken simple words and expounded on them figuratively and theoretically in an attempt to help readers have a deeper understanding and acceptance of the things which happen to us all In this little book she explores love Motherhood religion relationships marijuana men women children and a whole host of other every day topics which affect us all This is not a self help book in as much as it is a book of spiritual and mental exploration **Journey Through Life's War of the Heart** Brittaney Stewart, 2014-09-27 Written on my heart is my history That innocence did not last when I had my first real heartbreak The last I vowed as I discovered older boys and flirting but that didn't help Time changed and life was more complicated but love was always everywhere It has been a story of sweet child's love crushes and beating hearts Those confusing in between's first loves and that one epic love that was almost it My hearts been left with cracks and surface nicks but all the love what really matters is held safe inside **War and Negative Revelation** Michael S. Yandell, 2022-03-21 From the concrete experience of war Michael S Yandell constructs a phenomenology of negative revelation in which false or distorted claims of goodness and justice disintegrate becoming meaningless Yandell argues that the disintegration of meaning in war is itself a meaningful experience revealing comes to signify the presence of goodness and justice through the profound experience of their absence The heart of this work adds a layer of complexity or depth to the term moral injury as a negative revelation Yandell emphasizes the context and logic of war itself beyond the actions of individuals paying specific attention to the U S led Global War on Terror Moral injury as a negative revelation is a disintegration of false normative claims of goodness and justice as well as a disintegration of one's sense of self oriented toward those normative claims This disintegration is prompted by the recognition of life in the midst of war's diminishment of life **Betwixt & Between** Louise Carus Mahdi, Steven Foster, Meredith Little, 1987 Betwixt and Between offers new insights into the basic elements of initiations and rites of passage The absence of these traditional supports creates problems in the lives of those who are caught in the void and lack definite expectations at various times of their lives The chapters on masculine and feminine initiation provide new and creative concepts and practical possibilities for each of us Initiation has been a missing component in the modern world and needs to be re introduced with new understanding and consciousness **The Future Ahead** Wur Deng Lueth, 2022-05-15 The Future Ahead is a book that tells the story of my life journey from a small town to the capital city I left my birthplace at the beginning of the year 1985 when all our belongings were burned down and destroyed That year was the genesis of my life's uncertain journey my parents had to make difficult choices Death as a result of hunger or being killed in the war was more magnificent than life The survival

rate was close to zero since we had no weapons to defend our city The only option for my parents was to send us away the love parents give their children to have a future So my father sent my older brother and I to North Sudan It was not an easy decision but it was safer than staying in the South My journey started with just one decision which has kept me alive till today
