The Delights of Wisdom Pertaining to Conjugal Love Emanuel Swedenborg, 1856      **The Things We Love** Aaron Ahuvia, 2022-07-19 An exciting and engaging investigation of the secret tangled emotional relationships people have with things drawing on cutting edge findings from the fields of psychology neuroscience and marketing Books baseball cards ceramic figurines art iPhones clothing cars music dolls furniture and even nature itself If you're like most people at some point in your life you've found yourself indulging in a love affair with some thing that brings you immense joy comfort or fulfillment Why is it that we so often feel intense passion for objects What does this tendency tell us about ourselves and our society In *The Things We Love* Dr Aaron Ahuvia presents astonishing discoveries that prove we are far less rational than we think when it comes to our possessions and hobbies In fact we have passionate relationships with the things we love and these relationships are driven by influences deep within our culture and our biology Some of our passions are sudden obsessive and fleeting others are devoted and lifelong affairs Some turn dark we become hoarders or would prefer to destroy certain objects rather than let anyone else own them And as technology improves becoming increasingly addictive one wonders might our lives become so dominated by our emotional ties to things that we lose interest in other people Packed with fascinating case studies scientific analysis and takeaways for living in a modern and ever so material world *The Things We Love* offers a truly original and insightful look into our love for inanimate objects and how better understanding these relationships can enrich and improve our lives      Faith, Hope, and Love (Journal Edition) Saint Augustine, 2018-02-06 Thus it is that love is not without hope hope is not without love and neither hope nor love are without faith St Augustine St Augustine's *Faith Hope and Love* is a short insightful treatise on the proper way to worship God In thirty three small chapters that follow 1 Corinthians 13 Augustine's description of true worship covers all the major ideas of the Christian religion Written sometime after AD 420 less than a decade before he died it contains some of his most mature reflections on Christian doctrines Those looking to understand the proper way to worship and those interested in a brief encapsulation of Augustine's teaching should look no further than this classic work Presented in a special journal edition *Faith Hope and Love* encourages readers to record their impressions and prayers      ARCANA CCELESTIA: OR HEAVENLY MYSTERIES CONTAINED IN THE SACRED SCRIPTURES, OR WORD OF THE LORD, MANIFESTED AND LAID OPEN: BEGINNING WITH THE BOOK OF GENESIS INTERSPERSED IN THE WORLD OF SPIRITS AND THE HEAVEN OF ANGELS. A. Long, 2022-10-13 A A Long presents fourteen essays on the themes of selfhood and rationality in ancient Greek philosophy The discussion ranges over seven centuries of innovative thought starting with Heraclitus injunction to listen to the cosmic logos and concluding with Plotinus criticism of those who make embodiment essential to human identity For the Greek philosophers the notion of a rational self was bound up with questions about divinity and happiness called eudaimonia meaning a god favoured life or a life of likeness to the divine While these questions are remote from current thought Long also situates the book s themes in modern discussions of the self and the self s normative relation to other people and the world at large Ideas and behaviour attributed to Socrates and developed by Plato are at the book s centre They are preceded by essays that explore general facets of the soul s rationality Later chapters bring in salient contributions made by Aristotle and Stoic philosophers All but one of these pieces has been previously published in periodicals or conference volumes but the author has revised and updated everything The book is written in a style that makes it accessible to many kinds of reader not only professors and graduate students but also anyone interested in the history of our identity as rational animals *The*
