**The 50 Greatest Love Letters of All Time** David H. Lowenherz,2002 This elegantly designed book is lavishly filled with passionate sexy surprising funny and historically significant love letters selected by one of America s most prestigious autograph dealers 20 photos *The Love Letters* Madeleine L'Engle,1972 *The Whore's Story* Bradford K. Mudge,2000-06-08 This fresh and persuasively argued book examines the origins of pornography in Britain and presents a comprehensive overview of women s role in the evolution of obscene fiction Carefully monitoring the complex interconnections between three related debates that over the masquerade that over the novel and that over prostitution Mudge contextualizes the growing literary need to separate good fiction from bad and argues that that process was of crucial importance to the emergence of a new middle class state Looking closely at sermons medical manuals periodical essays and political tracts as well as poetry novels and literary criticism *The Whore s Story* tracks the shifting politics of pleasure in eighteenth century Britain and charts the rise of

modern pornographic sensibilities      *Breaking the Fall* Robert Detweiler,1995-01-01 The power of his writing reminds us of the relative neglect of modern and post modern literature by most studies which are concerned with the relation ship between literature and religion      *Novel Minds* R. Tierney-Hynes,2015-12-11 Eighteenth century philosophy owes much to the early novel Using the figure of the romance reader this book tells a new story of eighteenth century reading The impressionable mind and mutable identity of the romance reader haunt eighteenth century definitions of the self and the seductions of fiction insist on making an appearance in philosophy      **An Englishwoman's Love-Letters** Laurence Housman,2019-11-20 In *An Englishwoman's Love Letters* Laurence Housman expertly weaves a poignant narrative that captures the complexities of love and desire through a series of fictional correspondences Set against the backdrop of late Victorian England the letters evoke a sense of intimacy and vulnerability reflecting the struggles and societal constraints faced by women of the era Housman's literary style is characterized by lyrical prose and emotional depth making each letter resonate with authenticity and tenderness The book not only explores romantic entanglements but also serves as a commentary on gender roles illuminating the tension between societal expectations and personal yearning Laurence Housman an influential playwright and poet of the early 20th century was deeply aware of the societal limitations placed on women His experiences as a member of the literary elite and his compassionate understanding of women's issues likely inspired him to craft this collection Drawing from his own creative frustrations and social observations Housman deftly channels the voices of women grappling with love's complexity imbuing his work with both empathy and insight For readers seeking a profound exploration of love's multifaceted nature *An Englishwoman's Love Letters* is a compelling choice Housman's ability to transcend time portraying emotions that remain relevant today ensures that this work will resonate with anyone who has experienced the trials and triumphs of love Discover the tender intricacies of human connection through Housman's beautifully rendered letters      **The Lady's Book** ,1839      **The Change of Narrative Modes in Chinese Fiction (1898-1927)** Pingyuan Chen,2022-02-17 This book examines the Chinese fictions xiaoshuo published between 1898 and 1927 three pivotal decades during which China underwent significant social changes It applies Narratology and Sociology of the Novel methods to analyze both the texts themselves and the social cultural factors that triggered the transformation of the narrative mode in Chinese fiction Based on empirical data the author argues that this transformation was not only inspired by translated Western fiction but was also the result of a creative transformation in tradition Chinese literature      **Addressing the Letter** Laura Anne Salsini,2010-01-01 Women writers of nineteenth and twentieth century Italy reinvigorated the modern epistolary novel through their re fashioning of the genre as a tool for examining women's roles and experiences *Addressing the Letter* argues that many epistolary novels purposely tie narrative structure to thematic content creating in the process powerful texts that reflect and challenge literary and socio cultural norms Through the lens of the genre Laura A Salsini considers how the works of authors including the Marchesa Colombi Sibilla Aleramo Gianna

Manzini Natalia Ginzburg and Oriana Fallaci highlight such issues as love the loss of ideals lack of communication and connection and feminist ideology She also analyses what may be the first woman authored Italian example of epistolary fiction Orintia Romagnuoli Sacratì's *Lettere di Giulia Willet* 1818 In their reworking of the epistolary narrative form Italian women writers challenged dominant assumptions about female behaviours roles relationships and sexuality in modern Italy

**Gender and Voice in the French Novel, 1730-1782** Aurora Wolfgang, 2017-03-02 Analyzing four best selling novels by both women and men written in the feminine voice this book traces how the creation of women centered salons and the emergence of a feminine poetic style engendered a new type of literature in eighteenth century France The author argues that writing in a female voice allowed writers of both sexes to break with classical notions of literature and style so that they could create a modern sensibility that appealed to a larger reading public and gave them scope to innovate with style and form Wolfgang brings to light how the female voice in literature came to embody the language of sociability but also allowed writers to explore the domain of inter subjectivity while creating new bonds between writers and the reading public Through examination of Marivaux's *La Vie de Marianne* Graffigny's *Lettres d'une Pruvienne* Riccoboni's *Lettres de Mistriss Fanni Butlerd* and Laclos's *Les Liaisons dangereuses* she shows that in France this modern feminine sensibility turned the least prestigious of literary genres the novel into the most compelling and innovative literary form of the eighteenth century Emphasizing how the narratives analyzed here refashioned the French literary world through their linguistic innovation and expression of new forms of subjectivity this study claims an important role for feminine voice narratives in shaping the field of eighteenth century literature
