guide with questions for personal or group discussion      *St. Francis of America* Patricia Appelbaum, 2015-07-28 How did a thirteenth century Italian friar become one of the best loved saints in America Around the nation today St Francis of Assisi is embraced as the patron saint of animals beneficently presiding over hundreds of Blessing of the Animals services on October 4 St Francis s Catholic feast day Not only Catholics however but Protestants and other Christians Hindus Buddhists Jews and nonreligious Americans commonly name him as one of their favorite spiritual figures Drawing on a dazzling array of art music drama film hymns and prayers Patricia Appelbaum explains what happened to make St Francis so familiar and meaningful to so many Americans Appelbaum traces popular depictions and interpretations of St Francis from the time when non Catholic Americans discovered him in the nineteenth century to the present From poet to activist 1960s hippie to twenty first century messenger to Islam St Francis has been envisioned in ways that might have surprised the saint himself Exploring how each vision of St Francis has been shaped by its own era Appelbaum reveals how St Francis has played a sometimes countercultural but always aspirational role in American culture St Francis s American story also displays the zest with which Americans borrow lend and share elements of their religious lives in everyday practice      **The Franciscan Concept of Mission in the High Middle Ages** Emmett Randolph Daniel, 1975      *Love, Human and Divine* Edward Collins Vacek, 1994-04-01 Although the two great commandments to love God and to love our neighbors as ourselves are central to Christianity few theologians or spiritual writers have undertaken an extensive account of the meaning and forms of these loves Most accounts in fact make love of God and love of self either impossible or immoral Integrating these two commandments Edward Vacek SJ develops an original account of love as the theological foundation for Christian ethics Vacek criticizes common understandings of agape eros and philia examining the arguments of Aquinas Nygren Outka Rahner Scheler and other theologians and philosophers He defines love as an emotional affirmative participation in the beloved s real and ideal goodness and he extends this definition to the love between God and self Vacek proposes that the heart of Christian moral life is loving cooperation with God in a mutually perfecting friendship      Franciscan School of Prayer Christina Mülling, Paul Zahner, 2022-04-27 The Franciscan Prayer School would like to show a path that leads step by step into prayer and that seeks to convey the depth and tradition of Franciscan contemplation in a contemporary way The present texts can be taken as a separate personal prayer school for one week for daily contemplation or simply considered as individual elements and deepened personally In the spirit of St Francis it should become clear that Jesus looks at us speaks to us and touches us As a result the heart of man is transformed and widened      **Life of St. Francis of Assisi** Paul Sabatier, 1894      **Christian Spirituality: Latter developments, pt. 1. From the Renaissance to Jansenism** Pierre Pourrat, 1927      Franciscan Prayer Ilia Delio, 2022-03-08 Masterfully written and intensely enlightening Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way With exquisite execution Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan Through her experience as a

discarded Carmelite nun and then her transformation into Franciscan scholar Sister Delio brings to light the contemplative cosmic and evangelizing aspects of Franciscan prayer. Everyone says Delio seems to know about Francis: his life, his miracles, his devotion to evangelization and his dedication to living a simple and humble life. Yet few know about his prayer life, which seemed over the centuries to get lost in the paper shuffle between theologians, followers, and historical biographers. It is through Clare of Assisi that Delio asserts that we have insights into the Franciscan path of prayer. Clare provides the road map of prayer for evangelical life; she was able to do this because she lived under monastic rule while ardently desiring evangelical life. Through Clare's letters and actions, we find the rudiments of Franciscan prayer: Gaze, Consider, Contemplate, Imitate. Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition.
