## **Lovers And Losers Of The Last Century:**

*Modern Fantasies on Love versus Classical Romances* Ljuba Tarvi, 2023-07-14 Viewed through the lens of physics love conquers nothing is the conclusion reached when love patterns in romances are viewed through laws of quantum physics In this book based on the metaphor Love Text is Energy love in fiction is interpreted in the same way as subatomic particles are studied in quantum mechanics by investigating traces of their clashes in giant colliders i e as Marx s converted forms of the protagonists conscious and unconscious decisions and actions The book introduces the Token Valence Method which assumes that a word like an elementary particle is neither a particle nor a wave but rather a quantum state The TVM has revealed three models of love patterns in fiction adaptation 21st century alienation 20th century and imagination 1991 2021

*Love in America* Lawrence R. Samuel, 2019-11-22 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American s expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature *Century Readings*

*for a Course in American Literature* Fred Lewis Pattee, 1926 Alec Wilder Philip Lambert, 2013-03-01 The music of Alec Wilder 1907 1980 blends several American musical traditions such as jazz and the American popular song with classical European forms and techniques Stylish and accessible Wilder s musical oeuvre ranged from sonatas suites concertos operas ballets and art songs to woodwind quintets brass quintets jazz suites and hundreds of popular songs In this biography and critical investigation of Wilder s music Philip Lambert chronicles Wilder s early work as a part time student at the Eastman School of Music his ascent through the ranks of the commercial recording industry in New York City in the 1930s and 1940s his turn toward concert music from the 1950s onward and his devotion late in his life to the study of American popular songs of the first half of the twentieth century The book discusses some of his best known music such as the revolutionary octets and songs such as I ll Be Around While We re Young and Blackberry Winter and explains the unique blend of cultivated and vernacular traditions in his singular musical language **The Amorous Heart** Marilyn Yalom, 2018-01-09 An eminent

scholar unearths the captivating history of the two lobed heart symbol from scripture and tapestry to T shirts and text messages shedding light on how we have expressed love since antiquity The symmetrical exuberant heart is everywhere it gives shape to candy pendants the frothy milk on top of a cappuccino and much else How can we explain the ubiquity of what might be the most recognizable symbol in the world In *The Amorous Heart* Marilyn Yalom tracks the heart metaphor and heart iconography across two thousand years through Christian theology pagan love poetry medieval painting Shakespearean drama Enlightenment science and into the present She argues that the symbol reveals a tension between love as romantic and sexual on the one hand and as religious and spiritual on the other Ultimately the heart symbol is a guide to the

astonishing variety of human affections from the erotic to the chaste and from the unrequited to the conjugal **Love, Zac** Reid Forgrave, 2020-09-08 Love Zac is not just a vital contribution to the national conversation about traumatic brain injury in athletes it's so beautifully written it belongs on the shelf alongside classic works of literary journalism Jeanne Marie Laskas New York Times bestselling author of Concussion In December 2015 Zac Easter a twenty four year old from small town Iowa decided to take his own life rather than continue his losing battle against traumatic brain injuries he had sustained as a high school football player and which led him to develop chronic traumatic encephalopathy CTE For this deeply reported and powerfully moving true story award winning writer Reid Forgrave was given access to Zac's own diaries and was able to speak with Zac's family friends and coaches He explores Zac's tight knit football obsessed Midwestern community he interviews leading brain scientists psychologists and sports historians he takes a deep dive into the triumphs and sins of the sports entertainment industry and he shows us the fallout from the traditional notions of manhood that football instills For parents wondering about whether to allow their kids to play football for players former players and fans for anyone concerned about concussions and sports this eye opening heart wrenching and ultimately inspiring story may be one of the most important books they will read **The Psychology of Love** Michele A. Paludi, 2012-03-09 From arranged marriages to online dating this four volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world The field of biology views love as a hard wired mammalian drive akin to thirst and hunger In contrast psychology views love from a social and cultural perspective where our drive to find love and our responses to it are highly dependent on societal norms In The Psychology of Love esteemed author and educator Michele A Paludi examines love through all lenses thereby providing readers a deeper understanding of the ways we can express caring sensitivity empathy and respect toward one another Each chapter in this comprehensive four volume work includes a scholarly overview of empirical research and theories about the psychology of love In addition individuals own definitions of love are included Special attention is paid to accepted standards of love across a variety of cultures the ways individuals express liking and love across the lifecycle and patterns in dissolutions of friendships and romantic relationships making note of gender and race differences **Sex, Love, and Friendship** Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad

range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond
