Translation Robin D. Gill,2009 Even readers with no particular interest in Japan if such odd souls exist may expect unexpected pleasure from this book if English metaphysical poetry grooks hyperlogical nonsense verse outrageous epigrams the im possibilities and process of translation between exotic tongues the reason of puns and rhyme outlandish metaphor extreme hyperbole and whatnot tickle their fancy Read together with The Woman Without a Hole also by Robin D Gill the hitherto overlooked ulterior side of art poetry in Japan may now be thoroughly explored by monolinguals though bilinguals and students of Japanese will be happy to know all the original Japanese is included amazon com **Doctor Glas** Hjalmar

Soderberg,2009-10-07 A masterpiece of enduring power Doctor Glas confronts a chilling moral quandary with gripping intensity With an introduction by Margaret Atwood Stark brooding and enormously controversial when first published in 1905 this astonishing novel juxtaposes impressions of fin de si cle Stockholm against the psychological landscape of a man besieged by obsession Lonely and introspective Doctor Glas has long felt an instinctive hostility toward the odious local minister So when the minister s beautiful wife complains of her husband s oppressive sexual attentions Doctor Glas finds himself contemplating murder Imagine the classic nineteenth century drama featuring a tyrannical older man his hapless daughter or young wife and her caddish suitor as in Balzac s Eug nie Grandet and Henry James s Washington Square this time conjured up by a sensibility akin to Strindberg s and Ingmar Bergman s and you begin to have an idea of the force and candor of this searing masterwork of Nothern European literature The retrieval of Doctor Glas in English is a bracing gift to hungry readers Susan Sontag **Short Stories, Poems and Quotes** Joyce H.
