Lovers Of Their Time And Other Stories:

Lovers of Their Time and Other Stories William Trevor, 1979 **William Trevor (Routledge Revivals)** Gregory A Schirmer, 2014-10-10 William Trevor is a master of contemporary fiction. He writes with equal authority about the frustrations of life in remote corners of Ireland and the hollowness of life in prosperous London suburbs. An Anglo-Irishman, Trevor is admired on both sides of the Atlantic and both sides of the Irish Sea. In *William Trevor: A Study of His Fiction*, first published in 1990, Gregory Schirmer analyses Trevor's novels such as *A Standard of Behaviour* and *Fools of Fortune* and short stories in detail. He argues that Trevor's writing is important both in terms of its mastery of fictional techniques and of the profoundly moral vision that informs it. His view of twentieth-century men and women is subtle and complex, generated by the tension between a humanistic faith in compassion and connection and an opposing, more realistic assessment of contemporary society as alienated and disconnected.

Ancient Lineage and Other Stories Morley Callaghan,2012-10-30 A new selection of stories by Canada s Hemingway with an afterword by Pulitzer Prize winner William Kennedy Morley Callaghan s literary circle included Hemingway Fitzgerald and Joyce In a career spanning more than six decades he published sixteen novels and more than one hundred works of short fiction Bringing together more than twenty five stories

from five different collections Ancient Lineage and Other Stories confirms Callaghan's pre eminent status THE KREUTZER SONATA AND OTHER STORIES ,2017-04-23 On comparing with the original Russian some English translations of Count Tolstoi's works published both in this country and in England I concluded that they were far from being accurate The majority of them were retranslations from the French and I found that the respective transitions through which they had passed tended to obliterate many of the beauties of the Russian language and of the peculiar characteristics of Russian life A satisfactory translation can be made only by one who understands the language and SPIRIT of the Russian people As Tolstoi's writings contain so many idioms it is not an easy task to render them into intelligible English and the one who successfully accomplishes this must be a native of Russia commanding the English and Russian languages with equal fluency The story of Ivan the Fool portrays Tolstoi's communistic ideas involving the abolition of military forces middlemen despotism and money Instead of these he would establish on earth a kingdom in which each and every person would become a worker and producer The author describes the various struggles through which three brothers passed beset as they were by devils large and small until they reached the ideal state of existence which he believes to be the only happy one attainable in this world On reading this little story one is surprised that the Russian censor passed it as it is devoted to a narration of ideas quite at variance with the present policy of the government of that country **The Kreutzer Sonata and Other Stories** Leo graf Tolstoy,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Young Fisherman, and Other Stories ... from the existential angst of societal conflict to the profound simplicity of moral choices. Key themes include the struggle between personal conscience and societal expectations, all conveyed through Tolstoy's hallmark realism and psychological depth set against the backdrop of 19th-century Russian culture. The collection represents Tolstoy's ongoing exploration of ethics and spirituality, reflecting his belief in the transformative power of compassion and understanding. Leo Tolstoy, one of the seminal figures in literature, was influenced by his own experiences during the tumult of the Russian Empire as well as his eventual turn towards pacifism and belief in universal brotherhood. His philosophical inquiries into the nature of good and evil and the consequences of human actions were shaped by his tumultuous life, including his experiences as a soldier and landowner, leading him to pursue a more profound understanding of humanity through literature. This collection is essential for readers interested in exploring the depths of the human condition through eloquent prose and poignant moral dilemmas. Tolstoy's stories offer a timeless critique of society and an invitation for self-reflection, making *The Invaders and Other Stories* a must-read for those who seek to comprehend the complexities of life and the enduring quest for ethical living.
