Lovers Killers Husbands Wives:

Lovers, Killers, Husbands, and Wives Martin Blinder, 1985 **LOVERS, KILLERS, HUSBANDS AND WIVES** MARTIN BLINDER M.D, 1985 *Lovers, Killers, Husbands, Wives* Martin Blinder, 1985-12 Recounts the cases of individuals who have murdered spouses loved ones or perfect strangers and tries to differentiate between crimes of passion and psychopathic murders *Lovers, Killers, Husbands and Wives* , 1985 **Night Stalker** Clifford L. Linedecker, 1991-04-15 The definitive account of a sadistic serial killer whose murderous rampage across California was fueled by cocaine and Satanism From April of 1984 to August of 1985 Richard Ramirez entered the homes of families from El Paso to San Francisco He raped mutilated and tortured his unfortunate victims in one of the most vicious crime sprees in California history This is the horrifying account of his bloody journey of the strange coincidence that led to his arrest and of the sensational trial where the Night Stalker s eerie sexual magnetism resulted in women actually demonstrating for his acquittal **Field Guide to the Spirit World** Susan B. Martinez, 2019-03-26 A comprehensive examination of the many ways the spirit world affects our minds and the material plane Provides a detailed guide to the Afterlife and its inhabitants Reveals the spirit influence behind many mental disorders as well as psi abilities and creative genius Includes checklists of symptoms of spirit overshadowing methods from the world s top exorcists and instructions on how to free unwanted spirits from the material plane We are spirits housed in a body and just as houses can be haunted so can people When the living succumb to dissociative states of consciousness they become a magnet for lost but clinging spirits Known as jinn dybbuk daemon wuqabi or simply the undead they hover unseen on the earth plane ready to inhabit the most suitable body available Documenting the life of wandering spirits and their impact on vulnerable human targets Susan Martinez offers a radical departure from the standard psychological explanations for a host of pathological behaviors including multiple personality autism epilepsy migraines obsessive compulsive disorder depression schizophrenia anxiety PTSD self destructive urges and strange outbursts and reveals that hallucinations are often true impressions of spirit input Martinez explains how mental health comes down to the delicate balance between self control and spirit control When trauma triggers an escape response the soul takes flight leaving the mind susceptible to possession by discarnate entities However the spirit world can also bestow gifts upon those whose psyches are open such as in the case of mediums shamans people who communicate with angels and many of the world s creative geniuses Martinez presents overshadowing by spirits as a universal cross cultural phenomenon documenting modern and traditional accounts as well as corroborating indigenous beliefs She examines soul decay soul travel both before and after death as well as how knowledge of the spirit world can offer positive treatments for disorders like schizophrenia and autism Providing a detailed guide to the spirit world and its inhabitants the author offers checklists of symptoms of overshadowing methods from the world s top exorcists and instructions on how to free spirits so they can continue their journey into the beyond all the tools necessary to forearm us against soul snatchers and other enemies of the Light The

Rise of True Crime Jean Murley, 2008-08-30 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder It was more sensitive to context gave more psychologically sophisticated accounts and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before This turned out to be the start of a revolution and after a century of escalating accounts we have now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers The Rise of True Crime examines the various genres of true crime using the most popular and well known examples And despite its examination of some of the potentially negative effects of the genre it is written for people who read and enjoy true crime and wish to learn more about it With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s books documentaries and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events And in the 1980s and 1990s true crime taught pop culture consumers about forensics profiling and highly technical aspects of criminology We have thus now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality and through the perpetuation of the stranger danger idea the true crime aesthetic has both responded to and fostered our culture's fears True crime is also the site of a dramatic confrontation with the concept of evil and one of the few places in American public discourse where moral terms are used without any irony and notions and definitions of evil are presented without ambiguity When seen within its historical context true crime emerges as a vibrant and meaningful strand of popular culture one that is unfortunately devalued as lurid and meaningless pulp

Missing or Murdered in Missouri: Unsolved and

Solved Cases Barbara Kemm-Highton, 2011-08-11 Like most other states Missouri has a growing list of cold cases Three women vanish from a home in Springfield in 1992 on high school graduation night A young woman is abducted in Ava and murdered after mowing a church cemetery A 9 year old disappears and her body is found in 1975 A nurse and her children are killed in their home in a quiet new subdivision and two mothers have vanished without a trace An elderly woman who has been featured on the album cover of a popular band is murdered in her Aldrich home Just as solved cold cases have become popularized in a variety of television documentaries Missouri cases are also becoming closed DNA has been the smoking gun in one 25 year old homicide and has sent a prominent businessman to prison People are talking and in the case of a 15 year old murdered in 1982 there have been convictions Surveillance tapes and cell phones have been added to the arsenal of evidence Files are being revised and the media is featuring their stories again These are some of the victims cases and their families who press on and the organizations detectives and experts who support them

Killers, Crooks and Cons Reg McKay, 2007-05-19 KILLERS CROOKS AND CONS chronicles the astonishing crimes that horrified 20th century Scotland Taking each decade in turn Reg McKay tells the true tales of the crimes that shook the nation often the world And these

crimes will shock you still From serial killers to armed mobsters and poisoners to cops who killed KILLERS CROOKS AND CONS takes you from Glasgow to Edinburgh Aberdeen to Dundee and from the Highlands to the Borders As well as well known cases like the world s first serial killer Peter Manuel who was hanged for the murder of seven people wealthy landowner Max Garvie whose kinky parties led to his murder and the strange case of the death of SNP activist Willie McRae Reg McKay tells the story of many of Scotland s less well known but equally fascinating cases including a police showdown with armed members of the IRA the murder of a wealthy socialite and a committed Christian who went to extraordinary lengths to cover up his part in the brutal murder of his wife KILLERS CROOKS AND CONS is Scotland s very own criminal record from a century of shame

social issues **Saving Beauty from the Beast** Vicki Crompton, Ellen Zelda Kessner, 2007-09-03 Dating violence affects a huge number of teenage girls one in three girls between the ages of ten and eighteen reports having been assaulted by a boyfriend and can run the gamut from possessiveness to stalking to outright physical abuse Often it is the girls with the highest self-esteem those who believe they are in control of their lives and can bring out the best in their boyfriends who find themselves in the grip of a relationship in which the tables have been turned This essential and timely book incorporates the insights and advice of experts in the fields of education adolescent psychology criminal justice threat assessment and sociology Authors Crompton and Kessner also include the voices of teenagers and parents to provide an in depth portrait of the dynamics of controlling behavior **The Konkomba of Northern Ghana** David Tait, 2018-09-03 Originally published in 1964 this book made available for the first time David Tait's writings on the Konkomba with whom he lived and worked for 5 years Including some previously unpublished material this volume discusses the political system of the Konkomba but includes aspects of social and religious life **Women Serial and Mass Murderers** Kerry Segrave, 2013-04-16 It is at 31 4 years of age that the average woman multiple murderer kills the first of her 17 victims whom she usually knows or is related to The preferred method is poison usually arsenic She is more likely to prey on the vulnerable the very young or the very old than is her male counterpart Her killing spree lasts five years when caught she shows little remorse This study of 85 women focuses on those who have killed at least three people not including themselves in murder suicide cases Though the work is international emphasis is on the United States during the late 19th and 20th centuries Excluded are accomplices who though legally guilty of multiple murders were in fact passive participants The life of each killer is examined as well as descriptions of the murders the methods and the trial **An Early Grave** Gary C. King, 2011-04-01 On September 17 1998 police found Las Vegas gambling magnate Ted Binion lying dead on the floor of his palatial home an empty box of Xanax beside him The police had been called by Binion's live-in lover Sandra Murphy 23 a California girl who had been working in a Vegas strip club when Binion had first met her At first it seemed it was a fatal drug overdose that killed the handsome multi-millionaire But was it A few days later Binion's friend Rick Tabish was arrested for trying to break into a vault where the eccentric millionaire had stored seven million dollars worth of silver bars and coins Family members hired ex-homicide detective turned private investigator Tom Dillard to start digging into the case Dillard turned over the evidence he collected to Las Vegas police What they found led to Binion's death being ruled a homicide and Murphy and Tabish's arrest for murder The state said they were greedy lovers who'd conspired to kill Binion before they could strike Murphy out of his will while the defense claimed that his vengeful family was trying to railroad Murphy to keep her from inheriting her fair share of the estate The two sides collided in court amid lurid charges and countercharges of physical abuse drug use and illicit passion in what became the Southwest's Murder Trial of the Century **The Murderer Next Door** David M. Buss, 2006-04-25 As acclaimed psychological researcher and author David Buss writes People are mesmerized by murder It commands our

attention like no other human phenomenon and those touched by its ugly tendrils never forget Though we may like to believe that murderers are pathological misfits and hardened criminals the vast majority of murders are committed by people who until the day they kill would seem to be perfectly normal David Buss's pioneering work has made major national news in the past and this provocative book is sure to generate a storm of attention The Murderer Next Door is a riveting look into the dark underworld of the human psyche an astonishing exploration of when and why we kill and what might push any one of us over the edge A leader in the innovative field of evolutionary psychology Buss conducted an unprecedented set of studies investigating the underlying motives and circumstances of murders from the bizarre outlier cases of serial killers to those of the friendly next door neighbor who one day kills his wife Reporting on findings that are often startling and counterintuitive the younger woman involved in a love triangle is at a high risk of being killed he puts forth a bold new general theory of homicide arguing that the human psyche has evolved specialized adaptations whose function is to kill Taking readers through the surprising twists and turns of the evolutionary logic of murder he explains exactly when each of us is most at risk both of being murdered and of becoming a murderer His findings about the high risk situations alone will be news making Featuring gripping storytelling about specific murder cases including a never used FBI file of more than 400 000 murders and a highly detailed study of 400 murders conducted by Buss in collaboration with a forensic psychiatrist and a pioneering investigation of homicidal fantasies in which Buss found that 91 percent of men and 84 percent of women have had at least one such vivid fantasy The Murderer Next Door will be necessary reading for those who have been fascinated by books on profiling lovers of true crime and murder mysteries as well as readers intrigued by the inner workings of the human mind
