Lovers in Essence Sharon Krishek, 2022 Romantic love is a defining phenomenon in human existence and an object of heightened interest for literature art popular culture and psychology But what is romantic love and why is it typically experienced as so significant to our existence Using central ideas from the philosophy of Søren Kierkegaard as well as engaging with contemporary discussions in the philosophy of love this book explores the nature of romantic love and philosophically substantiates its meaningfulness to an individual's life It does so by developing a connection between love and selfhood here explained in terms of one's distinct individuality To be a self it is claimed is to possess a name that is an individual essence Further the book argues it is when we love that we regard people by their names we respond to who they truly are Accordingly the idea anchoring the book is that love is a correspondence between essences if Jane loves Edward she responds to him being who he is by virtue of her being who she is The conception of being thus correspondent has important implications as to the moral and spiritual value of romantic love Relying on Kierkegaard's analysis of the self of faith and of love even if sometimes in a

way that departs from Kierkegaard's explicit position the book explores these implications. By doing this it construes romantic love as a desirable phenomenon emotionally, morally, and spiritually.

Questions on Love and Charity Thomas Aquinas, 2016-04-26 A fresh translation of quaestiones from the Summa theologiae of Thomas Aquinas edited by Robert Miner. This volume provides direct access to the medieval theologian's deepest thinking about the supreme goal of human life, blessedness, and the virtue most intimately related to this goal, charity. The edition also contains Aquinas's treatment of charity's effects, love, joy, peace, and mercy, and the vices opposed to them, such as hatred, envy, and war. Featuring five supplementary essays by noted Aquinas scholars, the volume will enable readers to engage more thoroughly with the thought of Thomas Aquinas.

Chambers's papers for the people Chambers W. and R., Ltd., 1851 **Chambers's Papers for the People**, 1851 Chambers's Papers for the People William Chambers, 1854 **Chaucer's Queer Poetics** Susan Schibanoff, 2006-01-01

Geoffrey Chaucer was arguably fourteenth-century England's greatest poet. In the nineteenth century, readers of Chaucer's early dream poems, the *Book of the Duchess*, *House of Fame*, and *Parliament of Fowles*, began to detect a tripartite model of his artistic development: from a French to an Italian and finally to an English phase. They fleshed out this model with the liberation narrative, the inspiring story of how Chaucer escaped the emasculating French house of bondage to become the generative father of English poetry. Although this division has now largely been dismissed, both the tripartite model and the accompanying liberation narrative persist in Chaucer criticism. In *Chaucer's Queer Poetics*, Susan Schibanoff interrogates why the tripartite model remains so tenacious even when literary history does not support it. Revealing deeply rooted Francophobic, homophobic, and nationalistic biases, Schibanoff examines the development paradigm and demonstrates that liberated Chaucer depends on antiquated readings of key source texts for the dream trilogy. This study challenges the long-held view that Chaucer fled the prison of effete French court verse to become the natural English father poet and charts a new model of Chaucerian poetic development that discovers the emergence of a queer aesthetic in his work.

Dangerous Love Michelle Howard, Zanica would do anything to escape her sadistic leader. Even if it meant fleeing the only home she knew and mating with a total stranger. The problem? Fate dropped her into the path of one of the most ruthless males in the land, with a reputation as dark and deadly as his eyes. Pazir Catharte hadn't planned on mating when he left that morning for the final hunt of the season. Stumbling upon a beautiful female at the edge of his territory changed everything. He was the new leader of an unruly lot, and problems had plagued him from the start. Then the female leaped into his arms and bit him. What else was he supposed to do?

The Love of David and Jonathan James E. Harding, 2016-04-08 Were David and Jonathan gay lovers? This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative. Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship. Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its

possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

Lamentations, Song of Songs Wilma Bailey, Christina Bucher, 2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community's response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God's will

Theo-Logic Hans Urs Von Balthasar, 2013-07-31 Theo Logic is the third and crowning part of the great trilogy of the masterwork of theologian Hans Urs von Balthasar following his first two parts The Glory of the Lord and Theo Drama Theo Logic is a variation of theology it being about not so much what man says about God but what God speaks about Himself Balthasar does not address the truth about God until he first reflects on the beauty of God Glory of the Lord Then he follows with his reflections on the great drama of our salvation and the goodness and mercy of the God who saves us Theo Drama Now in this work he is ready to reflect on the truth that God reveals about Himself which is not something abstract or theoretical but rather the concrete and mysterious richness of God's being as a personal and loving God

Lovers Question Introduction

In today's digital age, the availability of Lovers Question books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lovers Question books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lovers Question books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Lovers Question versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lovers Question books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lovers Question books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lovers Question books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lovers Question books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lovers Question books and manuals for download and embark on your journey of knowledge?
