Sexual and Spiritual Reawakening is a simple guide to help you live a more fulfilling meaningful and joyful existence. We are all sexual beings. We are all spiritual beings. When we allow our heart to feel love and our body to feel pleasure we are sexual. Connecting to our spiritual nature and spiritual potential brings us an accepting appreciation of life. Knowing our spiritual essence provides emotional strength and calmness in the face of stormy life issues, problems and concerns. The goal of this book is to bring you out of yourself and into the joy of connection with others and with all that exists. *Negotiating Sexual Idioms*, 2008-01-01 *Negotiating Sexual Idioms* Image Text Performance affords new theoretical approaches and insights into the complexity of sexual discourse pervading contemporary cultures, exploring sexuality's role in dominant conceptualisations of self and society in patterns of political belonging and exclusion and in societal transformations. Opening with a substantial critical introduction, this collection of twelve essays and creative pieces contributes to significant current debates regarding sexual rights and their violation, queer theory and identity politics, sexual fantasy formations and strategies of pleasure and the celebration of sexual diversity. Topics explored through a variety of disciplinary frameworks including gender and film studies, religious philosophy, neo-Victorian and postcolonial literature, sociology, pornography and performance art. The volume positions the subjects of sex and sexuality as crucial to our ethical understanding of the human both in individual and communal terms, exploring how claims for sexual subjectivity and citizenship are formulated and the entitlements they entail. The analytical insights offered signal important new directions for critical engagement with the socio-political construction of sexuality and its strategic deployment within the cultural imaginary. Designed to appeal equally to scholars, students and general readers, *Negotiating Sexual Idioms* will prove essential reading for those interested in multi-disciplinary approaches to reading sex and sexuality within inter-cultural contexts from the early modern period to the present day. **The Bond of**

Love: Catholic Teaching on Marriage & Sexual Ethics Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage, family life and human sexuality have undergone profound changes since the mid-twentieth century, spurred by a host of social and cultural factors. Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church. Indeed, Catholic teaching on the truth of marriage and human sexuality is open to strong criticism, including among groups of Catholics, and seems at best poorly understood. In *The Bond of Love*, Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the

Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity. As he demonstrates, far from being a set of arbitrary rules that constrain human freedom, this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel. Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society. He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology. Next discussed is the virtue of chastity, the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons. The volume concludes by addressing practices and circumstances that violate the essence of marriage. This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors, teachers, and all of the Church's faithful striving to live in the love and communion that is grounded in Christ.

That Famous Fig Leaf Chad W. Thompson, 2019-10-29 Nothing that God created is the source of our human temptation To the contrary The human body is the crown of God s creation consummated by his declaration that it was good That God s people are unable to view the body without sinning is not an indictment of the body itself but of the immaturity of the post modern evangelical mind We live in a culture whose inhabitants spend billions of dollars a year to see each other naked on internet sites and in pornographic films yet are often uncomfortable changing in front of each other in locker rooms or even being seen in a swimsuit on the beach Could it be that we have so profoundly fused the image of the exposed body with sexual gratification that there is no context left for it to be laid bare without evoking either shame or arousal In That Famous Fig Leaf Chad Thompson explores the spiritual implications of the physical body and surprisingly uncovers a new kind of freedom from sexual addiction along the way Chad critiques the Christian purity movement for conflating purity with prudery and reveals that changing how we esteem our bodies has the power to heal the hypersexualized body consciousness of our culture

The Erotic Word : Sexuality, Spirituality, and the Bible NY David M. Carr Professor of Old Testament Union Theological Seminary, 2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God's image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life
