Loves Gentle Season:

The Culture of Love in China and Europe Paolo Santangelo, Gábor Boros, 2020-01-13 In *The Culture of Love in China and Europe* Paolo Santangelo and Gábor Boros offer a survey of the cults of love developed in the history of ideas and literary production in China and Europe between the 12th and early 19th century. They describe parallel evolutions within the two cultures and how innovatively these independent civilisations developed their own categories and myths to explain exalt but also control the emotions of love and their behavioural expressions. The analyses contain rich materials for comparison point out the universal and specific elements in each culture and hint at differences and resemblances without ignoring the

Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *The Gentleman's Magazine*, 1877

Bonevento, 2014-07-10 The *Signs and Seasons of Love* is a collection of verses inspired by a love that has flourished for more than half a century. The story begins when the author F. M. Bonevento is six and he meets Mary Ann who is seven. Over the years they continue as friends sharing common interests until one summer day in 1961 they discover that they have fallen in love. Their romance and long marriage is a treasure of shared joys. The idea of the collection of verses started years ago as a unique gift for Mary Ann and it grew into this book full of verses that will touch your heart and bring you a glimpse of the joy of romance. Verse, unlike narrative prose, uses images painted with words to express the feelings that dwell deep within the human heart. From the endearing poem *The Perfect Kiss* to the passion of *Fire*, the emotions are personal and heartfelt. The *Signs and Seasons of Love* Verses to paint images of love.
