world But ever since the day it was stolen from him all Tirak s wanted from life is to enjoy a quiet corner of his people s island surrounded by family But when his adopted sister gets beaten up and exiled from the city they grew up in Tirak finds himself dragged along on a quest to beg their Maker for redemption that might just decide the fate of their island They hold opposing powers of fire and ice but the two siblings will have to learn to work together and become something more if they want to succeed An ancient darkness is coming to strangle them all and only Tirak and Kaleek stand in its way The Island s fate is in their hands as they miscommunicate their way through a bungled Hero s Journey Kaleek keeps talking about going out in a blaze of glory but all Tirak knows is he will do everything he can to not lose his last remaining connection to family
