Schelling, 2017-04-11 For thousands of years India has excelled at erotic love poetry and the genius of its devotional poetry often harnesses great energy and mystical insight It is in fact often hard to tell whether the poets are offering poems of spiritual longing using the garment of love poetry or writing erotic poems in the guise of devotion Perhaps in a country where erotic sculpture routinely ornaments its many temples and the gods are known for their explosive sexuality this question has little meaning to these remarkable writers In their devotional traditions eroticism and mysticism seem inseparable This wonderful selection spans 2 500 years and includes work originally sung or recited by their well known bards Kabir Mirabai Lal Ded Vidyapati and Tagore There are also poems from the Upanishad from ancient Sanskrit poetry and Punjab folk lyrics The poets have largely emerged from the ranks of the dispossessed leather workers refuse collectors maidservants women orphans Their vision is of a democratic society in which all voices count much like American gospel and blues Shaker songs or the grand vision of Walt Whitman Often they faced persecution for speaking candidly or daring to speak of spiritual matters at all The notes include profiles of these legendary lives Several of these poets simply vanished absorbed into a deity or disappeared in a flash of purple lightening A few produced miracles most of them have clouds of mystery around them Andrew Schelling has drawn on the work of 24 other translators including Ezra Pound Robert Bly W S Merwin Jane Hirschfield and Denise Levertov to build what will be the finest anthology of India's erotic and spiritual poetry for the general reader ever assembled *Love in the Time of Flowers* William Penn, 2009-07-06 YOUR SACRED PLANTS OR FLOWERS IF PLANTED ONLY HERE BELOW ONLY AMONG THE PLANTS OR FLOWERS HERE BELOW WILL GROW THE GARDEN

ANDREW MARVELL **The Way of Passion** Andrew Harvey, 2013-07-23 A modern mystic and religious scholar presents a stunning collection of Rumi poems and reveals how the Sufi poet's words can guide us through spiritual and ecological crisis The minds of two mystics intermingle in a work of inspired vision and clarity Jalalud Din Rumi enlightened spiritualist poet of Sufism has been venerated by Moslems everywhere since his death in 1273 No other poet in history not even Shakespeare or Dante has made so exalted and comprehensive an impact on his own civilization In the latter part of the 20th century he has become for people of every race and creed the poet of the new mystical Renaissance that is slowly but surely coming to its flowering No one has done more than Andrew Harvey to spread popular awareness of Rumi's message Himself a charismatic mystic he has spent the last 20 years of his life in search of the essential truths that could transform the spiritual barrenness

at the heart of modern Western civilization In his books *Love's Fire* and *Speaking Flame* he has re-created Rumi's poems with a brilliance that speaks eloquently to us today *The Way of Passion* draws on the poems to present a guide to the contemporary spiritual and ecological crisis Each chapter Harvey tells us is a dance a dance of mirrors in which essential spiritual themes return to be reflected in different constellations and harmonies a dance around Rumi and that mystery of Love he lived and expressed so completely Inspired by Rumi's voice and by his own startling ability to see into the innermost heart of life Harvey urges us to change to have faith and to act through Love to transform this time of Apocalypse into the time of Resurrection The passion of his words shines from the pages with an intensity that can embrace and inspire us all

Domesticity and Design in American Women's Lives and Literature Caroline Hellman, 2011-06-07 Domesticity and Design in American Women's Lives and Literature explores the ways in which four American women writers from the mid nineteenth to the early twentieth century inhabited domestic space and portrayed it in their work Hellman explores independent female authors who had intriguing and autonomous relationships with home relocating frequently either to begin the creative processes of designing and decorating anew or to avoid domestic obligation altogether by remaining in transit She also looks at how women authors wrote female characters into existence who had strikingly different relationships with home and contended with profound burdens of housekeeping in an oppressive domestic sphere The disjunction between the authors individual existences and the characters to whom they gave life reveals multiple narratives about women at home in nineteenth and twentieth century America This interdisciplinary inquiry undertakes a dual treatment of domesticity in an effort to synthesize a more complete understanding of the relationships between social history and literary accomplishment Syncretising domestic literature with domestic practice Hellman appraises the ways in which the authors appropriate domestic rhetoric to address issues of political import economy health and social welfare in the case of Stowe material feminism for Alcott the landscape for Cather and World War I for Wharton

Wordsworth's Monastic Inheritance Jessica Fay, 2018-04-27 This is the first extended study of Wordsworth's complex subtle and often conflicted engagement with the material and cultural legacies of monasticism It reveals that a set of topographical antiquarian and ecclesiastical sources consulted by Wordsworth between 1806 and 1822 provided extensive details of the routines structures landscapes and architecture of the medieval monastic system In addition to offering a new way of thinking about religious dimensions of Wordsworth's work and his views on Roman Catholicism the book offers original insights into a range of important issues in his poetry and prose including the historical resonances of the landscape local attachment and memorialization gardening and cultivation Quakerism and silence solitude and community pastoral retreat and national identity Wordsworth's interest in monastic history helps explain significant stylistic developments in his writing In this often neglected phase of his career Wordsworth undertakes a series of generic experiments in order to craft poems capable of reformulating and refining taste he adapts popular narrative forms and challenges pastoral conventions creating difficult austere poetry that he hopes will encourage contemplation and subdue readers appetites for exciting narrative action This book thus argues for the significance and innovative qualities of some of

Wordsworth's most marginalized writings. It grants poems such as *The White Doe of Rylstone*, *The Excursion*, and *Ecclesiastical Sketches* the centrality Wordsworth believed they deserved and reveals how Wordsworth's engagement with the monastic history of his local region inflected his radical strategies for the creation of taste. *Reading the Abrahamic Faiths* Emma Mason, 2014-12-18 Rethinking religion and literature in a series of chapters by leading international scholars. *Reading the Abrahamic Faiths* opens up a dialogue between Jewish, Christian, Islamic, and Post-Secular literary cultures. Literary studies has absorbed religion as another interdisciplinary mode of inquiry without always attending to its multifaceted potential to question ideologically neutral readings of culture, belief, emotion, politics, and inequality. In response, *Reading the Abrahamic Faiths* contributes to a reevaluation of the nexus between religion and literature that is socially, affectively, and materially determined in its sensitivity to the expression of belief. Each section—Judaism, Christianity, Islam, and Post-Secularism—is introduced by a specialist in these respective areas to introduce the critical readings of the texts and discourses that follow.

A Detailed Explication of T. S. Eliot's *The Love Song of J. Alfred Prufrock* Harry Eiss, 2022-03-22 Do I dare disturb the universe? This is a question recognized by people around the world. If typed into the internet, hundreds of examples appear. Many know that it comes from one of the best-known poems of the previous century: T. S. Eliot's *The Love Song of J. Alfred Prufrock*. What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark poetry as this and *The Waste Land*, becoming a sincere, devoted Christian. While his poetry is famous because it expresses the loss of a spiritual center in European civilization, a careful reading of it reveals that he was struggling with his Christianity from the beginning, not rejecting it but trying to make it fit into the contemporary world. If the reader works through Eliot's love song for all of the esoteric meanings as he demands it, quickly becomes evident that he intended it as a struggle between agape, amour, and eros. Beginning it with a quote from Dante forces that into place. Though the Protestant forms of Christianity have changed their views on these, the Roman Catholic holds fast. Eliot references Michelangelo in the poem, bringing in the great painter of the ceiling of the Sistine Chapel. Most immediately recognize his name and work but do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit. Both of them admired Dante's *Divine Comedy* and its inclusion of amour as a means to salvation. Dante's work is generally seen as the greatest literature ever to come out of Italy. This book is an expanded revision of *Seeking God in the Works of T. S. Eliot and Michelangelo*. It explores how T. S. Eliot struggled with the highest meanings of existence in his poetry and his own life and perhaps managed to express what has become known as a modernist and post-modernist view of what Rudolph Otto designated the *mysterium tremendum*, the experience of a mystical awe, the experience of God.
