Loving Home Caring For African American Marriage And Families:

A Loving Home Lee H. Butler, 2000 **The Bloomsbury Guide to Pastoral Care** Bernadette Flanagan, Sharon Thornton, 2014-03-27 One stop reference work for clergy pastoral workers and all those in caring professions for whom healing and spiritual growth in the midst of daily life challenges is important **African American Pastoral Care** Edward P. Wimberly, 2010-10-01 Respond to God's unfolding drama to bring healing and reconciliation In this major revision of his classic book Dr Edward Wimberly updates his narrative methodology by examining current issues in African American pastoral care and counseling Faith, Health, and Healing in African American Life Stephanie Y. Mitchem, Emilie M. Townes, 2008-08-30 Black Americans are more likely than Whites to die of cancer and heart disease more likely to get diabetes and asthma and less likely to get preventive care and screening Some of this greater morbidity results from education income level and environment as well as access to health care But the traditional medical model does not always allow for a more holistic approach that takes into account the body the mind the spirit the family and the community This book offers a better understanding of the varieties of religiously based approaches to healing and alternative models of healing and health found in Black communities in the United States Contributors address the communal aspects of faith and health and explore the contexts in which individuals make choices about their health the roles that institutions play in shaping these decisions and the practices individuals engage in seeking better health or coping with the health they have By paying attention to the role of faith spirit and health this book offers a fuller sense of the varieties of ways Black health and health care are perceived and addressed from an inter religious perspective Community and religion based initiatives have emerged as one key way to address the health challenges found in the African American community In cities such as Atlanta Baltimore Dallas and Oakland residents organize exercise groups teach one another how to cook with healthy ingredients and encourage neighbors to get regular checkups Churches have become key sites for health education screening and testing Another set of responses to the challenge of Black health and healthcare in the United States comes from those who emphasize the body as a whole body mind soul and spirit often drawing on religious traditions such as Islam and African based religions such as Spiritism Santeria Vodun aka Voodoo Candomblé and others Understanding the issues and the various approaches is essential to combating the problems and this unique volume sheds light on areas often overlooked when considering the issues **Loving the Body** D. Hopkins, 2004-12-09 In this book contributors argue that the Black Church must begin to address the significance of sexuality if it is to actually present liberation as a mode of existence that fully appreciates the body The contributors argue that we not only have to look at the Black Church in this discussion but also explore black Christianity in general Is There a Heaven for a "G"? Danielle J. Buhuro, 2017-01-30 The moment the pager rings all hell breaks loose Across the pager appears the words Code Yellow ER Gun Shot Wound A chaplain at a Level I trauma center can dread these words These words mean it's gonna be a long night These words mean somebody is probably

fighting for their life right now How does a hospital chaplain provide pastoral care to gang member patients What are the systemic factors that contribute to gang violence How does the American culture contribute to gang violence What is the church called to be and do Where is the hope These are just some of the questions that this fast paced energetic book tackles ultimately leaving one to theologically grapple with the question Is There A Heaven For A G or Gangster Buckle up and get ready for this adrenaline ride One thing is for certain after engaging this book readers won't view gang violence in the same way ever again

Basic Types of Pastoral Care & Counseling Howard Clinebell, 2011-08-01 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This third edition is enlarged and revised with updated resources methods exercises and illustrations from actual counseling sessions This book will help readers be sensitive to cultural diversity ethical issues and power dynamics as they practice holistic growth oriented pastoral care and counseling in the parish

Prophet from the South Prince Dibeela, Puleng Lenka-Bula, Vuyani Vellem, 2014-08-01 Allan Boesak was one of the foremost leaders in the struggle against apartheid His role in the church in South Africa internationally and in the United Democratic Front contributed significantly to the demise of apartheid He championed the rights of the oppressed and became the representative voice of the poor and disadvantaged Allan is a gifted preacher teacher theologian writer and an orator blessed with poetic tendencies and a flourishing vocabulary He has the natural ability to inspire motivate and stimulate critical and analytical thinking and responses where globalisation threatens to be a new form of colonisation He has eloquently championed the cause of economic justice justice for the earth gender justice and the struggle against homophobia in the church His voice is a voice we urgently need to hear again in this era

Albert Cleage Jr. and the Black Madonna and Child Jawanza Eric Clark, 2016-09-14 In this collection black religious scholars and pastors whose expertise range from theology ethics and the psychology of religion to preaching religious aesthetics and religious education discuss the legacy of Albert B Cleage Jr and the idea of the Black Madonna and child Easter Sunday 2017 will mark the fifty year anniversary of Albert B Cleage Jr's unveiling of a mural of the Black Madonna and child in his church in Detroit Michigan This unveiling symbolized a radical theological departure and disruption The mural helped symbolically launch Black Christian Nationalism and influenced the Black Power movement in the United States But fifty years later what has been the lasting impact of this act of theological innovation What is the legacy of Cleage's emphasis on the literal blackness of Jesus How has the idea of a Black Madonna and child informed notions of black womanhood motherhood LGBTQ communities How has Cleage's theology influenced Christian education Africana pastoral theology and the Black Arts Movement The contributors to this work discuss answers to these and many more questions

Human Development and Faith (Second Edition) Felicity B. Kelcourse, 2015-07-28 This book now in its second edition brings together the best available understandings of human development from a multidisciplinary perspective Uniquely inclusive of the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family

community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface

Adam, Eve, and the Genome Susan Brooks Thistlethwaite, Explores the ethical issues posed by genetic engineering Living Stones in the Household of God Linda Elaine Thomas, 2004 A full generation has passed since black theology burst onto the American religious scene ignited by the powerful work of James H Cone Now an illustrious group of theologians takes the measure of black theology's legacy and explores the radically new context ecclesial social global and interreligious that is setting the black theological agenda for tomorrow

Transforming Wisdom Felicity Kelcourse, K. Brynolf Lyon, 2015-10-09 Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented

Gender, Violence, and Justice Pamela Cooper-White, 2019-03-20 Gender Violence and Justice is a volume of collected essays by an expert in the field of violence against women and pastoral theology It represents over three decades of research advocacy and pastoral theological reflection on the subject of sexual and domestic violence Topics include intimate partner violence sexual abuse and trauma and clergy sexual misconduct controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families church and society Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice these essays show an evolution of issues and frameworks for theology care and activism

arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice

Korean Women and God Hee An Choi, 2005 Korean women are nurtured in a culture dominated by patriarchy and often understand God within this context another form of authority that is easily displeased and quick to judge Although it is rare to find pastoral ministry programs sensitive to women's needs the author shows how such programs would transform women's lives by introducing them to a God to love and understanding and empowering them to help transform society

Black Theology--Essays on Global Perspectives Dwight N. Hopkins, 2017-06-15 Since its start in 1966 black liberation theology in the United States has continually engaged international developments with Africa and the entire world But after Nelson Mandela was released from prison in February 1990 there has been an almost twenty year break in books on black theology and international affairs *Black Theology Essays on Global Perspectives* bridges that post 1990 gap and makes a vital contact with Africa again This book conceptualizes black theology to take on the global reconfigurations and opportunities brought about by the rapidly shrinking earth of fast paced worldwide contacts In other words in the specificity of the genealogy of black theology we need to reforge ties with Africa This claim is based on tradition And in the generality of the larger worldwide intertwining of technologies and economics we need a new type of black theological leadership for the twenty first century This claim is based on today's international challenges The essays in this book draw on tradition and point forward in the midst of today's worldwide challenges and favorable possibilities given the closeness of all nations and the varieties of cultures

A Postcolonial Self Hee An Choi, 2015-08-04 A theologically informed look at the postcolonial self that forms as Korean immigrants confront life in the United States Theologian Choi Hee An explores how Korean immigrants create a new postcolonial identity in response to life in the United States *A Postcolonial Self* begins with a discussion of a Korean ethnic self Woori or we and how it differs from Western norms Choi then looks at the independent self the theological debates over this concept and the impact of racism sexism classism and postcolonialism on the formation of this self She concludes with a look at how Korean immigrants especially immigrant women cope with the transition to US culture including prejudice and discrimination and the role the Korean immigrant church plays in this Choi posits that an emergent postcolonial self can be characterized as I and We with Others In Korean immigrant theology and church an extension of this can be characterized as radical hospitality a concept that challenges both immigrants and American society to consider a new mutuality

A Postcolonial Leadership Choi Hee An, 2020-01-01 Explores the possibilities and challenges of Asian immigrant Christian leadership in the United States In *A Postcolonial Leadership* Choi Hee An explores the interwoven relationship between Asian immigrant leadership in general and Asian immigrant Christian leadership in the United States Using several current leadership theories she analyzes the current landscape of US leadership and explores how Asian immigrant leaders including Christian leaders exercise leadership and confront challenges within this context Drawing upon postcolonial theory and its

analysis of power Choi examines the multilayered dynamics of the Asian immigrant community and Christian congregations in their postcolonial contexts and offers a new liberative interpretation of colonized history and culture in order to propose postcolonial leadership as a new leadership model for Asian immigrant leaders This book includes a wide variety of historical contemporary and cross cultural understanding of leadership theories in particular it provides a unique understanding of the challenges and possibilities of Asian American leadership in immigrant communities and churches Anyone interested in the topic will appreciate the depth and breadth that this work provides Sangyil Sam Park author of Korean Preaching Han and Narrative **The African American Pulpit** ,2000 **The Modern Theologians** David F. Ford,2013-09-23 This popular text has been updated to ensure that it continues to provide a current and comprehensive overview of the main Christian theologies of the twentieth and twenty first centuries Each chapter is written by a leading theologian and gives a clear picture of a particular movement topic or individual New and updated treatments of topics covered in earlier editions with over half the chapters new to this edition or revised by new authors New section singling out six classic theologians of the twentieth century Expanded treatment of the natural sciences gender Roman Catholic theology since Vatican II and African Asian and Evangelical theologies Completely new chapters on spirituality pastoral theology philosophical theology postcolonial biblical interpretation Pentecostal theology Islam and Christian theology Buddhism and Christian theology and theology and film As in previous editions the text opens with a full introduction to modern theology Epilogue discussing the present situation and prospects of Christian theology in the twenty first century
