**Grief and Romantic Relationship Dissolution** Shawn Blue,2017-10-18 In Grief and Romantic Relationship Dissolution Shawn Blue explores the

grief and loss associated with divorce and romantic breakups Using a model of love and attachment theory Blue sets a foundation for how connection leads to loss when an attachment relationship is ended and analyzes the various consequences of grief as the result of dissolution on the individual She devotes special attention to the role of technology on romantic relationship development and makes speculations of the grief that is experienced by relationships created online when they end Finally she utilizes and applies case material to illustrate the grief process and incorporates the influence of media in the understanding of loss related to the ending of attachment relationships This book is recommended for scholars in psychology communication studies and media studies     The Prudence of Love Eric J. Silverman,2009-12-02

The Prudence of Love How Possessing the Virtue of Love Benefits the Lover focuses upon the intersection of philosophical theological and psychological issues concerning love Eric Silverman advocates an account of the virtue of love derived from Thomas Aquinas s account of charity and makes three claims concerning love s effect on a person s happiness First he argues that there are at least five distinct ways that possessing the virtue of love contributes to the lover s happiness Surprisingly only one of these benefits is primarily relational while the other benefits are largely psychological Second Silverman argues that the combination of love s benefits typically increases the lover s overall level of happiness Finally he argues that possessing a loving disposition is a more reliable strategy for increasing one s overall happiness than possessing an unloving disposition Throughout The Prudence of Love Silverman demonstrates that love s benefits are identifiable according to all four major views of happiness
