Loyalty To The Kingdom Of Christ Christian Responsibility In Politics And Society:

Loyalty to the Kingdom of Christ Sven Pearl Johanson, 2004 The strength of this book lies in the fact that Johanson concretely discusses issues involving conflict of loyalty facing Christians today in society and in politics ThirdWay, 1984-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *Brethren Society* Carl F. Bowman, Carl Desportes Bowman, 1995-03 In the first book ever written on the subject Carl Bowman examines how and why members of the Church of the Brethren historically known as Dunkers after their method of baptism were assimilated faster and earlier than their Amish Mennonite or even Hutterite cousins Christian Thought in America Daniel Ott, Hannah Schell, 2015-07-01 Christian Thought in America A Brief History is a short accessible overview of the history of Christian thought in America from the Puritans and other colonials to the beginning of the twenty first century Moving chronologically each chapter addresses a historical segment focusing on key movements and figures and tracing general trends and developments The book conveys a sense of the liveliness and creativity of the ongoing theological debates Each chapter concludes with a short bibliography of recent scholarship for further reading *A Church Wide Enough for Everyone* Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God *A Church Wide Enough for Everyone* follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century *A Church Wide Enough for Everyone* and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible *The Cambridge Review*, 1899 The American Friend, 1923 **The Ideal of Kingship in the Writings of Charles Williams, C.S. Lewis and J.R.R. Tolkien** Christopher Scarf, 2013-06-27 In his distinctive work Christopher Scarf explores the writings of the three most prominent Oxford Inklings Charles Williams 1886 1945 C S Lewis 1898 1963 and J R R Tolkien 1892 1973 to reveal and contrast their conceptions of the ideal of kingship divine human and mythological As practising Christians the faith of all three writers was central to their literary and personal visions of kingship society love beauty justice and power Scarf investigates their belief in God as Creator and heavenly King opinions on the nature of His very being and the way in which all believed the Creator to

be unique rather than one among many The relationship between the earthly and heavenly King is considered as well as the extent to which the writers contend that earthly kings are God's viceregents act with His authority and are duty bound to establish and sustain just and joyous societies Examining the writings of all three men in detail Scarf also highlights the covert evidence of their lives and personalities which may be discovered in their texts An understanding of the authors individual but overlapping views of the essential meaning of Kingship and their personalities and early lives will enrich the reader's appreciation of their created worlds This volume provides a unique focus on Kingship and the Christian beliefs of three well loved writers and will be of interest to any reader seeking a fuller understanding of the individuals and their works

The Western Christian Advocate, 1897 Christian Theology for a Secular Society Mark G. McKim, 2008-01-01 It's hard to be the only one That single sentence from a teenage congregant sums up the conviction that motivated Christian Theology for a Secular Society In these dying days of Christendom the reality that most Western Christians face is living out their faith as a minority in the midst of a culture that is at every level personal institutional and societal secular in nature While most living in Western societies still affirm belief in God and often other vaguely recognizable Christian beliefs these affirmations frequently have little to do with how daily life is lived The idea that the God best known to us in Jesus Christ is actually in charge of life is foreign For most Christianity simply does not form an overarching system of meaning that shapes life Instead life is lived largely without reference to God And to live any other way is often hard In this volume Mark McKim sets out to do theology in this context How does one explain the core historic Christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing What does it mean to be the church in this new situation Throughout McKim asks the question so what as he relates Christian teachings to a secular society and to what is actually happening in the local church McKim's goal is to enable the singing of the Lord's song in the new and strange land of a secular society *Religious Telescope*, 1901 The Making of the 1963 Baptist Faith and Message A. J. Smith, 2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re-evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups

who influenced the outcome of the Committee's work. Of special note are the contributions made by Wayne Ward Leo Garrett, the religion faculty of Mercer University and the theology faculty of Southern Seminary. Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines: 1. Scripture, 2. Man, 3. Salvation, 4. The Church. Chapter 8 is the conclusion. Four appendices contain early drafts of the Committee's work: **Presbyterian Survey**, 1926; The Watchman-examiner, 1924; **The Epworth Herald**, 1896; **Faithful Politics**. Miranda Zapor Cruz, 2024-08-20. Christians who share similar faith convictions can arrive at different political conclusions. In this nonpartisan overview, Miranda Zapor Cruz shares ten theological approaches Christians throughout history have used to navigate political participation, helping us form a vision of faithful citizenship in an increasingly polarized society. **Missionary Review of the World**, 1894; **The Missionary Review**, 1894; The Missionary Review of the World, 1894; The Religious Herald, 1923.
