Laine,2020-11-19 This book examines the enduring significance of borders in Southern Africa covering encounters between people ideas and matter and the new spatialities and transformations they generate in their historical social economic and cultural contexts Situated within debates on borders borderlands sub and regional integration this volume examines local grassroots and non state actors and their cross border economic and sociocultural encounters and contestations Particular attention is also paid on the role they play in the Southern African Development Community SADC region and its integration project in its multiplicity The interdisciplinary chapters address the diverse human activities relating to cross border economic and sociocultural encounters and contestations that are manifested through multiform and scalar interactions between or among grassroots actors involving engagements between grassroots actors and the state or its agencies and or to the broader arrangements that bear consequences of the first two upon regional integration By bringing these different at times contrasting forms of interaction under a holistic analysis this volume devises novel ways to understand the persistence and role of borders and their relation to new transnational and transcultural integrative phenomena at various levels extending from the nation state and the political to the cultural and social at the everyday level

of border practices Scholars and students of African studies geography economics politics sociology and border studies will find this book useful *Subnationalism in Africa* Joshua Forrest,2004 This examination of the politics of ethnicity and nation building in Africa stresses the trend towards subnationalist autonomy and away from a singular state centric system based on the Western model Forrest ranges across the continent to explore a variety of subnational movements **Ethnic Groups in Conflict, Updated Edition With a New Preface** Donald L. Horowitz,2001-04-09 Drawing material from dozens of divided societies Donald L Horowitz constructs his theory of ethnic conflict relating ethnic affiliations to kinship and intergroup relations to the fear of domination A groundbreaking work when it was published in 1985 the book remains an original and powerfully argued comparative analysis of one of the most important forces in the contemporary world *African Art and Agency in the Workshop* Sidney Littlefield Kasfir,Till Förster,2013 The role of the workshop in the creation of African art is the subject of this revelatory book In the group setting of the workshop innovation and imitation collide artists share ideas and techniques and creative expression flourishes *African Art and Agency in the Workshop* examines the variety of workshops from those which are politically driven or tourist oriented to those based on historical patronage or allied to current artistic trends Fifteen lively essays explore the impact of the workshop on the production of artists such as Zimbabwean stone sculptors master potters from Cameroon wood carvers from Nigeria and others from across the continent

**Secessionism in African Politics** Lotje de Vries,Pierre Englebert,Mareike Schomerus,2018-08-20 Secessionism perseveres as a complex political phenomenon in Africa yet often a more in depth analysis is overshadowed by the aspirational simplicity of pursuing a new state Using historical and contemporary approaches this edited volume offers the most exhaustive collection of empirical studies of African secessionism to date The respected expert contributors put salient and lesser known cases into comparative perspective covering Biafra Katanga Eritrea and South Sudan alongside Barotseland Cabinda and the Comoros among others Suggesting that African secessionism can be understood through the categories of aspiration grievance performance and disenchantment the book s analytical framework promises to be a building block for future studies of the topic *Encyclopedia of African History 3-Volume Set* KEVIN SHILLINGTON.,2005

*Democracy in Zambia* Owen Sichone,Bornwell C. Chikulo,1996 **Readings in African Politics** Tom Young,2003 Table of contents **The Creation of Tribalism in Southern Africa** Leroy Vail,1991-01-07 Despite a quarter century of nation building most African states are still driven by ethnic particularism commonly known as tribalism The stubborn persistence of tribal ideologies despite the profound changes associated with modernization has puzzled scholars and African leaders alike The bloody hostilities between the tribally oriented Zulu Inkhata movement and supporters of the African National Congress are but the most recent example of tribalism s tenacity The studies in this volume offer a new historical model for the growth and endurance of such ideologies in southern Africa

The Top Books of the Year Lozi Zambia The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Lozi Zambia : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
