Army. Airborne Division, 101st, 1992 [Death in the A Shau Valley](#) Larry Chambers, 2018-03-13 Featuring a new introduction by the author about his return to Vietnam his reflections on the war and his humanitarian work in Cambodia The enemy had a single purpose kill me and my teammates Larry Chambers was still new to Vietnam in early 1969 when the LRRPs of the 101st Airborne Division became L Company 75th Rangers But his unit s mission stayed the same act as the eyes and ears of the 101st deep in the dreaded A Shau Valley where the NVA ruled Relentless thick fog frequently made fighter bombers useless in the A Shau and the enemy had furnished the nearby mountaintops with anti-aircraft machine guns to protect the massive trail network that snaked through it So outgunned outmanned and unsupported the teams of L Company executed hundreds of courageous missions Now in this powerful personal record Larry Chambers recaptures the experience of the war s most brutal on the job training where the slightest noise or smallest error could bring sudden and certain death

materiel leadership and personnel In doing so the author makes a strong case for continuing the LRS capability in the Army's force structure The variety of environments and enemies likely to be faced by the military in the GWOT continues to demand the unique human intelligence abilities of trained and organized LRS units As the Army leads the Armed Forces of the United States in combating terrorists where they live the lessons found in this survey remain timely and relevant Recondo Larry Chambers,2010-11-10 For firefights in the swamps ambushes in the jungle or just facing the enemy dead on Recondo trained LRRPs to win They will never be able to duplicate the 5th Special Forces Recondo School and the training that gave its grads something they desperately needed the skills to survive Long Range Patrol missions in the jungle that NVA considered its own Vietnam veteran Larry Chambers vividly describes the grit and courage it took to pass the tough volunteer only training program in Nha Trang and the harrowing graduation mission to scout out locate and out guerrilla the NVA Here is an unforgettable account that follows Chambers and the Rangers every step of the way from joining going through Recondo and finally leading his own team on white knuckle missions through the deadly jungles of Vietnam I made this book mandatory reading for my Rangers We went from the worst platoon in the regiment to the best platoon in six months In training we'd get to the objective so fast they had to hold us back U S Army Master Sergeant H Max Mullen Ret 75th Ranger Regiment

**US Army Rangers & LRRP Units 1942-87** Gordon L. Rottman,2012-09-20 Ranger the very word conjures up visions of small highly trained units executing lightning fast raids on an unexpecting enemy It is also synonymous with high esprit de corps and excellence at arms The US Army Rangers provide units of well disciplined soldiers who possess the knowledge and courage to operate on their own deep behind enemy lines Gordon L Rottman explores the history of these unique troops starting with the original Rogers Rangers company of 1756 whose daring operations and deep penetrations of enemy held country laid down the pattern for all subsequent Ranger units to follow Eyes Behind the Lines James F. Gebhardt,2005

**Inside the LRRPs** Col. Michael Lee Lanning,2011-07-20 Vietnam was a different kind of war calling for a different kind of soldier The LRRPs Long Range Reconnaissance Patrols were that new breed of fighting man They operated in six man teams deep within enemy territory and were the eyes and ears of the units they served This is their story of perseverance under extreme hardship and uncommon bravery and how they carried out the war's most hazardous missions *The Hill Fights* Edward F. Murphy,2004-04-27 While the seventy seven day siege of Khe Sanh in early 1968 remains one of the most highly publicized clashes of the Vietnam War scant attention has been paid to the first battle of Khe Sanh also known as the Hill Fights Although this harrowing combat in the spring of 1967 provided a grisly preview of the carnage to come at Khe Sanh few are aware of the significance of the battles or even their existence For more than thirty years virtually the only people who knew about the Hill Fights were the Marines who fought them Now for the first time the full story has been pieced together by acclaimed Vietnam War historian Edward F Murphy whose definitive analysis admirably fills this significant gap in Vietnam War literature Based on first hand interviews and documentary research Murphy's deeply

informed narrative history is the only complete account of the battles their origins and their aftermath The Marines at the isolated Khe Sanh Combat Base were tasked with monitoring the strategically vital Ho Chi Minh trail as it wound through the jungles in nearby Laos Dominated by high hills on all sides the combat base had to be screened on foot by the Marine infantrymen while crack battle hardened NVA units roamed at will through the high grass and set up elaborate defenses on steep sun baked overlooks Murphy traces the bitter account of the U S Marines at Khe Sanh from the outset in 1966 revealing misguided decisions and strategies from above and capturing the chain of hill battles in stark detail But the Marines themselves supply the real grist of the story it is their recollections that vividly re create the atmosphere of desperation bravery and relentless horror that characterized their combat Often outnumbered and outgunned by a hidden enemy and with buddies lying dead or wounded beside them these brave young Americans fought on The story of the Marines at Khe Sanh in early 1967 is a microcosm of the Corps s entire Vietnam War and goes a long way toward explaining why their casualties in Vietnam exceeded on a Marine in combat basis even the tremendous losses the Leathernecks sustained during their ferocious Pacific island battles of World War II The Hill Fights is a damning indictment of those responsible for the lives of these heroic Marines Ultimately the high command failed them their tactics failed them and their rifles failed them Only the Marines themselves did not fail Under fire trapped in a hell of sudden death meted out by unseen enemies they fought impossible odds with awesome courage and uncommon valor Historical Occurrences of the Lrrp/Rangers of the 1st Cavalry Division During the Vietnam War John LeBrun,Bill Carpenter,2019-12-09 Many books have been written about the Vietnam War Most of them are just overviews of events and often focus on the political aspect of the conflict Rarely is an individual under the rank of general mentioned except for a paragraph or two about individuals who earned the Medal of Honor Some books have been written by individuals who actually saw combat They often name people who engaged the enemy These are people whose boots were not spit shined and uniform did not have starched creases This book contains stories by and about the men who served in one company the 1st Cavalry Division s LRRP Rangers Company in the Vietnam War **Blood Warriors** Col. Michael Lee Lanning,2007-12-18 Rangers Green Berets SEALs Delta Force LRRPs Force Recon and the struggle of the best and the bravest to keep America free They re some of the toughest and most highly trained fighting men in the world going where no ordinary soldier would go and doing what no ordinary soldier would dare Outnumbered and outgunned operating in small teams of five or six deep in enemy territory far from help they rely on their wits their skills and each other to get out alive Blood Warriors is a penetrating no holds barred account of the training missions and history of the military elites who mold America s most dangerous and highly skilled warriors from the navy s SEALs and the Marine Corps Force Reconnaissance to the U S Army s Delta Force Rangers and Special Forces Here s an in depth look at each unit s methods and standards what s required and what it takes to survive and succeed Whether gathering intelligence capturing prisoners executing raids and ambushes or just creating havoc in enemy territory these men know that

death is their constant companion and one small misstep could mean body bags for everyone Maybe that's why America calls them heroes

**Mekong First Light** Joseph W. Callaway, Jr., 2007-12-18 Before we got to Vietnam the troops all thought you would be the first lieutenant killed and in the end you were the only one left We were all wrong You were the best Sgt Lonnie Tallman Caldwell December 1966 Platoon leader Lt Joseph Callaway had just turned twenty three when he arrived in Vietnam to lead forty two untested men into battle against some of the toughest most experienced and best trained guerrilla soldiers in the world Callaway soon learned that most events in this savage jungle war were beyond his control But there was one thing he could do well take the best damn care of his troops he knew how In the Viet Cong infested provinces around the Mekong Delta where the platoon was assigned the enemy was always ready to attack at the first sign of weakness And when the jungle suddenly erupted in the chaos of battle the platoon leader was the Cong's first target Mekong First Light is at times horrific heartrending and heroic but is always brutally honest Callaway's account chronicles a soldier's painful realization of the true nature of America's war in Vietnam It was a war that could not be won

**Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Stanton, 2011-07-06 Shelby Stanton has emerged as the leading military historian on the war in Southeast Asia COL CHARLES B MacDONALD Author of COMPANY COMMANDER and A TIME FOR TRUMPETS One of the toughest and most challenging jobs in Vietnam was to be a U S Army Ranger running Long Range Reconnaissance Patrols The LRRPs took volunteers only and training was designed to weed out all but the best What emerged was an elite outfit of warriors in the finest sense of the word Now Shelby Stanton renowned military authority on the war in Southeast Asia presents the first and only definitive history of the LRRPs and the U S Army Rangers in Vietnam They're all here the Screaming Eagle Patrollers Cochise Raiders Charlie Rangers Cobra Lightning Patrollers and more
