Programme of the Theosophical Society British Union-catalogue of Periodicals James Douglas Stewart,1968 **The**
Masks of Lucifer David Morris,1992 This book examines ufology and belief in extra terrestrials as a cultural phenomenon
 The author examines how 19th century occultism particularly theosophy has been revitalized under the guise of scientific
 speculation and captured the popular imagination Unexplained or mysterious phenomenon such as UFOs alien visitors crop
 circles and the evidence for the astronaut gods theory are habitually interpreted by those who claim to have witnessed them
 in scientific terms a fact that the author believes can be explained partly by tensions and anxieties within society caused by
 political social and technological change **Pantheistic Theosophy is irreconcilable with Roman Catholicism** Helena
 Petrovna Blavatsky,2020-11-13 Part 1 Abbe Roca s ecclesiastical views upon the Esotericism of Christian Dogma Part 2
 Madame Blavatsky refutes the Word made flesh of the Catholic Church Christian texts are allegories to the archaic mysteries
 of the Cycle of Initiation and keys to the once universal mystery language When esoterically interpreted they reveal their
 fundamental identify with the same Universal Truths By imposing the dogma of the Word made flesh the Latin Church is
 diametrically opposed to the tenets of Eastern Occultism thus maintaining an abyss between East and West as long as neither
 yields an inch Today s Christians are the usurpers of a name they no longer understand By denying the Divine Logos to any
 other man except Jesus of Nazareth the Churches carnalised the Christos of the Gnostics and that alone prevents them
 having any point in common with the disciples of the Archaic Wisdom The Church of Rome was Gnostic just as much as the
 Marcionites were until the middle of the second century Further evidence that Rome has wandered farthest from the real
 religion of the mystical Christ is that it adopted the solar tonsure proper to the Egyptian priests of the public temples and to
 the lamas and bonzes of the popular Buddhist cult No sacrificial victim can be united with Christ triumphant before passing
 through the stage of the suffering Christ who was put to death on the cross of his passions It is the light of the glorious Christ
 Spirit that directs the modern Theosophical movement The Astronomical Christ can have only one anniversary of birth and
 resurrection in years because his parents are the Sun and the Moon the heavenly bodies that accompany the Man crucified in
 Space Paul had been converted not to the Jesus of Nazareth but to the Christos of the Gnostics In his Epistles he has been
 made to fulminate against the heretics Peter James and the other Apostles The sacred fire which Prometheus stole from the
 gods is the flame of self consciousness the spark that quickened the human mind The supposed theft of the sexual flame is
 the outcome of evolution of which the Darwinian theory is but the rough exterior husk on the material plane Since men had
 discovered the secret of physical creation and were procreating in their turn what was the use of god creators The true
 Christ is the glorious Ego triumphant over the flesh We solemnly reject the dogma of Ascension which degrades the great
 mystery of Universal Unity Mysteries were invented by those who are bent on exercising power in order to manipulate the
 ignorant by arrogating the prerogative of gods Did you know that the mysteries of the Catholic Church are those of the
 Brahmanas though under other names Part 3 Abbe Roca counter responds to Madame Blavatsky s observations Part 4

Madame Blavatsky debunks Abbe Roca's mistaken notions concerning her observations. The Abb has consigned the theological Christ to the background and has not breathed a word about the esoteric Christos. Moreover, he bears me a grudge for having displayed what he pleases to call such erudition. He deceives himself in fancying he understands Buddhism, but he does not know it even exoterically any more than Hinduism, even in its popular form. Theosophy is neither Buddhism, Christianity, Judaism, Mohammedanism, Hinduism, nor any other ism; it is the esoteric synthesis of the world's religions, philosophies, and sciences. Abb Roca has fabricated for himself a Christianity of his own. Our Masters are far too great to bedizen themselves with the peacock's feathers of infallibility. The puff of wind which knocks down a house of cards may easily pass for a heavy squall in the eyes of the architect who built it, but if the Abb lays the blame on the puff rather than on the weakness of his edifice, this is certainly not my fault. The homage he renders to the wisdom of our Masters instead of intoxicating me by its heady fumes, as he alleges it made me feel an even deeper mistrust of his motives. A divine Christ has never existed under a human form outside the imagination of blasphemers who have carnalised a universal and wholly impersonal principle. The Man God of the Christians was never a historical person. He is a deified personification of the glorified type of the great Hierophants of the Temples, and his story as told in the New Testament is a mere allegory, assuredly containing profound esoteric truths, but still an allegory. Matthew's strait is the gate, and narrow is the way, applies neither to the Abb nor to his faith. In his Church, the way and the gate to heaven become wider in proportion to the sums paid by the faithful. The Churches which style themselves Christian are nothing but whitened sepulchres filled with the dead bones of esoteric paganism and moral putrefaction. It is infinitely more difficult, more meritorious, and more godlike to live for the love of whether man or an ideal than to die for it. We have thus shown to the Abb what we Occultists know, as opposed to what some Fathers of the Church believed they knew. Not only he deceives himself, he is hopelessly optimistic. Though I amply elaborated upon the real Christ, i.e. the impersonal pre-Christian Logos, Abb Roca keeps reverting back to the ecclesiastical and dogmatic Christ of his Church.

Part 5: Abbe Roca's final response annotated by Madame Blavatsky. Part 6: Fearless Roca was finally defrocked for coquetting too openly with Theosophy. Alas! His glorious dream of a reconciliation between Pantheistic Theosophy and a Socialistic Latin Church under a Caesaro-Papal head came to an abrupt end.
