## **Lucinella A Novel:**

**Lucinella** Lore Segal, 2012-11-06 Intelligence turns me on Lore Segal's tour de force look at the New York literary scene was a hit when it was first released in the 1970s winning the praise of the literary elite John Gardner called it magical William Gass said it was witty elegant beautiful Stanley Elkin called it a shamelessly wonderful novel so flawless one feels civilized reading it It's been a cult classic ever since and appears here in its full original text as fresh as ever the story of the whimsical New York poet Lucinella and her adventures among the literati It starts at Yaddo writers colony where life is idyllic meals are served to you in your rooms and cocktails are ready at day's end and still the writers complain and compete Then it moves back to New York City where the pampered once again face reality and wonder Will a different husband or the right publisher or the perfect filing system put life in order Lucinella and her circle feel lacking and keep looking busily going to parties and watching one another's lives closely for signs of happiness love and despair Segal depicts it all with a perfect blend of love and malice And at the center is Lucinella herself so full of humanity and frailty that these divertissements do her to death Here as Cynthia Ozick says is the enchanted microcosm the laughter of mortality The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kertész it showcases work never before published in others books are reprised that should never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series The Art of the Novella each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners

**The Scrap Book** ,1908      **The New York Times Book Review** ,1976      *The Journal I Did Not Keep* Lore Segal, 2019-06-25 For almost six decades Segal has quietly produced some of the best fiction and essays in American literature as this generous sampler attests The New York Times Segal is a monumental writer one of the finest of her generation this lovely collection is a fine introduction to her work Kirkus Reviews There are many standouts in the collection but its single greatest strength is the consistency of Segal's voice apparent from the very first paragraph of the opening piece The Paris Review A DEFINITIVE COLLECTION FROM ONE OF AMERICA'S FINEST WRITERS INCLUDING NEW AND NEVER BEFORE COLLECTED WORK From the award winning New Yorker writer comes this essential volume spanning almost six decades Admired for a voice unlike any other Cynthia Ozick and a style both wry and poignant The New Yorker Lore Segal is a master literary stylist This volume collects some of her finest work including new and uncollected writing and selections from her novels stories and essays From her very first story which appeared in The New Yorker in 1961 to today Segal's voice has been unique in contemporary American literature Hilarious and urbane heartbreaking and profound keen and utterly unsentimental Segal has often used her own biography as both subject and inspiration At age ten she was sent on the Kindertransport from Vienna to England to escape the Nazi invasion of Austria grew up among English foster families and eventually made her way to the United States This experience was the impetus for her first novel Other People's Houses

and one that she has revisited throughout her career From that beginning Segal s writing has ranged widely across form as well as subject matter Her flawless prose and light touch belie the rigor and intelligence she brings to her art qualities that were not missed by the New York Times reviewer who pointedly observed though it was not written by a man Segal may have come closer than anyone to writing The Great American Novel With this volume comes a long awaited career retrospective of an important American Writer     *Holocaust Novelists* Efraim Sicher,2004 Contains entries on 51 writers of Holocaust fiction each entry by a different author including a list of the published works of each writer biographical information and a brief analysis of the writings     *New York Times Saturday Book Review Supplement* ,1977     **Saturday Review** ,1976
