Lucky Country:

Lucky Country? Ian Lowe, 2016-03-23 Can we reinvent the Lucky Country Fifty years ago author Donald Horne described Australia as a lucky country run by second rate people adding that our leaders are mostly unaware of events that surround them The good fortune continued when our wide brown land proved to contain bountiful resources of saleable minerals allowing successive generations of second rate leaders to create an illusion of economic progress by liquidating those assets But a crisis is approaching driven by irresponsible encouragement of population growth rates typical of poor developing countries In this polemic work Ian Lowe will assess the state of Australia and whether we can retain our status of the Lucky Country

The Lucky Country Eamon Evans, 2023-11-28 The happy accident that created wi fi The well placed piece of coral that saved the Endeavour from sinking The karaoke night that launched Kylie s singing career Australia may be known as the lucky country but just how accurate is that description Turns out very From the Gold Rush to Stephen Bradbury our history is full of times when lady luck made a spectacular appearance Now Eamon Evans dives deep to deliver the most hilarious fascinating tales of the Australians who were almost too lucky to be believed *On How I Came To Write 'the Lucky Country'* Donald Horne, 2016-03-22 Donald Horne 1921 2005 was perhaps the best known Australian intellectual of his era after Manning Clark He made his name as editor of The Bulletin magazine and confirmed his reputation with his book The Lucky Country an ironic and influential critique of the Australian way of life first published in 1964 In his memoir Into the Open 2000 Horne recalled experiences people books and ideas that shaped his career as a journalist writer and thinker The extract published here focuses on the formative years leading up to the writing of The Lucky Country

Lucky Boy in the Lucky Country Warner Max Corden, 2018-01-04 Corden has written a charming and insightful account of his professional and personal life from his childhood in Breslau Germany until his retirement in Melbourne The book is divided into two parts Part I considers Corden s early life from a young boy growing up in Nazi Germany to his immigration from England to Australia and what that means for the author s self identity Part II addresses Corden s work on the Australian Protection Policy for which he is perhaps best known before reflecting upon the author s time at Oxford University and the Australian National University and finally moving on to review contributions made at the IMF Johns Hopkins University and The World Bank This book will be of interest to all aspiring economists as well as established economists familiar with Corden s work It is an inspiring and profound record of the intellectual journey made by one of Australia s best known economists

From the Promised Land to the Lucky Country Renate, 2000 In Renate s spellbinding story we re taken along on an incredible journey of survival that spans three countries and one remarkable life In sun soaked pages Renate shows us life on the kibbutz and how a young country experiences the miracle of statehood Part of Renate s gift is to give us vibrantly real and intimate glimpses of what it s like to be a young mother nurse and doting wife during turbulent times and in a strange land She doesn t sugarcoat but instead shows us both the pleasures and the perils of her life including the

terrifying time when she and her husband back in Israel are separated from their children during the Yom Kippur War Fearlessly honest in her writing Renate spares no detail This outstanding book occasionally breaks the fourth wall allowing the author to talk with readers and reveal to them how freeing it has been for her to write about the traumas in her life This boldness and strength of spirit give From the Promised Land to the Lucky Country its shining truth and intimacy We are meant to enjoy the earth Renate says and in this moving memoir we experience a woman who has despite all the odds found purpose and peace Ellen Tanner Marsh New York Times best selling author Who Brought the Luck to the Lucky Country?: Great Australian Migrant Business Carolyn Ford, 2011 *Policing the Lucky Country* Mike Enders, Benoît Dupont, 2001 Policing The Lucky Country addresses key challenges of contemporary Australian policing and places them within the context of Australia's particular culture and history The book's approach is to combine policing case studies with an analysis of the wider social and political environment Policing students are given information which enables them to think critically about contemporary policing practice and to understand the factors behind pervasive attitudes in the forces and the community In this way it aims to increase each officer's range of responses leading to appropriate policing practices and increased safety for the officer One of the key strengths of the book is the discussion of policing and indigenous persons with articles on policing indigenous peoples and indigenous participation in policing Specific police indigenous clashes are examined and situated within the Aboriginal policies of the day This historical perspective illuminates the discussion of current police force relationships with and responsibilities towards indigenous persons Other issues considered the use of technology the enforcement of drug laws the maintenance of public order the role of police in industrial disputes the social construction of crime are studied in similar fashion and provide a useful source of information and discussion about areas of policing relevant to contemporary police work This book is designed for first year policing students but will also be useful in criminology courses Oh Lucky Country Rosa Cappiello, 2010-04 Oh Lucky Country Paese fortunato uses first person point of view to inflate migrant oppression to such absurdist proportions that its swirling narrative boils over into a maelstrom washing away all migrant clichés It is a witty tragicomic view of Australian society culture and prejudice This new edition of Oh Lucky Country with introductions by Nicole Moore and Gaetano Rando is a part of the Australian Classics Library series intended to make classic texts of Australian literature more widely available for the secondary school and undergraduate university classroom and to the general reader The series is co-edited by Emeritus Professor Bruce Bennett of the University of New South Wales and Professor Robert Dixon Professor of Australian Literature at the University of Sydney in conjunction with SETIS Sydney University Press AustLit and the Copyright Agency Limited Each text is accompanied by a fresh scholarly introduction and a basic editorial apparatus drawn from the resources of AustLit Rosa Cappiello was born in Naples Italy in 1942 She migrated to Australia in 1971 with no knowledge of English and no skills and worked in various manual occupations She published her first novel I semi negri The Black Seeds in 1977 in Italy In 1982 she was writer in residence at

the University of Wollongong She died in 2008 in Italy **The Lucky Country** Donald Horne,1998 There has never been a book like *The Lucky Country* Outselling all other books on Australia it has helped shape the society it set out to explore The phrase the lucky country has become part of the Australian language setting the guidelines for debates about the Australian way of life When it was first published in 1964 as a radical critique of the philistinism provincialism and dependence of Australian society the book caused a sensation Stylish and witty it has become a classic Although a study of the confident Australia of the 1960s it still has much to offer decades later This edition contains a new introduction by the author which takes a fresh look at the book and examines its value not only as a source of continuing truths and revealing snapshots of the past but above all as a key to understanding the anxieties and discontents of Australian society today Country Life Illustrated ,1898 *The Lucky Country: Australia in the Sixties* Donald Horne,1966 **The Annalist** ,1914 The Bystander ,1915 *American Industries* ,1922 **Principles of Political Economy** Arthur Latham Perry,1890 **Herd Register** American Jersey Cattle Club,1896 **Sketch** ,1897 *The Standard* ,1919 *Outlook and Independent* ,1916 **Outlook** Alfred Emanuel Smith,Francis Walton,1916
