they are a boisterous loving bossy complicated middle class family who hound her daily by phone fax and letter in a language she doesn't understand until she returns to Taiwan to meet them As her sisters and parents pull her into their lives claiming her as one of their own the devastating secrets that still haunt this family begin to emerge Spanning cultures and continents Lucky Girl brings home a tale of joy and regret hilarity deep sadness and great discovery as the author untangles the unlikely strands that formed her destiny
