Randy Taraborrelli,2009-08-25 From New York Times bestselling author J Randy Taraborrelli comes the definitive biography of the most enduring icon in popular American culture When Marilyn Monroe became famous in the 1950s the world was told that her mother was either dead or simply not a part of her life However that was not true In fact

her mentally ill mother was very much present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a story that has never before been told until now. In this groundbreaking book Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life including her mother, her foster mother and her legal guardian.
