historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Shapers of the Great Debate on Jacksonian Democracy Paul E. Doutrich, 2004-03-30 The successful conclusion of the War of 1812 ushered in a new age of American history the Jacksonian era This book explores the background motives and goals of political and social leaders who dominated this era Divided into three categories Whigs Democrats and Writers and Reformers biographies of Henry Clay Ralph Waldo Emerson James Knox Polk Andrew Jackson and others are included Debates over such issues as westward expansion the Second Bank of the United States Indian policies and slavery are discussed from opposing viewpoints Americans of the Jacksonian era upheld traditions and values of their forefathers while also embracing the unlimited opportunity of the future During this era profound political divisions emerged within the nation with the core debate focused on the extent of the federal government s power Americans debated such issues as the degree to which the federal government could compel states to implement federal legislation administer expansion policy regulate trade and manage the economy Interwoven within these debates were questions about the legitimacy of slavery This book explores the background motives and goals of political and social leaders who dominated this era Debates over such issues as westward expansion the Second Bank of the United States Indian policies and slavery are discussed from opposing viewpoints Students and general readers will find this reference tool useful in describing the lives and views of individuals who directed the course of the nation during the Jacksonian era

Teaching U.S. History Through Children's Literature Wanda Miller, 1998-11-15 Similar to U S History Through Children s Literature From the Colonial Period to World War II in format and approach historical fiction and nonfiction are integrated into modern U S History For each of these topics Miller suggests two or more titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history more meaningful to students and helps them retain historical details and facts by immersing them in stories surrounding historical events A well researched and thorough resource

Suffrage Susan L. Poulson, 2019-09-03 Four generations of women fought for the right to vote This book shows how their grand reform effort overcame resistance from traditionalists fearing social decay religious leaders citing scriptural prohibitions and a stodgy political establishment reluctant to share power What was it like to be among the founders of the women s movement in the middle of the nineteenth century with no script to follow and self doubt dogging their every move This book not only reminds us of the laws that conspired against women s equality in the post Civil War United States but it also illustrates through the eyes of the suffragists themselves the cultural and religious norms that had held women in second class status for centuries Early suffragists grappled with isolation and outright hostility as they

lectured around the nation even as they tried to reassure the public that politicized women would still serve the family Others espoused outrage by organizing public protests This book shows how lasting political change comes about through a combination of working from within the system and outside of it and deftly illustrates the tensions within the movement Although the vote was finally won in 1920 it was not without tremendous sacrifice The book lays bare the strategies that led to the single minded focus on the vote and the consequences of postponing action on so many other issues that remained for later generations to address including reproductive freedom labor rights and equal pay **Lydia Maria Child** Lori

Kenschaft,2002-10-24 Lydia Maria Child presents the life of the dynamic nineteenth century writer who through her pen and at great personal cost to her literary career spoke out for those silenced in society slaves Native Americans women and the poor At the dawn of the 1830s Lydia Maria Child was a celebrated author known for her popular domestic handbook The Frugal Housewife and Hobomok a novel of American Indian life In 1833 with the publication of her controversial Appeal in Favor of that Class of Americans Called Africans Child s life changed dramatically from literary figure to antislavery activist Her Appeal helped ignite the abolitionist movement and several antislavery leaders including Wendell Phillips and Charles Sumner credited it with converting them to the cause An inspirational look at an extraordinary woman Lydia Maria Child is the story of how one person fought for the basic human right of freedom for all **Well-Dressed Role Models** Gale

Eaton,2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric Well Dressed Role Models The Portrayal of Women in Biographies for Children then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study **Women's Rights in the United States** Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the

history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues

people and events of women's activism from the early period of American history to the present time. This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom, political participation, pay equity, violence against women, and gay civil rights.

How to Grow a Young Reader Kathryn Lindskoog, Ranelda Mack Hunsicker, 2002-06-18 In an age of electronic games, TV videos, and the Internet, you can raise a book lover. Reading opens up a lifetime of learning and delight to children. In *How to Grow a Young Reader*, Kathryn Lindskoog and Ranelda Mack Hunsicker offer suggestions for creating a reader-friendly home, truths about how literature strengthens character development, and helpful strategies for nurturing a love of reading in any child. Includes a helpful guide to over 1,800 books.

Nonfiction Reading Comprehension: Social Studies, Grade 5 Ruth Foster, 2007-06 High-interest nonfiction articles help students learn about social studies topics while developing skills in reading comprehension. Each story is followed by questions that cover main idea, detail, vocabulary, and critical reasoning. The format is similar to that of standardized tests so as students progress through the book's units, they are preparing for success in testing. Page 4 of cover.

Origins of Difference Elaine Storkey, 2019-07-11 In what ways are women and men different? Where do these differences originate? In this book, Elaine Storkey uncovers the foundational assumptions and presuppositions that lie beneath gender issues and builds a cohesive model for a biblical view of men and women.

The Rough Guide History of the USA Greg Ward, 2004-02 The USA has become the wealthiest and most powerful nation on earth, and the Rough Guide History gives you a full overview of the country's remarkable evolution in accessible style and handy format. Covering everything from the beginnings of human settlement to the aftermath of September 11, it features a continuous time line plus sidebars on Benjamin Franklin, Henry Ford, Malcolm X, the Iran Contra affair, and many other figures and topics. Illustrated throughout and packed with illuminating quotations, the Rough Guide History is a vital reference for travellers and students alike.

Votes for Women! Winifred Conkling, 2018-02-13 For nearly 150 years, American women did not have the right to vote. On August 18, 1920, they won that right when the 19th Amendment to the Constitution was ratified at last. To achieve that victory, some of the fiercest, most passionate women in history marched, protested, and sometimes even broke the law for more than eight decades. From Susan B. Anthony and Elizabeth Cady Stanton, who founded the suffrage movement at the 1848 Seneca Falls Convention, to Sojourner Truth and her famous "Ain't I a Woman" speech, to Alice Paul, arrested and force-fed in prison, this is the story of the American women's suffrage movement and the private lives that fueled its leaders' dedication. *Votes for Women* explores suffragists' often powerful, sometimes difficult relationship with the intersecting temperance and abolition campaigns and includes an unflinching look at some of the uglier moments in women's fight for the vote. By turns illuminating, harrowing, and empowering, *Votes for Women* paints a vibrant picture of the women whose tireless battle still inspires political, human rights, and social justice activism.

Heroes Scott T. Allison, George R. Goethals, 2011 Using the lens of popular culture, *Heroes* explores the ways that our perceptions of heroism and villainy affect the way people

behave in heroic and villainous ways Allison and Goethals use psychology to explore how these important concepts shape our lives and our world

Notable Women in American History Lynda G. Adamson, 1999-08-30 This unique guide will enable students librarians teachers and general readers to easily identify the best biographies and autobiographies of 500 of the most notable women in American history Spanning from colonial America through 1998 the guide features entries on historical and contemporary women who have achieved recognition in more than 100 fields of endeavor It annotates approximately 1350 recommended books published since 1970 about these women The compilation of works selected here is unavailable in any other reference Adamson author of the acclaimed companion volume *Notable Women in World History A Guide to Recommended Biographies and Autobiographies* provides the most up to date information on each woman s life biographies and autobiographies Each entry contains a brief biographical sketch of the woman and an annotated list of up to five recommended biographies autobiographies letter collections or journals concerning her life Three appendixes listing the women according to year of birth occupation and ethnicity will help researchers easily locate women from specific time periods professions or ethnic backgrounds

Encyclopedia of Women Social Reformers Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book *Silent Spring* The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world
