Antiquarian Bookman ,1964 University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System). Institute of Library Research, University of California, Berkeley, 1972 **Three Lives** NA NA, 2016-04-30 Gertrude Stein as a college student at Radcliffe and a medical student at Johns Hopkins Medical School was a privileged woman but she was surrounded by women who were trapped by poverty class and race into lives that offered little choice Her portraits of Anna and Lena are examples of realistic depictions of immigrant women who had no occupational choice but to become domestic workers This collection of documents from the history of women s suffrage medical history modernist art and literature enables readers to see how radical Stein s subject was **Library of Congress Catalog** Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards **Gertrude Stein and the Making of an American Celebrity** Karen Leick, 2013-05-13 This book is a cultural history of Stein s rise to fame and the function of literary celebrity in America from 1910 to 1935 By examining not the ways that Stein portrayed the popular in her work but the ways the popular portrayed her this study shows that there was an intimate relationship between literary modernism and mainstream culture and that modernist writers and texts were much more well known than has been previously acknowledged Specifically Leick reveals through the case study of Stein that the relationship between mass culture and modernism in America was less antagonistic more productive and integrated than previous studies have suggested **Curved Thought and Textual Wandering** Ellen E. Berry, 2025-10-01 This wide ranging and provocative study traces Gertrude Stein s production of avant garde texts that radically disrupted traditional notions of how fiction should be defined valued and read The book combines feminist and postmodern perspectives to illuminate new facets of Stein s novels and to situate them within an expanded definition of the postmodern The author argues that if we fail to consider the contexts within which postmodern innovations occur and if we subsume all formal disruptions under a generalized postmodern mode we obscure important differences among authors and distort the notion of the postmodern itself The study expands our understanding of Stein as a novelist and a narrative theorist repositions her work within a revised notion of literary history and thus clarifies points of relation and divergence between modernism and postmodernism It also assists in the historicizing of the postmodern literary emergence by insisting on the centrality of gender as a category of analysis Finally it argues for the importance of constructing definitions of postmodernism that will allow space to consider the complexity and diversity of its cultural practices Curved Thought and Textual Wandering will be welcomed by scholars of modernism of Gertrude Stein and of feminist and narrative theory and postmodern culture **The Collected Works of Gertrude Stein** Gertrude Stein, 2022-11-13 The Collected Works of Gertrude Stein is a comprehensive anthology showcasing the innovative and experimental prose and poetry of one of the most significant figures of modernist literature Stein s work defies conventional narrative techniques through her use of

repetition fragmentation and unique structuring presenting a kaleidoscopic view of identity language and existence This collection encapsulates her most iconic texts including *Three Lives* and *Tender Buttons* allowing readers to explore Stein's revolutionary approach to narrative and her exploration of the fluidity of meaning in a rapidly changing world post World War I Gertrude Stein 1874-1946 an American avant garde writer and art collector played a pivotal role in the development of modernist art and literature Residing in Paris during a time of artistic upheaval Stein became a central figure in the expatriate community befriending celebrated artists and writers including Picasso and Hemingway Her keen intellect and innovative spirit compelled her to challenge traditional literary forms leading her to create works that reflect her profound engagement with the contemporary artistic milieu This meticulously compiled collection is highly recommended for readers seeking to engage with the complexities of modernist literature Stein's unique voice and perspective on art and language offer invaluable insights into the human condition Whether you are a seasoned scholar or a curious newcomer *The Collected Works of Gertrude Stein* is essential for understanding the evolution of 20th century literature [American Book Publishing Record](#) ,2000-07 [The Letters of Gertrude Stein and Virgil Thomson](#) Gertrude Stein, Virgil Thomson, 2010-02-11 Gertrude Stein Virgil Thomson are known as much for their formidable egos as for their contributions to 20th century arts This collection of roughly 400 letters from between 1926-1946 reveals the spark that existed between the two American masters over the course of their sometimes rocky always fascinating friendship *Everybody's Autobiography* Gertrude Stein, 2013-03-13 Alice B Toklas wrote hers and now everybody will write theirs In 1933 Gertrude Stein's *The Autobiography of Alice B Toklas* skyrocketed to the top of the bestseller lists and the author found herself a celebrity *Everybody's Autobiography* is the very Steinian account of her soul satisfying next five years in France England and America where she made a triumphant tour of the country Here are Stein's devastating analyses of some of the major figures of the day whom she met among them Dashiell Hammett Charlie Chaplin Pablo Picasso Marianne Moore Mrs Roosevelt and Sherwood Anderson and also of her own life and work [The Publishers Weekly](#) ,1929 [A Description of Acquaintance](#) Logan Esdale, Jane Malcolm, 2025-06-17 Gertrude Stein and Laura Riding enjoyed a fascinating if brief three year friendship via correspondence between 1927 and 1930 and in *A Description of Acquaintance* Logan Esdale and Jane Malcolm make the letters available to a larger audience for the first time Riding and Stein are important figures in twentieth century poetry and poetics and are considered progenitors of later movements such as L A N G U A G E poetry The editors contextualize their relationship and its time period with an introduction annotations to the letters and supplementary materials including pieces by Stein and Riding that exemplify their singular perspectives on modernism as well as their personal poetics The book provides unique insight into Stein's and Riding's writing processes as well as the larger literary world around them making it a must read for anyone interested in twentieth century poetry [Gertrude Stein](#) Michael J. Hoffman, 19?? *Modernist Literature and European Identity* Birgit Van Puymbroeck, 2020-05-13 *Modernist Literature and European Identity* examines

how European and non European authors debated the idea of Europe in the first half of the twentieth century It shifts the focus from European modernism to modernist Europe and shows how the notion of Europe was constructed in a variety of modernist texts Authors such as Ford Madox Ford T S Eliot Gertrude Stein Aim C saire and Nancy Cunard each developed their own notion of Europe They engaged in transnational networks and experimented with new forms of writing supporting or challenging a European ideal Building on insights gained from global modernism and network theory this book suggests that rather than defining Europe through a set of core principles we may also regard it as an open or weak construct a crossroads where different authors and views converged and collided **AB Bookman's Weekly** ,1997 **Who's Who in Lesbian and Gay Writing** Gabriele Griffin,2003-09-02 A lively and accessible guide to lesbian and gay literary culture Featuring authors of works with lesbian or gay content as well as known lesbian and gay writers it offers an invaluable guide to a rich and varied literary culture **Want List** ,1948 *Gertrude Stein* Ulla E. Dydo,William Rice,2008-12-19 The definitive book on Gertrude Stein **Guide to Reprints** ,2009 **Gertrude Stein** Francesca Wade,2025-10-07 Drawing on never before seen interviews a richly researched sweeping examination of one of the most influential and mythologized literary figures of the 20th century and her partner s emergence from the shadows after her death in the decades long fight to ensure her legacy Gertrude Stein s salon at 27 rue de Fleurus in the 6th arrondissement of Paris is the stuff of literary legend Many have tried to capture the spirit and glamour of the place that once entertained and fostered the likes of Ernest Hemingway F Scott and Zelda Fitzgerald Pablo Picasso and Henri Matisse but perhaps none as determinedly and self consciously as Stein herself In this new biography of the polarizing trailblazing author collector salonni re and tastemaker Francesca Wade rescues Stein from the tangle of contradictions that has characterized her legacy expertly presenting us with this towering literary figure as we ve never seen her before A genius to her admirers a charlatan to her detractors Stein achieved international celebrity in 1933 with her bestselling memoir *The Autobiography of Alice B Toklas* written in the voice of her devoted partner a triumph which ironically only drew attention away from the avant garde poetry she called her real writing After Stein s death in 1946 Alice B Toklas made it her mission to shepherd all of Stein s unpublished writing into print all the while negotiating her own fraught role in the complex mythology they had built together The biographers who flocked to Stein s newly opened archive found a surprising trove of secrets which would change Stein s image forever a forgotten novel a cache of love letters and a series of notebooks which shed entirely new light on her early years in Paris Pushing beyond the conventions of literary biography *Gertrude Stein An Afterlife* is a bold innovative examination of the nature of legacy and memory itself in which Wade uncovers the origins of Stein s radical writing and reveals new depths to the storied relationship that made it possible A captivating brilliant work of biography *Gertrude Stein An Afterlife* is a groundbreaking examination of a true literary giant
