M. **Montgomery** Liz Rosenberg, 2018-06-12 An affecting biography of the author of Anne of Green Gables is the first for young readers to include revelations about her last days and to encompass the complexity of a brilliant and sometimes troubled life Once upon a time there was a girl named Maud who adored stories When she was fourteen years old Maud wrote in her journal I love books I hope when I grow up to be able to have lots of them Not only did Maud grow up to own lots of books she wrote twenty four of them herself as L M Montgomery the world renowned author of Anne of Green Gables For many years not a great deal was known about Maud's personal life Her childhood was spent with strict undemonstrative grandparents and her reflections on writing her lifelong struggles with anxiety and depression her year of mad passion and her difficult married life remained locked away buried deep within her unpublished personal journals Through this revealing

and deeply moving biography kindred spirits of all ages who like Maud never gave up the substance of things hoped for will be captivated anew by the words of this remarkable woman The Intimate Life of L.M. Montgomery Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery s personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery s personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of The Intimate Life of L M Montgomery is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery's personal life Engaging and erudite it is a boon for scholars and Green Gables Deirdre Kessler, 2010-06-18 Beautiful contemporary photographs and historical Montgomery fans alike images of Green Gables and other Anne sites and a brief biography of Lucy Maud Montgomery L.
